AUTHORITY RATE REVIEW

CASE NO.: NEPR-AP-2023-0003

**MOTION FOR EXTENSION OF TIME TO COMPLY WITH HEARING EXAMINER'S
DECEMBER 22 ORDER**

TO THE HEARING EXAMINER,

COMES NOW, the Puerto Rico Electric Power Authority, through its undersigned legal counsel and, very respectfully, states and prays as follows:

1. On December 22, 2025, the Hearing Examiner issued an Order titled *Hearing Examiner's Order on Exhibits, Miscellaneous Post-Hearing Matters, and Legal Issues* (the "December 22 Order"), requiring the Puerto Rico Electric Power Authority ("PREPA"), LUMA Energy, LLC, and Genera PR, LLC to respond to certain questions and requests for production of documents by filing Late-Filed Exhibits ("LFEs") through the ACCION platform no later than January 5, 2026.

2. PREPA informs that it has already filed on the ACCION platform the mandated LFEs addressing the following requests for information or production of documents: (i) questions regarding hydroelectric assets (Exhibit 1031); (ii) all prior versions of, and any amendments or supplements to, the Commonwealth loan for pensions (Exhibits 1039-1043); and (iii) questions concerning negligence-related liability costs (Exhibit 1060). PREPA respectfully submits, however, that additional time is required to complete and file the remaining LFEs.

3. At the time the December 22 Order was issued, key PREPA personnel

and counsel were unavailable due to previously scheduled year-end holiday leave, and the availability of other personnel was significantly limited. Additionally, the period between December 22, 2025 and January 5, 2026 included a reduced number of business days, all of which materially constrained PREPA's ability to complete and file the remaining LFEs within the existing deadline.

4. Preparation of these LFEs requires coordination among multiple PREPA departments and consultation with external advisors to ensure that the information submitted is accurate and complete. Several of the individuals necessary for this work have been unavailable during the holiday period due to previously scheduled leave.

5. Based on the foregoing, PREPA respectfully requests an extension of time until Monday, January 12, 2026, to complete and file the remaining LFEs in compliance with the December 22 Order.

6. PREPA recognizes that time is of the essence and remains committed to advancing this case without unnecessary delay. The brief extension requested herein is made in good faith, narrowly tailored and necessary to ensure a fair, orderly, and well-supported evidentiary process consistent with the scope of this rate case.

WHEREFORE, PREPA respectfully requests an extension of time until January 12, 2026, to submit the pending mandated LFEs in compliance with the December 22 Order.

RESPECTFULLY SUBMITTED.
