CASE NO.: NEPR-MI-2020-0012

SUBJECT: Resolution on *Motion in

December 5, 2025*

RESOLUTION

On December 5, 2024, the Energy Bureau of the Puerto Rico Public Service Regulatory Board ("Energy Bureau") issued a Resolution and Order ("December 5 Resolution") conditionally approving the W-2-ESSA and AA-2-ESSA, subject to the modifications outlined in Part III of the December 5 Resolution. Specifically, the Energy Bureau ordered the Puerto Rico Electric Power Authority ("PREPA") to modify Sections 16.1(g)(4), 16.1(g)(5), and 2.3(c). The Energy Bureau also directed PREPA to submit revised and redlined versions of the contracts. With regards to Section 2.3(c), the Energy Bureau ordered that each ESSA be modified to reflect a ninety (90) day term for the automatic termination provision.

On December 13, 2024, PREPA submitted a document titled *Motion in Compliance with the December 5th Resolution and Order* (December 13 Motion). This submission included the revised versions of the W-2-ESSA and AA-2-ESSA, along with a redlined version highlighting the changes.

On December 20, 2025, the Energy Bureau issued a *Resolution* determining that the revised versions of the W-2-ESSA and AA-2-ESSA filed by PREPA on the December 13 Motion, complied with the requirements set forth by the Energy Bureau in the December 5 Resolution.

On June 24, 2025, PREPA filed a document titled *Motion in Compliance with Resolution and Order dated December 5, 2025* ("June 24 Motion"). Through the June 254 Motion, PREPA submitted the final version of the W-2-ESSA and AA-2-ESSA and informed the Energy Bureau that Section 2.3(b) was also updated to reflect the ninety (90) day period, ensuring consistency throughout the agreements. Additionally, PREPA requested that the final agreements be designated as confidential until their execution and that the Energy Bureau deem PREPA in compliance with December 5 Resolution.

After evaluating the June 24 Motion, the Energy Bureau **APPROVED** the final versions of the W-2-ESSA and AA-2-ESSA submitted with the June 24 Motion. The Energy Bureau also **GRANTS** confidentiality to these agreements until their execution and **DEEMED** PREPA in compliance with the December 5 Resolution.
