**RESOLUTION**

On March 31, 2025, the Puerto Rico Electric Power Authority ("PREPA") filed a document titled *Motion in Compliance with Resolutions and Orders Dated February 28, 2025 and March 28, 2025* ("March 31 Motion"), whereby it submitted, as Annex A, the First Amendment to the *Puerto Rico Thermal Generation Facilities Operation and Maintenance Agreement* or GOMA ("Proposed Amendment"), as approved by the governing boards of both PREPA and the Puerto Rico Public-Private Partnerships Authority ("P3 Authority").

On April 7, 2025, the Energy Bureau of the Puerto Rico Public Service Regulatory Board ("Energy Bureau") issued a Resolution and Order ("Order") requiring PREPA and the P3 Authority to submit additional information and proposed revisions to GOMA within five (5) days of notification of the Order.

On April 14, 2025, PREPA filed a document titled *Motion Requesting Extension of Time to Comply with Resolution and Order Dated April 7, 2025* ("Motion") requesting that the Energy Bureau grant an extension of five (5) additional labor days from the original deadline to comply with the directives set forth in the Order. According to PREPA, it is currently engaged in discussions with the P3 Authority and Genera PR, LLC ("Genera") concerning the matters raised by the Energy Bureau in the Order. In the Motion, PREPA stated that its request was made in good faith and to ensure that any filing made before the Energy Bureau reflects a thorough assessment of the issues raised and a coordinated response by the relevant parties.

Upon review of the Motion, the Energy Bureau **GRANTS** PREPA until **Thursday, April 24, 2025**, to comply with the requirements set forth in the Order. Notwithstanding the foregoing, the Energy Bureau **STRONGLY ENCOURAGES** PREPA to comply with the Order as soon as possible to enable the Energy Bureau to discharge its mandate to issue or deny a Compliance Certificate in the thirty (30) days established under Act 120-2018, as amended.<sup>1</sup>
