

**GOVERNMENT OF PUERTO RICO  
PUBLIC SERVICE REGULATORY BOARD  
PUERTO RICO ENERGY BUREAU**

**IN RE:** REQUEST FOR CERTIFICATION  
ENERNET CHP ONE LLC

**CASE NO.:** NEPR-CT-2024-0009

**SUBJECT:** Waiving of Operational Report  
Filing Fee, Order to comply with July 24  
Resolution requesting contracted entity  
information and credentials.

**RESOLUTION AND ORDER**

On July 24, 2025, the Energy Bureau of the Puerto Rico Public Service Regulatory Board ("Energy Bureau") issued a Resolution and Order ("July 24 Resolution") through which, among other things: (i) granted Enernet CHP ONE, LLC ("Enernet ONE") five (5) days to submit evidence of the filing fee for its 2025 *Operational Report for Electric Power Companies* (Form NEPR-B03); (ii) reminded Enernet ONE that if all or part of its system's operation is to be contracted out to another entity, it shall provide the name, contact information, and credentials of the entity or entities to be contracted; and describe what services, equipment, and systems the contracted entity will operate.

On July 29, 2025, Enernet One filed before the Energy Bureau a document titled *Motion in Compliance with Resolution and Order of July 24, 2025, and Request for Waiver* ("July 29 Motion") requesting, due to the reasons reported in the Motion, that the Energy Bureau waive the payment of the filing fee for the Operational Report pursuant to Section 2.03(B) of Regulation 8701<sup>1</sup>.

In the July 29 Motion, Enernet One did not address the matter of the credentials and information of the contracted entity for the operation of its systems. Previously<sup>2</sup> Enernet One reported information about an "Operations and Maintenance Agreement" with certain company to "provide day-to-day operation and maintenance services, including emergency and outages recovery services", and provided the contracted entity contact information but until now it has not provided the full information and credentials of the company as requested in the July 24 Resolution.

Upon reviewing the July 29 Motion filed by Enernet One, the Energy Bureau **DETERMINES** that Enernet One **COMPLIED** with Section 2.03(B) of Regulation 8701, setting forth the facts and legal basis why the payment of the filing fee would be onerous, and **WAIVES** the filing fee for its 2025 *Operational Report for Electric Power Companies* (Form NEPR-B03).

The Energy Bureau **DETERMINES** Enernet One **DID NOT COMPLY** with the July 24 Resolution, as it did not address nor provide the credentials of the entity or entities to be contracted to operate its system. As such, the Energy Bureau **REITERATES** its July 24 Resolution and **GRANTS** Enernet One **ten (10) additional days** from the notification of this Resolution and Order to submit such information.

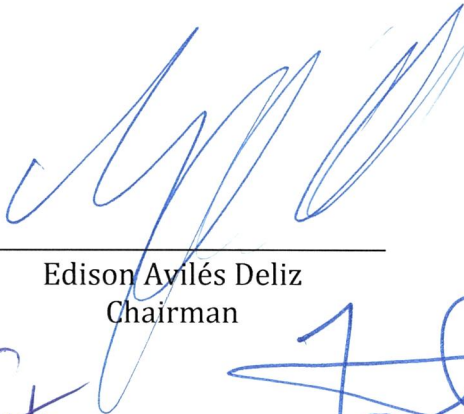

The Energy Bureau **WARNS** Enernet One that, in accordance with Art. 6.36 of Act 57-2014,<sup>3</sup> noncompliance with this Resolution and Order will carry the imposition of fines.

<sup>1</sup> Amendment to Regulation No. 8618, on Certifications, Annual Fees and Operational Plans of Electric Service Providers in Puerto Rico, February 17, 2016, as amended by Regulation No. 9182 ("Regulation 8701"); Amendment to Regulation No. 8701, on Certifications, Annual Fees and Operational Plans of Electric Service Providers in Puerto Rico, June 24, 2020 ("Regulation 9182").

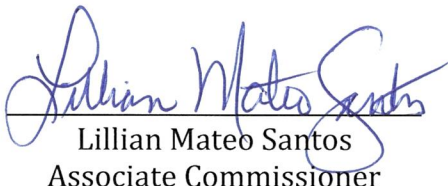

<sup>2</sup> Annex 4 of Supplemental Attachment II-2 to the Operational Report submitted on November 12, 2024.

<sup>3</sup> Known as the *Puerto Rico Energy Transformation and RELIEF Act*, as amended ("Act 57-2014").

Be it notified and published.
