**SUBJECT: Motion Requesting Term
Extension and to be Notified of Record
Entries**

**MOTION REQUESTING TERM EXTENSION AND
TO BE NOTIFIED OF RECORD ENTRIES**

TO THE HONORABLE PUERTO RICO ENERGY BUREAU:

COMES NOW Ricardo Palléns Cruz, representing Genera PR, LLC. ("Genera"), and respectfully submits and prays as follows:

1. On February 27, 2025 this attorney submitted a motion to appear and requested to add for notifications of all orders, resolutions, motions and or filings the following addresses:

- a. ricardo.pallens@genera-pr.com
- b. regulatory@genera-pr.com
- c. legal@genera-pr.com
- d. Postal mailing address PO Box 363068, San Juan, PR 00936
- e. Tel. (787) 474.2400

2. The Puerto Rico Energy Bureau (PREB) notified a Resolution and Order of February 28, 2025. No other resolution or order has been formally notified by PREB to Genera by the provided emails or regular mail.

3. On April 21, 2025 Genera received from PREPA a new draft for the amendment to the Legacy Generation Assets Operation and Maintenance Agreement with a copy of a resolution and order from PREB that was never formally notified to Genera by PREB.

4. On April 25, 2025 we received a copy of a an “Informative Motion and in Compliance with Resolution and Order Dated April 7, 2025” filed by Puerto Rico Electric Power Authority (PREPA) on April 24, 2025.
5. Among other things, PREPA refers to a “Resolution and Order” from the PREB allegedly sent on April 7, 2025.
6. Genera was not notified, nor received a copy of that April 7, 2025 Resolution and Order as established in PR Eco Park et al. v. Mun. de Yauco, 202 DPR 525 (2019).
7. PREPA established in its motion that a deadline to submit certain information was set by the PREB. PREPA’s motion says that the deadline established by PREB was April 24, 2025.
8. However, as of this date, Genera has not formally received a copy of the April 7, 2025 resolution and order, nor a copy of another resolution from April 15, 2025 granting an extension to PREPA.
9. Genera made a search in PREB electronic filing system and none of those resolutions appear published.
10. Genera formally states that none of its due process rights are being waived and that, as a party affected by all PREB determinations and orders in this case, Genera has the right to be duly notified pursuant to PR Eco Park et al. v. Mun. de Yauco, *supra*.
11. Considering that Genera was not notified of April 7, 2025 or April 15, 2025 resolutions, no term or deadline shall be accounted against Genera.
12. For all these reasons, Genera respectfully requests to the PREB:
 - a. That April 7, 2025 and April 15, 2025 be formally and duly notified to Genera;

- b. That all future orders, motions and resolutions be notified to Genera;
- c. A term extension of fifteen (15) labor days, from the date these resolutions and orders are notified to Genera, for Genera to express its position and/or comply

13. Genera emphasizes that no right or defense is being renounced, and that Genera reserves all its legal rights to present any applicable legal argument or claims after these resolutions and orders be formally notified.

WHEREFORE, Genera respectfully requests that this Energy Bureau **take notice** of the above for all relevant purposes; formally **notifies** the orders and resolutions; and grants the **term extension** requested.

RESPECTFULLY SUBMITTED.
