RESOLUTION AND ORDER

I. Introduction

On July 15, 2025, the Energy Bureau of the Puerto Rico Public Service Regulatory Board (“Energy Bureau”) issued a Resolution and Order (“July 15 Resolution”) granting Green Power Technologies Puerto Rico, LLC (“Green Power”): ten (10) days (i) to submit its Operational Report and applicable fee, and (ii) to file of its FY24 Financial Statements.

On July 29, 2025, Green Power filed the following documents:

1. *Motion in Compliance with Resolution and Order Issued on July 15, 2025* (“July 29 Motion”) including:
- a. Exhibit A. *Operational Report Electric Power Companies* (Form NEPR-B03).
 - b. Exhibit B. Information on the professional and academic background (*resume*) of Green Power Chief Executive Officer.
 - c. Exhibit C. Green Power’s Corporation Income Tax Returns for FY 2024 (Puerto Rico Department of Treasury Form 480.20).
 - d. Exhibit D. Green Power’s Income Statement.
2. *Motion to File Under Seal to Protect Confidential Information Pursuant to Section 1.15 of Regulation 8701 and Section 6.15 of Act 57-2014*¹ (“July 29 Motion to File Under Seal”); requesting that the July 29 Motion and its exhibits be declared privileged and confidential.²

In the July 29 Motion, Green Power included its *Operational Report Electric Power Companies* (Form NEPR-B03) and requested that the corresponding filing fee be waived under Section 2.03(B) alleging its payment will cause undue hardship on the company due that it has yet to produce electricity and therefore revenue.

In the July 29 Motion, Green Power requested that, due to certain reasons and the actual economic condition of the company detailed in the Motion, the requirement to present a Certified Public Accountant (“CPA”) certified compilation of Financial Statements for Fiscal Year be waived and the Energy Bureau accept in its place the enclosed Income Statement³ containing all the pertinent information that would be found in the CPA certified FY2024 Financial Statements.

¹ Known as the *Puerto Rico Energy Transformation and RELIEF Act*, (“Act 57-2014, as amended”).

² This Motion was enclosed in the July 29 Motion.

³ *Supra*, Exhibit D.

Green Power requested confidential treatment of the July 29 Motion and the July 29 Motion to File Under Seal and the documents attached to it. Green Power did not submit redacted versions of the motions and exhibits in compliance with: (i) Section 6.15 of Act 57-2014; (ii) Section 1.15 of Regulation 8701⁴; and (iii) *In Re: Policy on Management of Confidential Information in Procedures before the Commission*, Case No.: CEPR-MI-2016-0009, Resolution and Order issued on August 31, 2016 ("Confidential Treatment Resolution").

II. Applicable Laws and Regulations

A. Section 2.03(B) of Regulation 8701 states:

Im
In cases where, pursuant to the provisions of Subsection (D) of Section 2.02 of this Regulation, the Commission orders an electric service company to submit information to the Commission and said company believes that the payment of the amount corresponding to the fee for the submission of the Operational Report would be onerous, the company in question may request that the Commission waive the requirement to pay the fee for the submission of the Operational Report. In such cases, the company must file, together with the information required by the Commission, a motion wherein it sets forth the facts and explains the legal basis that justifies said waiver of payment.

Shon B. Request for Confidential Designation

To obtain confidential treatment in its forms, documents, and information, under Section 6.15 of Act 57-2014 and Section 1.15 of Regulation 8701, Green Power must comply with requirements established in the *In Re: Policy on Management of Confidential Information in Procedures Before the Commission*, CEPR-MI-2016-0009, August 31, 2016, Resolution.

am
Section A (6) of the Resolution requires the following document submission: "The Producing Party must simultaneously file a "redacted" or "public" version and an "un-redacted" or "confidential" version of any document containing Confidential Information. The filing of any document containing Confidential Information will not be deemed complete until the Producing Party files both versions of the document. The Producing Party must notify all the parties a copy of the "redacted" or "public" version of said document."

III. Conclusion

am
Upon reviewing the July 29 Motion, the Energy Bureau **DETERMINES** Green Power **COMPLIED** with by Section 2.02(A)(1) of Regulation 8701 by submitting the *Operational Report Electric Power Companies* (Form NEPR-B03), as required in the July 15 Resolution.
