IN RE: PUERTO RICO ELECTRIC
POWER AUTHORITY RATE REVIEW

CASE NO.: NEPR-AP-2023-0003

SUBJECT: Motion Requesting Continuance
of Technical Conference

MOTION REQUESTING CONTINUANCE OF TECHNICAL CONFERENCE

**TO THE HONORABLE PUERTO RICO ENERGY BUREAU AND HEARING
EXAMINER, SCOTT HEMPLING:**

COME NOW LUMA Energy, LLC (“ManagementCo”), and **LUMA Energy ServCo, LLC** (“ServCo”), (jointly referred to as “LUMA”), and respectfully state and request the following:

1. As the Honorable Puerto Rico Energy Bureau (“Energy Bureau”) and the Hearing Examiner are aware, LUMA is working to file, on or before April 30, 2025, the proposed revenue requirement for the electric power system (“System”) and a request for approval of provisional rates. Said filing will follow the requirements of the Energy Bureau’s Filing Requirements order of February 12, 2025, as supplemented on February 27, 2025 (jointly, “the Filing Requirements”).

2. During the late afternoon of April 21, 2025, LUMA received a Resolution and Order from this Energy Bureau that, among others, clarifies and amends the scope of the two-phased rate review process that the Energy Bureau has determined to conduct, states that the April 30th revenue requirement filing will not be a formal filing, sets July 3, 2025 as the date to file the formal rate review petition, sets forth new parameters for a provisional rate request, and references the possibility of an emergency rate filing.

3. Today, April 22, 2025, the Hearing Examiner, Mr. Scott Hempling, issued an Order scheduling a virtual Technical Conference for this Friday, April 25, 2025, at 10 a.m. AST to discuss procedures necessary to carry out the Energy Bureau's Resolution and Order dated April 21, 2025.

4. Unfortunately, the undersigned counsels will not be available for the Technical Conference set for Friday, April 25, 2025, due to previously scheduled commitments. Moreover, the relevant LUMA personnel will be occupied with finishing the materials required to be submitted by April 30, 2025, making it impossible for them to appear at the Technical Conference.

5. In view of the foregoing, LUMA respectfully requests that the Hearing Examiner continue the Technical Hearing scheduled for April 25, 2025. LUMA hereby requests that the Technical Conference be rescheduled for a date after the April 30th filing. LUMA proposes May 5, 6, 8, or 9, 2025.

WHEREFORE, LUMA respectfully requests the Energy Bureau **take notice** of the above, **order** the continuance of the Technical Hearing scheduled for April 25, 2025, and **reschedule** the Technical Hearing for May 5, 6, 8, or 9, 2025.

RESPECTFULLY SUBMITTED.

In San Juan, Puerto Rico, this 23rd day of April, 2025.

WE HEREBY CERTIFY that this Motion was filed using the electronic filing system of this Energy Bureau and that electronic copies of this Motion will be notified to Hearing Examiner, Scott Hempling, shempling@scotthemplinglaw.com; and to the attorneys of the parties of record. To wit, to the Puerto Rico Electric Power Authority, through: Mirelis Valle-Cancel, mvalle@gmlex.net; Juan González, jgonzalez@gmlex.net; and Alexis G. Rivera Medina, arivera@gmlex.net; and to Genera PR, LLC, through: Jorge Fernández-Reboredo, jfr@sbgblaw.com; regulatory@genera-pr.com; and legal@genera-pr.com.
