TO THE HONORABLE PUERTO RICO ENERGY BUREAU:

I. Introduction

The Accelerated Storage Addition Program (“ASAP”) is a program developed by LUMA and approved by the Puerto Rico Energy Bureau (“Energy Bureau”) proposing the accelerated integration of Battery Energy Storage Systems (“BESS”) to the Puerto Rico electrical system to be dispatched to provide time shift services, voltage and frequency support and other ancillary services resulting in improved system reliability, reduction of load shedding events and lower costs to customers. This program involves providing a standard offer (“SO”) for adding BESS capacity at qualified independent power producer (“IPPs”) facilities using SO Agreements.

In compliance with an Energy Bureau Resolution and Order of March 5, 2025, LUMA is submitting a quarterly report on the implementation of ASAP for the first quarter of Fiscal Year (“FY”) 2025-2026 (“FY2026”).

2. After other procedural events, on February 28, 2025, LUMA filed a proposed ASAP Implementation Program Plan, a companion cost recovery procedure, and an ASAP status update. *See Motion to Submit Program Implementation Plan and Associated Documents, Request for Approval of ASAP Cost Recovery Mechanism, and Request for Confidential Treatment* (“February 28th Motion”).

4. On June 23, 2025, LUMA informed, among others, that it would be filing a quarterly report on ASAP within thirty (30) days from the end of the fourth quarter of FY25 in compliance with the March 5th Order. *See Motion in Compliance with Resolution and Order of June 16, 2025 and Request for Confidential Treatment*, p. 8.

LUMA will be submitting, within the next ten (10) days, a Memorandum of Law in support of this request for confidential treatment, in compliance with the Policy on Confidential Information.

WHEREFORE, LUMA respectfully requests that this Energy Bureau **take notice** of the aforementioned; **accept** *Exhibit 1* in compliance as the FY2026 first quarter ASAP quarterly report in compliance with the quarterly reporting requirement in the March 5th Order; and **grant** LUMA's request for confidential treatment of *Exhibit 1*, noting that LUMA will be submitting a Memorandum of Law in support of such request within the next ten (10) days.
