REVIEW OF THE PUERTO RICO  
ELECTRIC POWER AUTHORITY'S 10-  
YEAR INFRASTRUCTURE PLAN-  
DECEMBER 2020

**CASE NO. NEPR-MI-2021-0002**

**SUBJECT: Motion in Compliance with Resolution  
and Order of October 3, 2025**

**MOTION RESUBMITTING CORRECTED EXHIBIT 2 OF THE OCTOBER 14,  
2025, MOTION IN COMPLIANCE WITH RESOLUTION AND  
ORDER OF OCTOBER 3, 2025**

**TO THE PUERTO RICO ENERGY BUREAU:**

**COME NOW LUMA Energy, LLC, and LUMA Energy ServCo, LLC**, (jointly referred to as “LUMA”), through the undersigned legal counsel and respectfully submit the following:

1. On October 3, 2025, this Honorable Puerto Rico Energy Bureau (“Energy Bureau”) issued a Resolution and Order (“October 3<sup>rd</sup> Order”) directing, among other things, LUMA, Genera PR, LLC, and the Puerto Rico Electric Power Authority to file, separately, a Comprehensive Consolidated List in the provided Excel format. *See* October 3<sup>rd</sup> Order, p. 3.

2. Yesterday, October 14, 2025, LUMA filed a *Motion in Compliance with Resolution and Order of October 3, 2025* (“October 14<sup>th</sup> Motion”), which included Exhibits 1 and 2. Exhibit 2 of the October 14<sup>th</sup> Motion comprised LUMA’s Comprehensive Consolidated List.

3. After filing the October 14<sup>th</sup> Motion and pertaining Excel spreadsheets, LUMA became aware that Exhibit 2 contained a minor error in the “LUMA Consolidated List” tab. Specifically, Row 71 was mistakenly included within the list of the 99 projects. This line included a formula under the “Total Incurred Estimated Costs” column, which would have resulted in a double-count of the total incurred costs.

4. The purpose of this motion is to resubmit a corrected version of Exhibit 2. The change is limited to eliminating Row 71 in the “LUMA Consolidated List” tab. The *Corrected Exhibit 2* now accurately reflects costs incurred only for the 99 projects. The change does not affect the individual cost data for each project—only the erroneous row and its formula were removed.

5. In accordance with the above, we respectfully request that this Honorable Energy Bureau replace Exhibit 2 of the October 14<sup>th</sup> Motion with the *Corrected Exhibit 2* attached to this Motion.

**WHEREFORE**, LUMA respectfully requests that the Energy Bureau take notice of the aforementioned; accept the attached Corrected Exhibit 2; substitute the Exhibit 2 of the October 14<sup>th</sup> Motion with the attached Corrected Exhibit 2 and remove the previous Exhibit 2 from the record; and consider the attached Corrected Exhibit 2 as the Exhibit 2 of the October 14<sup>th</sup> Motion.

**RESPECTFULLY SUBMITTED.**

We hereby certify that we filed this Motion using the electronic filing system of this Energy Bureau. We will send an electronic copy of this Motion to counsel for PREPA Alexis Rivera, [arivera@gmlex.net](mailto:arivera@gmlex.net), and to Genera PR LLC, through its counsel of record, Jorge Fernández-Reboredo, [jfr@sbglaw.com](mailto:jfr@sbglaw.com), José J. Díaz Alonso, [jdiaz@sbglaw.com](mailto:jdiaz@sbglaw.com), and Francisco Santos, [francisco-santos@genera-pr.com](mailto:francisco-santos@genera-pr.com).

In San Juan, Puerto Rico, on the 15<sup>th</sup> of October, 2025.
