**CASE NO.:** NEPR-AP-2025-0003

**MOTION FOR EXTENSION**

**TO THE HONORABLE ENERGY BUREAU,**

**COMES NOW** the Puerto Rico Electric Power Authority (hereinafter, "PREPA") through its undersigned legal representation and, very respectfully, informs and requests as follows:

1. On July 2, 2025, the Energy Bureau issued a Resolution and Order ("July 2 Order") in the above-captioned case, directing PREPA to submit, no later than July 7, 2025, all supporting documents, spreadsheets, models, and other relevant files in their native editable formats, with all underlying formulas and source data preserved, in connection with the Petition for Approval of Amendment to the PPOA with Energiza, LLC.

2. PREPA is actively working to collect, organize, and prepare the information and documentation required by the July 2 Order. However, additional time is needed to receive the required materials from PREPA's consultants and to ensure full compliance with the Energy Bureau's directives.

3. Accordingly, PREPA respectfully requests an extension of four (4) days, until Friday, July 11, 2025, to complete the compilation and submission of the required materials.

4. This extension is not intended to cause undue delay and will allow PREPA to comply in good faith and with due diligence with the Energy Bureau's order, ensuring that all relevant files are submitted in the required format and with the necessary accuracy and completeness.

**WHEREFORE**, PREPA respectfully requests that the Energy Bureau GRANT this Motion and allow PREPA until July 11, 2025, to comply with the July 2, 2025, Resolution and Order.

**RESPECTFULLY SUBMITTED.**

In San Juan, Puerto Rico, this 7<sup>th</sup> day of July 2025.
