**IN RE:** REQUEST FOR  
CERTIFICATION OF SUNRUN, INC.

**CASE NO.:** NEPR-CT-2019-0002

**SUBJECT:** Financial Statements

**MOTION TO REQUEST CONFIDENTIAL TREATMENT OF  
FINANCIAL STATEMENTS**

**TO THE HONORABLE ENERGY BUREAU:**

**COMES NOW**, Sunrun, Inc. ("Sunrun"), represented by the undersigned legal counsel, and respectfully submits the following showing of cause and request for extension:

1. Section 4.02(E) of the *Amendment to Regulation No. 8618 on Certification, Annual Fees, and Operational Plans for Electric Service Companies in Puerto Rico, Regulation 8701 of the 17th of February 2016*, as amended ("Regulation 8701"), requires electrical service companies whose gross revenue for a given fiscal exceed three million dollars (\$3,000,000.00) to submit audited financial statements within 120 days of the end of the company's fiscal year.
2. On April 30, 2025, Sunrun submitted its *Motion to Request Extension of Time*, whereby Sunrun requested an extension until May 30<sup>th</sup>, 2025 due to the heightened workload and overlapping responsibilities of its certified public accountant during the tax busy season.

3. On May 15, 2025, the Bureau granted Sunrun's request for an extension.
4. Sunrun hereby complies with Section 4.02 of Regulation 8701 and respectfully submits its audited financial statements for fiscal year 2024 (**Attachment 1**).
5. Sunrun requests that confidential treatment be afforded to this motion and its corresponding attachment. Section 6.15 of Act No. 57 of May 17, 2014, as amended, 22 L.P.R.A. § 1054n, provides:

If any person who is required to submit information to the Energy [Bureau] believes that the information to be submitted has any confidentiality privilege, such person may request the [Bureau] to treat such information as such, subject to the following:

(a) If the Energy [Bureau], after the appropriate evaluation, believes such information should be protected, it shall grant such protection in a manner that least affects the public interest, transparency, and the rights of the parties involved in the administrative procedure in which the allegedly confidential document is submitted.

(b) To such purposes, the Energy [Bureau] shall provide access to the document or the privileged portion of the document only to the lawyers and external consultants involved in the administrative process after the execution of a confidentiality agreement.

(c) The Energy [Bureau] shall keep the documents submitted for its consideration out of public reach only in exceptional cases. In these cases, the information shall be duly safeguarded and delivered exclusively to the personnel of the Energy [Bureau] who needs to know such information under nondisclosure agreements. However, the Energy [Bureau] shall direct that a non-confidential copy be furnished for public review.

(d) The Energy [Bureau] shall swiftly act on any privilege and confidentiality claim made by a person subject to its jurisdiction by means of a resolution to such purposes before any allegedly confidential information is disclosed.

6. In turn, Section 1.15 of the Regulation No. 8701 provides that when a person who is required to submit information to the Energy Bureau considers such information to be privileged or confidential, the person shall identify the information it deems privileged or confidential, request the Energy Bureau to protect such information, and present arguments supporting the privilege or confidentiality claim. The Energy Bureau shall evaluate the petition and, if it concludes the information merits protection, it shall proceed pursuant to Section 6.15 of Act No. 57.
7. Sunrun respectfully requests that all the information contained in the attachment hereto be kept confidential in accordance with Section 1.15 of Regulation 8701. In compliance with the process to designate confidential information, Sunrun hereby includes redacted and unredacted versions of the document for which confidential treatment is sought (**Attachment 1**).
