The Executive Director or his designee shall deliver to the Trustee a certificate describing the principal of, Amortization Requirements for and interest on any bonds for which moneys, Investment Obligations or Time Deposits have been set aside or deposited pursuant to this paragraph, and stating that such principal, Amortization Requirements and interest should not be included in determining the Principal and Interest Requirements. Upon request of the Trustee, the Authority shall cause to be delivered to the Trustee a certificate of an independent verification agent as to the sufficiency of the maturing principal amounts of any Investment Obligations or Time Deposits, together with interest thereon, set aside or deposited pursuant to this paragraph to pay said principal, Amortization Requirements and interest.

All moneys received as accrued interest on bonds issued under the provisions of this Section shall be deposited with the Trustee to the credit of the Bond Service Account.

**Issuance of revenue bonds for any proper corporate purpose.**

SECTION 209. After the outstanding 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture, in addition to any other bonds which may be issued under the provisions of this Article, revenue bonds of the Authority may be issued under and secured by this Agreement, subject to the conditions hereinafter provided in this Section, from time to time for any proper corporate purpose of the Authority (other than for the purpose of refunding outstanding bonds of the Authority other than the Series 2016 Bonds or for the purpose of providing funds to pay any part of the cost of Improvements or for repaying advances for such purpose).

Before any bonds shall be issued under the provisions of this Section, the Board shall adopt a resolution or resolutions authorizing the issuance of such bonds, fixing the amount and the details thereof and setting forth the purpose for which such bonds are to be issued. The bonds of each Series issued under the provisions of this Section

shall be designated 'Puerto Rico Electric Power Authority Power Revenue Bonds, Series . . . .' (inserting a year or a letter to identify the particular Series), shall be issued in such form, shall be in such denominations, shall be dated, shall bear interest at a rate or rates not exceeding the maximum rate then permitted by law, shall be stated to mature on July 1 as to term bonds or annually on January 1 or July 1 or semi-annually on January 1 and July 1 as to serial bonds, in such year or years, not later than fifty (50) years from their date, shall be made redeemable at such times and prices (subject to the provisions of Article III of this Agreement), shall be numbered, shall have such Paying Agents and the term bonds of such Series shall have such Amortization Requirements, all as may be provided by resolution or resolutions adopted by the Board prior to the issuance of such bonds. Except as to any differences in the maturities thereof or the rate or rates of interest or the provisions for redemption, such bonds shall be on a parity with and shall be entitled to the same benefits and security under this Agreement as all other bonds issued under this Agreement.

Before any Variable Rate Bonds shall be issued under the provisions of this Section, the Board shall adopt a resolution specifying, without limitation, the interest rate calculation methods and any conversion features, and any credit or liquidity facility which may be drawn upon to make principal and interest payments on the Variable Rate Bonds. The Variable Rate Bonds may provide that the owner of any such Bond may demand payment of principal and interest within a stated period after delivering notice to a designated agent for the Authority and providing a copy of the notice with the tender of the Variable Rate Bond to such agent. The designated agent for the Authority, in accordance with the terms of a remarketing or placement agreement, may provide for the resale or redelivery of the Variable Rate Bonds on behalf of the Authority at a price provided for in the agreement. If the Variable Rate Bonds shall not be resold or redelivered within a stated period, the agent for the Authority may be authorized to draw upon a previously executed credit or liquidity facility of one or more banks or other financial or lending institutions for payment of interest and principal for a particular Series of Variable Rate Bonds to which such credit or liquidity facility shall pertain. The particular form or forms of such demand provisions, the period or periods for payment of principal and interest after delivery of notice, the appointment of the agent for the Authority, the terms and provisions for the remarketing or placement agreement, and the terms and provisions of the credit or liquidity facility, including the terms of any lien on Revenues in connection with the credit or liquidity facility not inconsistent with Section 712 hereof, shall be as designated by a resolution of the Board pertaining to the Variable Rate Bonds to which such terms and provisions are applicable prior to the issuance thereof. Before any Put Bonds shall be issued under

the provisions of this Section, the Board shall adopt a resolution which may provide for some of the above terms and provisions. Before any Extendible Maturity Bonds shall be issued under the provisions of this Section, the Board shall adopt a resolution which shall set forth the terms and conditions of the exercise by the bondholders or the Authority of any option to extend the maturity of said bonds. Before any Capital Appreciation Bonds shall be issued under the provisions of this Section, the Board shall adopt a resolution specifying the Valuation Dates, the Accreted Values on such dates, the manner in which and the period during which principal and interest shall be deemed to accrue on such bonds for purposes of the definition of "Principal and Interest Requirements" and the amount of any deposit required for the Reserve Account in accordance with Section 507 hereof.

Prior to the issuance of any Federally Subsidized Bonds, the Board shall adopt a resolution identifying the details of such bonds, including, without limitation, the rate or rates of interest to be paid on such bonds, the source or sources and the amount of the Federal Subsidy expected to be received by the Authority in respect of such Series of Federally Subsidized Bonds, whether the amounts received from such Federal Subsidy are to be pledged solely to the owners of such Series of Federally Subsidized Bonds or to the owners of all outstanding bonds and a covenant by the Authority to take such actions as are necessary to ensure receipt of such Federal Subsidy.

**Conditions of authentication and delivery.**

Such bonds shall be executed substantially in the form and manner hereinabove set forth and shall be deposited with the Trustee for authentication, but before the Trustee shall authenticate and deliver such bonds there shall be filed with the Trustee the following; provided, however, that the certificate referred to in clause (c) below shall not be required to be delivered in connection with the issuance of the Series 2015A Bonds or the Series 2016 Bonds:

(a) a copy, certified by the Secretary, of the resolution or resolutions mentioned above;

(b) a copy, certified by the Secretary, of the resolution of the Board awarding such bonds, specifying the interest rate for each of such bonds and directing the authentication and delivery of such bonds to or upon the order of the purchasers mentioned therein upon payment of the purchase price therein set forth and the accrued interest on such bonds;

(c) a certificate, signed by the Executive Director and approved by the Consulting Engineers, setting forth:

(i) the amount of the Net Revenues for any twelve

(12) consecutive calendar months out of the eighteen (18) calendar months immediately preceding the date of the issuance of such bonds, adjusted to reflect the moneys which would have been received if the rate schedule in effect on the date of the issuance of such bonds had been in effect throughout such twelve (12) calendar months,

(ii) the amount of the maximum aggregate Principal and Interest Requirements for any fiscal year thereafter on account of all bonds then outstanding under this Agreement,

(iii) the amount of the maximum aggregate Principal and Interest Requirements for any fiscal year thereafter on account of all bonds then outstanding under this Agreement and the bonds then to be issued hereunder,

(iv) his estimate of the Net Revenues for each of the five (5) fiscal years immediately following the fiscal year in which the issuance of such bonds occurs, taking into account the rate schedule in effect on the date of the issuance of such bonds and any rate schedule the Authority has covenanted to put in effect during such five (5) fiscal years,

(v) his estimate of the average annual Net Revenues for such five (5) fiscal years, taking into account the rate schedules referred to in item (iv) of this clause (c),

(vi) the percentage derived by dividing the amount in item (i) of this clause (c) by the amount shown in item(ii)of said clause, and

(vii) the percentage derived by dividing the amount in item (v) of this clause (c) by the amount shown in item (iii) of said clause; and

(d) an Opinion of Counsel stating that all conditions precedent to the delivery of such bonds have been fulfilled.

When the documents mentioned above in this Section shall have been filed with the Trustee and when the bonds described in the resolutions mentioned in clauses (a) and (b) of this Section shall have been executed and authenticated as required by this Agreement, the Trustee shall deliver such bonds at one time to or upon the order of the purchasers mentioned in the resolution mentioned in said clause (b), but only upon payment to the Trustee of the purchase price of such bonds and the accrued interest. The Trustee shall be entitled to rely upon such resolutions as to all matters stated therein. The Trustee, however, shall not authenticate and deliver such bonds unless each of the percentages shown in items (vi) and (vii) of the certificate mentioned in clause (c) of this Section is not less than one hundred twenty per centum (120%); provided, however, that such requirement shall not apply in connection with the issuance of the

Series 2015A Bonds or the Series 2016 Bonds.

**Disposition of bond proceeds.**

The proceeds (excluding accrued interest but including any premium) of such bonds shall be deposited as is required by the resolution or resolutions authorizing the issuance of such bonds.

All moneys received as accrued interest on bonds issued under the provisions of this Section shall be deposited with the Trustee to the credit of the Bond Service Account.

**Issuance of revenue refunding bonds to refund all 1947 Indenture Bonds and bonds issued under this Agreement.**

SECTION 210. If at any time the Board shall determine that the moneys in the Sinking Fund available for such purpose will not be sufficient for paying at their maturity the serial bonds of any Series which will mature within one year thereafter, revenue refunding bonds of the Authority may be issued under and secured by this Agreement, subject to the conditions hereinafter provided in this Section, for the purpose of providing funds for refunding such bonds and, if deemed necessary by the Board, for paying the interest to accrue thereon to their maturity and any expenses in connection with such refunding. Before any bonds shall be issued under the provisions of this paragraph the Board shall adopt a resolution or resolutions authorizing the issuance of such bonds, fixing the amount and the details thereof, and describing the bonds to be refunded. Such revenue refunding bonds shall be deemed to constitute a part of the term bonds, if any, of such Series and shall mature at the same time and shall be subject to redemption at the same times and prices as such term bonds or, in case all the outstanding bonds of such Series shall be serial bonds, such revenue refunding bonds shall mature on the 1st day of July in a year not earlier than one year after the last maturing installment of the bonds of such Series and not later than fifty (50) years from their date, shall be deemed to be terms bonds of such Series and shall be made redeemable at such times and prices (subject to the provisions of Article III of this Agreement), all as may be provided by the resolution or resolutions authorizing the issuance of such bonds. Such revenue refunding bonds shall be designated, shall be issued in such form, shall be dated and shall bear interest at a rate not exceeding the maximum rate then permitted by law, all as may be provided by resolution or resolutions adopted by the Board prior to the issuance of such bonds.

Revenue refunding bonds of the Authority may also be issued under and secured by this Agreement, subject to the conditions hereinafter provided in this Section, from time to time, for the purpose of providing funds, with any other available funds, for redeeming prior to or at their maturity or maturities all of the outstanding 1947 Indenture Bonds, any 1947 Indenture Bonds issued for a purpose for which moneys may be expended from the Renewal and Replacement Fund, all or any part of the outstanding bonds of any Series or outstanding Designated Maturity Bonds, including the payment of

any redemption premium thereon, and, if deemed necessary by the Board, for paying the interest to accrue thereon to the date fixed for their redemption or their maturity and any expenses in connection with such refunding, and for the purpose of providing moneys for deposit to the credit of the Reserve Account. Before any bonds shall be issued under the provisions of this paragraph, the Board shall adopt a resolution authorizing the issuance of such bonds, fixing the amount and the details thereof and describing the bonds to be redeemed or paid. Such revenue refunding bonds shall be designated, shall be issued in such form, shall be in such denominations, shall be dated, shall bear interest at a rate or rates not exceeding the maximum rate then permitted by law, shall be stated to mature on July 1 as to term bonds or annually on January 1 or July 1 or semi-annually on January 1 and July 1 as to serial bonds in such year or years, not later than fifty (50) years from their date, and shall be made redeemable at such times and prices (subject to the provisions of Article III of this Agreement), shall be numbered, shall have such Paying Agents, and any term bonds of such Series shall have such Amortization Requirements, all as may be provided by resolution or resolutions adopted by the Board prior to the issuance of such bonds. Except as to any differences in the maturities thereof or the rate or rates of interest or the provisions for redemption, such revenue refunding bonds shall be on a parity with and shall be entitled to the same benefit and security of this Agreement as all other bonds issued under this Agreement.

Before any Variable Rate Bonds shall be issued under the provisions of this Section, the Board shall adopt a resolution specifying, without limitation, the interest rate calculation methods and any conversion features, and any credit or liquidity facility which may be drawn upon to make principal and interest payments on the Variable Rate Bonds. The Variable Rate Bonds may provide that the owner of any such Bond may demand payment of principal and interest within a stated period after delivering notice to a designated agent for the Authority and providing a copy of the notice with the tender of the Variable Rate Bond to such agent. The designated agent for the Authority, in accordance with the terms of a remarketing or placement agreement, may provide for the resale or redelivery of the Variable Rate Bonds on behalf of the Authority at a price provided for in the agreement. If the Variable Rate Bonds shall not be resold or redelivered within a stated period, the agent for the Authority may be authorized to draw upon a previously executed credit or liquidity facility of one or more banks or other financial or lending institutions for payment of interest and principal for a particular Series of Variable Rate Bonds to which such credit or liquidity facility shall pertain. The particular form or forms of such demand provisions, the period or periods for payment of principal and interest after delivery of notice, the appointment of the agent for the Authority, the terms and provisions for the remarketing or placement agreement, and the

terms and provisions of the credit or liquidity facility, including the terms of any lien on Revenues in connection with the credit or liquidity facility not inconsistent with Section 712 hereof, shall be as designated by a resolution of the Board pertaining to the Variable Rate Bonds to which such terms and provisions are applicable prior to the issuance thereof. Before any Put Bonds shall be issued under the provisions of this Section, the Board shall adopt a resolution which may provide for some of the above terms and provisions. Before any Extendible Maturity Bonds shall be issued under the provisions of this Section, the Board shall adopt a resolution which shall set forth the terms and conditions of the exercise by the bondholders or the Authority of any option to extend the maturity of said bonds. Before any Capital Appreciation Bonds shall be issued under the provisions of this Section, the Board shall adopt a resolution specifying the Valuation Dates, the Accreted Values on such dates, the manner in which and the period during which principal and interest shall be deemed to accrue on such bonds for purposes of the definition of "Principal and Interest Requirements" and the amount of any deposit required for the Reserve Account in accordance with Section 507 hereof.

**Conditions of authentication and delivery.**

Revenue refunding bonds issued under the provisions of this Section shall be executed substantially in the form and manner hereinabove set forth and shall be deposited with the Trustee for authentication, but before the Trustee shall authenticate and deliver such bonds there shall be filed with the Trustee the following:

(a) a copy, certified by the Secretary, of the resolutions mentioned above;

(b) a copy, certified by the Secretary, of the resolution adopted by the Board awarding such bonds, specifying the interest rate for each of such bonds and directing the authentication and delivery of such bonds to or upon the order of the purchasers mentioned therein upon payment of the purchase price therein set forth and the accrued interest on such bonds;

(c) in case such bonds are to be issued for the purpose of providing funds for redeeming all of the outstanding 1947 Indenture Bonds or any 1947 Indenture Bonds issued for a purpose for which moneys may be expended from the Renewal and Replacement Fund, all or any part of the outstanding bonds of any Series or outstanding Designated Maturity Bonds at or prior to their maturity or maturities;

(i) a certificate, signed by the Executive Director, setting forth (A) the amount of the maximum aggregate Principal and Interest Requirements for any fiscal year thereafter on account of all 1947 Indenture Bonds then outstanding and all bonds then outstanding under this Agreement, and (B) the amount of the

(ii) such documents as shall be required by the Trustee to show that provision has been made in accordance with the provisions of the 1947 Indenture or this Agreement, as the case may be, for the redemption or payment of all of the bonds to be refunded; and

(d) an Opinion of Counsel stating that all conditions precedent to the delivery of such bonds have been fulfilled.

When the documents mentioned above in this Section shall have been filed with the Trustee and when the bonds described in the resolutions mentioned in clauses (a) and (b) of this Section shall have been executed and authenticated as required by this Agreement, the Trustee shall deliver such bonds at one time to or upon the order of the purchasers mentioned in the resolution mentioned in said clause (b), but only upon payment to the Trustee of the purchase price of such bonds and the accrued interest. The Trustee shall be entitled to rely upon such resolution as to all matters stated therein. The Trustee, however, shall not authenticate and deliver such bonds unless

(I) the proceeds (excluding accrued interest but including any premium) of such revenue refunding bonds, together with any moneys to be withdrawn from the Sinking Fund by the Trustee, and any other moneys which have been made available to the Trustee for such purpose as hereinafter provided, or the principal of and the interest on the investment of such proceeds or any such moneys, shall be not less than an amount sufficient to pay the principal of and the redemption premium, if any, on the bonds to be refunded and the interest which will become due and payable on or prior to the date of their payment or redemption, the financing costs in connection with such refunding, and any deposit to the credit of the Reserve Account, and

(II) in case such bonds are to be issued for the purpose of providing funds for redeeming all of the outstanding 1947 Indenture Bonds or any 1947 Indenture Bonds issued for a purpose for which moneys may be expended from the Renewal and Replacement Fund, all or any part of the outstanding bonds of any Series or outstanding Designated Maturity Bonds prior to or at their maturity or maturities, either (1) the amount shown in item (B) of the certificate mentioned in subclause (i) of clause (c) of this Section shall be less than the amount shown in item (A) of said certificate or (2) there shall be filed with the Trustee a certificate, signed by the Executive Director and

approved by the Consulting Engineers, setting forth

(A) the amount of the Net Revenues for any twelve (12) consecutive calendar months out of the eighteen (18) calendar months immediately preceding the date of the issuance of such bonds, adjusted to reflect the moneys which would have been received if the rate schedule in effect on the date of the issuance of such bonds had been in effect throughout such twelve (12) calendar months,

(B) his estimate of the Net Revenues for each of the five (5) fiscal years immediately following the fiscal year in which the issuance of such bonds occurs, taking into account the rate schedule in effect on the date of the issuance of such bonds and any rate schedule the Authority has covenanted to put in effect during such five (5) fiscal years, and

(C) his estimate of the average annual Net Revenues for such five (5) fiscal years, taking into account the rate schedules referred to in item (B) above, and stating that each of the amounts shown in items (A) and (C) above is not less than one hundred twenty per centum (120%) of each of the amounts shown in items (A) and (B) of the certificate mentioned in subclause (i) of clause (c) of this Section.

**Disposition of bond proceeds.**

The proceeds of such revenue refunding bonds shall, to the extent practicable, be invested and reinvested by the Trustee, with the approval of the Executive Director, in Government Obligations, in Prerefunded Municipals or in Time Deposits, secured in the manner set forth in Section 601 of this Agreement, and the moneys so invested shall be available for use when required. The income derived from such investments shall be added to such proceeds and applied in accordance with the provisions of this Section 210.

Simultaneously with the delivery of such revenue refunding bonds, the Trustee shall withdraw from the Bond Service Account and the Redemption Account in the Sinking Fund an amount equal to the sum of the amounts deposited to the credit of such Accounts under the provisions of Section 507 of this Agreement on account of the interest which is payable on the bonds to be refunded on the next interest payment date of such bonds and on account of the next maturing installment of principal of or the current Amortization Requirement for the bonds to be refunded, but no such withdrawal shall be made on account of any deposits to the credit of the Reserve Account in the Sinking Fund. The amount so withdrawn, the proceeds (excluding accrued interest but including any premium) of such revenue refunding bonds and any other moneys which have been made available to the Trustee for such purpose, shall be held by the Trustee or deposited with the Paying Agents to be held in trust for the sole and exclusive purpose of paying such principal, redemption premium and interest; provided, however, that such portion of the

proceeds of such revenue refunding bonds as is specified by the Executive Director in a certificate filed with the Trustee shall be paid to the Authority to be used for the payment of expenses incident to the financing and the portion of the proceeds of such revenue refunding bonds to be deposited to the credit of the Reserve Account shall be deposited in the Reserve Account. Any part of the proceeds of such revenue refunding bonds which are not needed for the purpose of paying the principal of and the redemption premium, if any, on the bonds to be refunded, making any deposit to the Reserve Account or paying any expenses in connection with such refunding shall be deposited with the Trustee to the credit of the Bond Service Account in the Sinking Fund. The amount received as accrued interest on such revenue refunding bonds shall be deposited with the Trustee to the credit of the Bond Service Account in the Sinking Fund.

SECTION 210A. Revenue refunding bonds of the Authority may also be issued under and secured by this Agreement, subject to the conditions hereinafter provided in this Section, at one time, for the purpose of exchanging such revenue refunding bonds for an equal principal amount of all of the 1947 Indenture Bonds then outstanding. Before any bonds shall be issued under the provisions of this Section 210A, the Board shall adopt a resolution authorizing the issuance of such bonds, fixing the amount and details thereof and describing the 1947 Indenture Bonds to be exchanged therefor. Such revenue refunding bonds shall be designated, shall be issued in the form of registered bonds without coupons, shall be in such denominations and shall be numbered, all as may be provided by resolution or resolutions adopted by the Board prior to the issuance of such bonds. Such revenue refunding bonds shall be dated the July 1 or January 1 to which interest has been paid on the 1947 Indenture Bonds to be exchanged therefor, shall bear interest at the same rate or rates as the interest on such 1947 Indenture Bonds, shall be stated to mature in the same principal amounts and on the same dates as such 1947 Indenture Bonds and shall be subject to redemption at the same times and prices, either in whole or in part, as such 1947 Indenture Bonds. Except as to any differences in the maturities thereof or the rate or rates of interest or the provisions for redemption, such revenue refunding bonds shall be on a parity with and shall be entitled to the same benefit and security of this Agreement as all other bonds issued under this Agreement.

Revenue refunding bonds issued under the provisions of this Section shall be executed substantially in the form and manner hereinabove set forth and shall be deposited with the Trustee for authentication, but before the Trustee shall authenticate and deliver such bonds there shall be filed with the Trustee the following:

(a) a copy, certified by the Secretary, of the resolution or resolutions mentioned above;

(b) a copy, certified by the Secretary, of the resolution adopted by the Board directing the authentication and delivery of such bonds to or upon the order of the holders of the 1947 Indenture Bonds to be exchanged therefor;

(c) such documents as shall be required by the Trustee to show that, upon the date designated for exchange, no 1947 Indenture Bonds shall then be outstanding under the provisions of the 1947 Indenture;

(d) an opinion of counsel, who may be counsel for the Authority, to the effect that, on the date designated for exchange, notice having been duly given in the manner and under the conditions hereinafter provided and revenue refunding bonds duly executed and authenticated as herein provided being held by the Trustee for delivery for exchange for 1947 Indenture Bonds, interest on such 1947 Indenture Bonds shall be deemed to have ceased to accrue from the January 1 or July 1 to which interest has been paid, the coupons for any coupon bonds called for exchange payable subsequent to the exchange date shall be void and such 1947 Indenture Bonds shall cease to be entitled to any lien, benefit or security under the 1947 Indenture and the holders of such 1947 Indenture Bonds shall have no rights in respect thereof, except to receive such revenue refunding bonds of the same principal amount and maturity, bearing interest at the same rate, subject to redemption at the same times and prices as such 1947 Indenture Bonds and of any denomination or denominations authorized by this Agreement; and

(e) an Opinion of Counsel stating that all conditions precedent to the delivery of such bonds have been fulfilled.

Not later than forty-five (45) days before the exchange date of such revenue refunding bonds for such 1947 Indenture Bonds, the Authority shall give written notice to the Trustee and the 1947 Trustee of the proposed exchange and shall direct the 1947 Trustee to provide the Trustee with the names and addresses of the owners of such 1947 Indenture Bonds that are registered bonds without coupons or coupon bonds registered as to principal alone or as to both principal and interest. At least thirty (30) days before such exchange date the Trustee shall cause a notice of such exchange substantially in the form prepared by the Authority and signed by the Trustee (a) to be published once in a daily newspaper of general circulation published in the Municipality of San Juan, Puerto Rico, and in a daily newspaper of general circulation or a financial journal published in the Borough of Manhattan, City and State of New York, and (b) to be mailed, postage prepaid, to all registered owners of such 1947 Indenture Bonds at their addresses provided to the Trustee by the 1947 Trustee, but failure to mail such notice to any registered owner shall not affect the validity of the proceedings for the exchange of 1947 Indenture Bonds of any other registered owners. If all the 1947 Indenture Bonds to be exchanged are registered bonds without coupons or coupon

bonds registered as to principal alone or as to both principal and interest, such notice shall be given by mail, and the Trustee shall not be required to publish such notice. Each such notice shall set forth the date fixed for exchange, the address of the office of the Trustee at which the 1947 Indenture Bonds with all unmatured coupons appurtenant thereto, if any, shall be presented and surrendered for exchange, that on the exchange date interest on such 1947 Indenture Bonds shall be deemed to have ceased to accrue from the January 1 or July 1 to which interest has been paid, the coupons for any coupon bonds called for exchange payable subsequent to the exchange date shall be void and such 1947 Indenture Bonds shall cease to be entitled to any lien, benefit or security under the 1947 Indenture and the holders of such 1947 Indenture Bonds shall have no rights in respect thereof, except to receive registered bonds without coupons issued hereunder of the same principal amount and maturity, bearing interest at the same rate, subject to redemption at the same times and prices as such 1947 Indenture Bonds and of any denomination or denominations authorized by this Agreement.

All 1947 Indenture Bonds and unmatured coupons appurtenant thereto, if any, upon surrender thereof to the Trustee shall be delivered to the 1947 Trustee for cancellation.

#### **Temporary bonds.**

SECTION 211. Until definitive bonds of any Series are ready for delivery, there may be executed, and upon request of the Authority the Trustee shall authenticate and deliver, in lieu of definitive bonds and subject to the same limitations and conditions, temporary printed, typewritten, engraved or lithographed bonds, in the form of either coupon bonds in such denominations, with or without coupons, or registered bonds without coupons in such denominations, or both, or in the form of a single registered bond without coupons in a denomination equal to the aggregate principal amount of such definitive bonds and payable in installments corresponding to the maturities of such definitive bonds, with payment record attached for the notation of payments of such installments and interest, without presentation and surrender of such single registered bond, as the Authority by resolution may provide, substantially of the tenor hereinabove set forth and with such appropriate omissions, insertions and variations as may be required.

Until definitive bonds of any Series are ready for delivery, any temporary bond of such Series may, if so provided by the Authority by resolution, be exchanged at the principal office of the Trustee, without charge to the holder thereof, for an equal aggregate principal amount of temporary coupon bonds or of temporary registered bonds without coupons or both, of like tenor, of the same Series and maturity and bearing interest at the same rate.

If temporary bonds shall be issued, the Authority shall cause

the definitive bonds to be prepared and to be executed and delivered to the Trustee, and the Trustee, upon presentation to it at its principal office of any temporary bond accompanied by all unpaid coupons, if any, shall cancel the same and authenticate and deliver in exchange therefor at the place designated by the holder, without charge to the holder thereof, a definitive bond or bonds of an equal aggregate principal amount, of the same Series and maturity and bearing interest at the same rate as the temporary bond surrendered. Upon any such exchange all coupons appertaining to definitive coupon bonds and representing interest theretofore paid shall be detached and cancelled by the Trustee. Until so exchanged the temporary bonds shall in all respects be entitled to the same benefit and security of this Agreement as the definitive bonds to be issued and authenticated hereunder. Interest on temporary coupon bonds, when due and payable, if the definitive bonds shall not be ready for exchange, shall be paid on presentation of such temporary coupon bonds and notation of such payment shall be endorsed thereon, or such interest shall be paid upon the surrender of the appropriate coupons if coupons representing such interest shall be attached to such temporary bonds. No charge for taxes or governmental charges shall be made against the holder upon an exchange of a temporary bond for a definitive bond.

**Mutilated, destroyed or lost bonds.**

SECTION 212. In case any bond secured hereby shall become mutilated or be destroyed or lost, the Authority shall cause to be executed, and the Trustee shall authenticate and deliver, a new bond of like date and tenor in exchange and substitution for and upon the cancellation of such mutilated bond and its interest coupons, if any, or in lieu of and in substitution for such bond and its coupons, if any, destroyed or lost, upon the holder's paying the reasonable expenses and charges of the Authority and the Trustee in connection therewith and, in the case of a bond destroyed or lost, his filing with the Trustee evidence satisfactory to it and to the Authority that such bond and coupons, if any, were destroyed or lost, and of his ownership thereof, and furnishing the Authority and the Trustee with indemnity satisfactory to them.

ARTICLE III.  
REDEMPTION OF BONDS.

**Redemption of bonds.**

SECTION 301. The bonds of any Series issued under the provisions of this Agreement shall be made subject to redemption, both in whole and in part and at such time and prices, as may be provided by resolution adopted by the Authority prior to the issuance of such bonds; provided, however, that term bonds shall be made subject to redemption to the extent of any Amortization Requirements therefor on July 1 immediately following each year in which there is an Amortization Requirement in respect of such bonds.

**Selection by Trustee.**

If less than all of the bonds of any one maturity of a Series

shall be called for redemption, the particular bonds or portions of registered bonds without coupons to be redemmed from such Series and maturity shall be selected by the Trustee in such manner as the Trustee in its discretion may determine; provided, however, that the portion of any registered bond without coupons to be redeemed shall be in the principal amount equal to the lowest denomination authorized for such Series or some multiple thereof, and that, in selecting bonds for redemption, the Trustee shall treat each registered bond without coupons as representing that number of bonds which is obtained by dividing the principal amount of such registered bond without coupons by the amount of such lowest authorized denomination.

For purposes of this Section 301, if less than all of the Capital Appreciation Bonds shall be called for redemption, the portion of any Capital Appreciation Bond of a denomination of more than the maturity amount specified in the resolution authorizing such Bonds to be redeemed shall be such maturity amount or a multiple thereof, and, in selecting portions of such Capital Appreciation Bond for redemption, the Trustee shall treat such Capital Appreciation Bond as representing that number of Capital Appreciation Bonds of such maturity amount which is obtained by dividing the maturity amount of such Capital Appreciation Bond to be redeemed in part by the maturity amount specified in such resolution.

**Redemption notice.**

SECTION 302. At least thirty (30) days before the redemption date of any bonds the Trustee shall cause a notice of any such redemption, either in whole or in part, signed by the Trustee, (a) to be published once in a daily newspaper of general circulation published in the Municipality of San Juan, Puerto Rico, and in a daily newspaper of general circulation or a financial journal published in the Borough of Manhattan, City and State of New York, (b) to be filed with the Paying Agents, and (c) to be mailed, postage prepaid, to all registered owners of bonds or portions of bonds to be redeemed at their addresses as they appear on the registration books hereinabove provided for, but failure so to file or mail any such notice shall not affect the validity of the proceedings for such redemption; provided, however, that the requirement for notice set forth in this Section 302 shall not apply to any redemption of the Series 2016 Bonds or any portions thereof. If all the bonds to be redeemed are issuable only as registered bonds without coupons, such notice of redemption shall be given by mail and the Trustee shall not be required to publish such notice of redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the bonds of any one maturity of a Series then outstanding shall be called for redemption, the distinctive numbers and letters, if any, of such bonds to be redeemed and, in the case of registered bonds without coupons to be redeemed in part only, the portion of the

principal amount thereof to be redeemed. In case any registered bond without coupons is to be redeemed in part only, the notice of redemption which relates to such bond shall state also that on or after the redemption date, upon surrender of such bond, a new bond or bonds of the same Series and maturity, bearing interest at the same rate and in principal amount equal to the unredeemed portion of such bond will be issued.

**Effect of calling for redemption.**

SECTION 303. On the date so designated for redemption, notice having been given in the manner and under the conditions hereinabove provided, the bonds or portions of registered bonds without coupons so called for redemption shall become and be due and payable at the redemption price provided for redemption of such bonds or portions of bonds on such date, and, if moneys for payment of the redemption price and the accrued interest are held in separate accounts by the Trustee or by the Paying Agents in trust for the holders of the bonds or portions thereof to be redeemed, as provided in this Agreement, interest on the bonds or portions of bonds so called for redemption shall cease to accrue, the coupons for interest on any coupon bonds so called for redemption payable subsequent to the redemption date shall be void, such bonds or portions of bonds shall cease to be entitled to any benefit or security under this Agreement, and the holders or registered owners of such bonds or portions of bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof and the accrued interest and, to the extent provided in Section 305 of this Article, to receive bonds for any unredeemed portions of registered bonds without coupons.

**Matured coupons.**

SECTION 304. All unpaid coupons which appertain to coupon bonds so called for redemption and which shall have become due and payable on or prior to the date of redemption designated in such notice shall continue to be payable to the bearers severally and respectively upon the presentation and surrender of such coupons.

**Redemption of portion of registered bonds.**

SECTION 305. In case part but not all of an outstanding registered bond without coupons shall be selected for redemption, the registered owner thereof or his attorney or legal representative shall present and surrender such bond to the Trustee for payment of the principal amount thereof so called for redemption, and the Authority shall execute and the Trustee shall authenticate and deliver to or upon the order of such registered owner or his legal representative, without charge therefor, for the unredeemed portion of the principal amount of the registered bond without coupons so surrendered, either coupon bonds (if authorized for the Series of such registered bond) or a registered bond or bonds without coupons, at the option of such registered owner or his attorney or legal representative, of the same Series and maturity, bearing interest at the same rate and of any

denomination or denominations authorized by this Agreement.

**Cancellation of bonds  
and coupons  
redeemed.**

SECTION 306. Coupon bonds so redeemed and all unmatured coupons appertaining thereto, and registered bonds without coupons so presented and surrendered, shall be cancelled upon the surrender thereof.

**Bonds and portions of  
bonds called for  
redemption not  
deemed outstanding.**

SECTION 307. Bonds and portions of bonds which have been duly called for redemption under the provisions of this Article, or with respect to which irrevocable instructions to call for redemption or payment at or prior to maturity have been given to the Trustee in form satisfactory to it, and for the payment of principal or the redemption price and the accrued interest of which sufficient moneys, or Government Obligations or Prerefunded Municipals or Time Deposits, secured in the manner set forth in Section 601 of this Agreement, shall be held in separate accounts by the Trustee or by the Paying Agents in trust for the holders of the bonds or portions thereof to be paid or redeemed, all as provided in this Agreement, shall not thereafter be deemed to be outstanding under the provisions of this Agreement.

ARTICLE IV.

**Items of cost.**

SECTION 403. For the purposes of this Article, the cost of any Improvements shall embrace the cost of acquisition or construction and equipment and all other items of cost incident to such acquisition and construction and equipment and the financing thereof, and shall include, without intending thereby to limit or restrict any proper definition of such cost under the provisions of law or this Agreement, the following:

(a) obligations incurred for labor and materials and to contractors, builders and materialmen in connection with the construction of any Improvements;

(b) the cost of acquiring by purchase, if such purchase shall be deemed expedient, and the amount of any award or final judgment in or any settlement or compromise of any proceeding to acquire by condemnation, such property, lands, rights, rights of way, franchises, easements and other interests in land constituting a part of, or as may be deemed necessary or convenient for the construction of any Improvements, options and partial payments thereon, the cost of filling, draining or improving any lands so acquired, and the amount of any damages incident to or consequent upon the construction of any Improvements ;

(e) expenses of administration properly chargeable to any Improvements and all other items of expense not elsewhere in this Section specified, incident to the acquisition or construction and equipment of any Improvements;

(f) interest on the bonds prior to and during construction of the Improvements financed by such bonds and for such period after completion of such construction as the Authority may determine, if

(g) any obligation or expense heretofore or hereafter incurred by the Authority and any amounts heretofore or hereafter advanced by the Commonwealth of Puerto Rico or any agency thereof or by the United States Government, or from any other source, for any of the foregoing purposes.

**Lands for projects.**

SECTION 404. The Authority covenants that no disbursement will be made for the purchase price or cost of any electric system or portion thereof, or any lands, buildings, franchises, licenses, easements or rights of way, unless and until counsel for the Authority shall have rendered his written opinion to the Authority to the effect that the Authority either has or will have immediately upon such disbursement (by reason of the prior or simultaneous delivery of proper instruments of conveyance and transfer mentioned in such opinion) title thereto sufficient for the purposes of the System.

[Note: This Section 406 only survives, if at all, pursuant to the conditional and limited survival provisions of Section 2(a) of the Sixteenth Supplemental Agreement.]

SECTION 406. Replenishment of the Construction Fund. On any Construction Fund Replenishment Date, to the extent that moneys in the General Fund exceed the Retained General Fund Amount, the Authority shall transfer from the General Fund to the credit of the Construction Fund an amount equal to the lesser of (x) the excess over the Retained General Fund Amount and (y) the Construction Fund Replenishment Amount, in accordance with Section 505 of this Agreement.

ARTICLE V.  
REVENUES AND FUNDS.

**Covenant as to bills for services.**

SECTION 501. The Authority covenants that it will continue to render bills for the services and facilities furnished by the System on a monthly or bi-monthly basis until such time as the Authority shall deem it advisable to change the period covered by such bills, and that it will establish and enforce reasonable regulations in relation to the collection of such bills.

**Covenant as to rates.**

SECTION 502. The Authority further covenants that it will at all times fix, charge and collect reasonable rates and charges for the use of the services and facilities furnished by the System and that from time to time, and as often as it shall appear necessary, it will adjust such rates and charges so that the Revenues will at all times be sufficient

(A) until the outstanding 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture :

(a) to pay the Current Expenses of the System, and

(b) to provide the greater of (i) the amount equal to one hundred twenty per centum (120%) of the aggregate Principal and Interest Requirements for the next fiscal year on account of all 1947

Indenture Bonds then outstanding and all bonds then outstanding under this Agreement, reduced by any amount deposited to the credit of the Bond Service Account from the proceeds of bonds to pay interest to accrue thereon in such fiscal year, or (ii) the amount required to make the deposits, transfers and payments mentioned in items (1) through (4), inclusive, below:

(1) to make the deposits to the credit of the 1947 Sinking Fund which are required to be made in each fiscal year under the provisions of Section 507 of the 1947 Indenture,

(2) to make the deposits to the credit of the General Reserve Fund which are required to be made in each fiscal year under the provisions of Section 511 of the 1947 Indenture,

(3) to make the transfers to the credit of the Renewal and Replacement Fund which are required to be made in each fiscal year under the provisions of Section 512 of the 1947 Indenture, and

(4) to make the payments which are required to be made in each fiscal year under the provisions of clause (a) of Section 513 of the 1947 Indenture, and

(B) after the outstanding 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture:

(a) to pay the Current Expenses of the System, and

(b) to provide an amount at least equal to one hundred twenty per centum (120%) of the aggregate Principal and Interest Requirements for the next fiscal year on account of all the bonds then outstanding under this Agreement, reduced by any amount deposited to the credit of the Bond Service Account from the proceeds of bonds to pay interest to accrue thereon in such fiscal year.

The Authority further covenants that if at any time the Revenues shall not be sufficient to make such deposits, transfers and payments, it will revise the rates and charges for the services and facilities furnished by the System and, if necessary, it will revise its regulations in relation to the collection of bills for such services and facilities, so that such deficiency will be made up before the end of the next ensuing fiscal year. Should any deficiency not be made up in such next ensuing fiscal year, the requirement therefor, except as to the payments which are required to be made in such fiscal year under subclause (4) of clause (b) of paragraph (A) of this Section, shall be cumulative and the Authority shall continue to revise such rates until such deficiency shall have been completely made up.

Forthwith upon the adoption of any revision of rates and

charges the Authority shall cause certified copies thereof to be filed with the Trustee.

In the event that the Authority shall fail to adjust the schedule of rates and charges in accordance with the provisions of this Section, the Trustee, without regard to whether an event of default, as defined in Article VIII of this Agreement, shall have occurred, shall, upon the request of the holders of not less than ten per centum (10%) in principal amount of all bonds then outstanding and upon being indemnified to its satisfaction, institute and prosecute in a court of competent jurisdiction an appropriate suit, action or proceeding to compel the Authority to adjust such schedule in accordance with the requirements of this Section, and the Authority covenants that it will adopt and charge rates and charges in compliance with any judgment, order or decree entered in any such suit, action or proceeding.

#### **General Fund.**

SECTION 503. A special fund is hereby created and designated the "Puerto Rico Electric Power Authority General Fund" (herein sometimes called the "General Fund"). The Authority covenants that, after the outstanding 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture, all Revenues, other than income from investments made under the provisions of this Agreement, will be deposited as received in the name of the Authority with a qualified depository or depositories to the credit of the General Fund and applied in accordance with the provisions of this Article.

#### **Annual Budget.**

SECTION 504. The Authority covenants that on or before the 15th day of May in each year the Board will cause to be prepared and will adopt and file with the Secretary, with the Trustee and with the Consulting Engineers a proposed budget of Current Expenses and of Capital Expenditures for the ensuing fiscal year.

The Authority further covenants that such proposed budget of Current Expenses will be prepared in such manner as to segregate, in so far as advisable, the accounts in respect of the different classes of operations, projects, undertakings and activities of the Authority and will be prepared on the basis of monthly requirements so that it will be possible to determine from the budget the Current Expenses for each month during the fiscal year, that it will comply with any reasonable request of the Consulting Engineers as to the classifications in which such budget shall be prepared, and that such proposed budget of Capital Expenditures will show separately (a) so long as any 1947 Indenture Bonds are outstanding, the amount to be expended during such fiscal year from moneys deposited or transferred to the credit of the Renewal and Replacement Fund, including a separate statement as to the amount to be withdrawn from said Fund under the provisions of Section 507 of this Agreement, (b) the amount to be expended during such fiscal year from moneys

deposited to the credit of the Construction Fund and, so long as any 1947 Indenture Bonds are outstanding, the 1947 Construction Fund, and (c) the amount of the working cash funds required for each month during such fiscal year.

The Authority further covenants that on the 1st day of June of each year, or on the first business day thereafter, it will hold a public hearing at its office in the Municipality of San Juan, Puerto Rico, on the proposed budget for the ensuing fiscal year, at which any bondholder, any consumer or any other interested person may appear, in person or by agent or attorney, and present any objections he may have to such proposed budget, and that promptly after each such public hearing and, in any event, on or before the first day of the next ensuing fiscal year the Board will finally adopt the annual budget of Current Expenses and Capital Expenditures for such fiscal year (which budget, together with any amendment thereof or supplement thereto as hereinafter permitted, is herein sometimes called the "Annual Budget"). The Authority covenants that the total expenditures provided for in the Annual Budget of Current Expenses will not exceed *the total* expenditures set forth in the proposed budget unless such excess shall be approved by the Consulting Engineers, and that before adopting the budget of Capital Expenditures it will receive and consider the Consulting Engineers' advices and recommendations with respect thereto.

If for any reason the Board shall not have adopted the Annual Budget before the first day of any fiscal year, the proposed budget for such fiscal year, if approved by the Consulting Engineers, or, if there is none so approved, the budget for the preceding fiscal year, shall, until the adoption of the Annual Budget, be deemed to be in force and shall be treated as the Annual Budget under the provisions of this Article; provided, however, that, so long as any 1947 Indenture Bonds are outstanding, the amounts provided for in the Annual Budget to be transferred from the 1947 Revenue Fund to the Renewal and Replacement Fund shall not be less than the amount set forth in the most recent certificate of the Executive Director filed with the Trustee pursuant to clause (d) of Section 208 of this Agreement.

The Board may at any time cause to be prepared and may file with the Secretary, with the Trustee and with the Consulting Engineers, and the Board may thereafter adopt, after receiving the approval of the Consulting Engineers, an amended or supplemental Annual Budget for the then current fiscal year.

**Application of  
moneys in General  
Fund.**

[Note: Bracketed sentence beginning with “On each Construction Fund Replenishment Date” only survives, if at all, pursuant to the conditional and limited survival provisions of Section 2(a) of the Sixteenth Supplemental Agreement.]

SECTION 505. The Authority covenants that moneys in the General Fund will be used first for the payment of the Current Expenses of the System, that such expenses will not exceed an amount which is reasonable and necessary for maintaining, repairing and operating the System in an efficient and economical manner, and that the total amount of Current Expenses in any fiscal year will not exceed the amount provided therefor in the Annual Budget for such fiscal year or any amendment thereof or supplement thereto unless such expenses shall be required by conditions beyond the control of the Authority happening during such fiscal year and which could not reasonably have been contemplated at the time of the adoption of the Annual Budget. If at any time the total amount theretofore expended during any fiscal year for Current Expenses shall exceed the total amount provided in the Annual Budget for Current Expenses for such fiscal year, the Authority covenants that it will report in writing the amount of such excess and the reason or reasons therefor to the Consulting Engineers and to the Trustee as soon as practicable but not later than the last day of the sixth month following the month in which such excess shall have occurred.

[Note: Bracketed sentence beginning with “On each Construction Fund Replenishment Date” only survives, if at all, pursuant to the conditional and limited survival provisions of Section 2(a) of the Sixteenth Supplemental Agreement.]

[On each Construction Fund Replenishment Date, the Authority shall apply moneys credited to the General Fund to satisfy its replenishment obligation under Section 406 prior to using such moneys for the payment of Current Expenses. Notwithstanding anything in this Agreement to the contrary, after the Amendment Period, the obligation to replenish the Construction Fund in accordance with Section 406 shall be junior and subject to the obligation to pay Current Expenses in accordance with this Section 505 and to transfer moneys from the General Fund to the Revenue Fund in accordance with Section 506 of this Agreement until the bonds are paid or deemed paid in full under the provisions of this Agreement.]

[Note: Bracketed clauses (1) through (6) only survives, if at all, pursuant to the conditional and limited survival provisions of Section 2(iii) of the Eighteenth Supplemental Agreement, which provides that these clauses and any related definitions will continue in effect solely as to clause (5) until all moneys transferred to the Capital Improvement Fund (if any) during the Amendment Period shall have been applied in accordance therewith and all related certifications have been made.]

[(1) After the Amendment Effective Date and not less than ten (10) business days before the first transfer of moneys from the General Fund to the Capital Improvement Fund pursuant to clause (4) of this Section 505, the Authority shall submit to the Amending Creditors or their respective advisors for approval a schedule of expected costs of Improvements (and of extensions to the System) during an initial period of not more than thirteen (13) weeks from the date of transfer of moneys from the General Fund to the Capital Improvement Fund (the "Initial Improvements Period") that itemizes and contains a brief description of Improvements (and of such extensions of the System) and the applicable project name or names assigned thereto by the Authority the costs of which are expected to be paid from moneys in the Capital Improvement Fund, the Reserve Maintenance Fund or the Construction Fund during such Initial Improvements Period, along with a monthly cost forecast for each such project during the Initial Improvements Period.

(2) At any point thereafter during the Amendment Period, at least ten (10) business days before the requested date of approval, the Authority may submit to the Amending Creditors or their respective advisors for approval (i) a revised schedule of expected Improvements (and of extensions of the System) during the Initial Improvements Period or (ii) a schedule of expected Improvements (and of extensions of the System) during a subsequent thirteen (13) week period commencing on the date of delivery of such schedule (in each case that itemizes and specifies the expected costs of such Improvements (and of extensions of the System) during such period and contains a brief description of such Improvements (and of such extensions of the System) and the applicable project name or names assigned thereto by the Authority) the costs of which are expected to be paid from moneys in the Capital Improvement Fund, the Reserve Maintenance Fund or the Construction Fund during such period following the date of delivery of such schedule, along with a monthly cost forecast for each such project during such period.

(3) Within not more than ten (10) business days after receipt of any such schedule referred to in clauses (1) or (2) above in this Section, the Required Amending Creditors or their respective advisors may deliver to the Authority written confirmation or confirmations that the costs of Improvements (and of extensions of the System) described in the applicable schedule (the "Proposed Improvements") are or are not reasonably acceptable. In addition, if within not more than ten (10) business days after receipt of any such schedule referred to in clauses (1) or (2) above in this Section, none of the Required Amending Creditor Groups nor any of their respective advisors objects in one or more writings to the Authority to any such schedule of Proposed

Improvements, such Proposed Improvements shall be deemed to be reasonably acceptable to the Required Amending Creditors for purposes of this Section 505. Upon receipt of written confirmation from each Required Amending Creditor Group or its advisor stating that such Proposed Improvements are acceptable or, to the extent a Required Amending Creditor Group or its advisor has not provided a written confirmation stating that such Proposed Improvements are acceptable, the expiration of such ten (10) business day period without the receipt by the Authority of any objection from such Required Amending Creditor Group or its advisors, the Authority shall provide a certificate to the Trustee and the Amending Creditors or their respective advisors, signed by the Executive Director or by any other officer or employee of the Authority with fiscal authority, attaching such schedule and certifying that it has received from each Required Amending Creditor Group or its advisor either (a) a written confirmation that the Proposed Improvements described in such schedule are reasonably acceptable or (b) no objection within the applicable time period described above and, as a result, that such Proposed Improvements are deemed to be reasonably acceptable to such Required Amending Creditor Group for purposes of this Section 505.

(4) During the Amendment Period, and subject to the Authority's compliance with the provisions of clauses (1) through (3) of this Section 505, the Authority may transfer moneys from the General Fund to the Capital Improvement Fund to be applied as provided in Section 512B of this Agreement to pay Approved Costs of Improvements, provided that:

(a) immediately prior to any such transfer, the balance in the Construction Fund and the Capital Improvement Fund in the aggregate is less than \$75,000,000;

(b) on the date of each such transfer and application the representations of the Authority given in Section 12(b) of the RSA are true and correct as of the date of any such transfer and as of the date of any application of such funds;

(c) immediately following any such transfer, the aggregate amount of moneys transferred pursuant to this clause (4) plus the aggregate amount of moneys deposited in the Construction Fund after the date of the Eighteenth Amendment does not exceed the aggregate amount of Approved Costs of Improvements;

(d) any moneys so transferred during the Amendment Period shall be applied by the Authority only to

Approved Costs of Improvements and are applied in the manner required by the Agreement for application of moneys from the Construction Fund; and

(e) on a quarterly basis, on the fifteenth (15th) day of the month, the Authority shall provide a certification to the Trustee and each Amending Creditor or its advisors for the three-month period preceding the first day of the month in which the certification is given, (i) indicating whether the Improvements on the schedules of Approved Costs of Improvements are complete, and, for any such Improvements that are not complete, an estimate of the percentage of completion of the project, (ii) containing an estimate of the actual costs towards which the moneys in the Construction Fund, Reserve Maintenance Fund and/or Capital Improvement Fund were applied during such three-month period on a project-level basis, and (iii) stating that all funds withdrawn from the Construction Fund, Reserve Maintenance Fund and/or Capital Improvement Fund during such three-month period were applied to Approved Costs of Improvements (A) in a manner consistent with the required manner of application of moneys from the Construction Fund and (B) in compliance with the Eighteenth Amendment.

(5) After the Amendment Period but subject to any obligation of the Authority to transfer funds to the Bond Service Account and the Redemption Account as and when required under Section 512B, for so long as moneys transferred to the Capital Improvement Fund pursuant to clause (4) remain in the Capital Improvement Fund, (i) the Authority may not apply such moneys for costs of Improvements (or of extensions of the System) other than Approved Costs of Improvements approved during the Amendment Period in accordance with the terms of this Section 505 and (ii) the Authority must provide the certification in clause (4)(e) following the expenditure of such funds; provided, however, that if the Authority decides not to apply such funds to such Approved Costs of Improvements, then it shall transfer such funds to the General Fund.

(6) The Trustee shall have no duty to review any certification received pursuant to previous clauses (1)-(5) for any purpose, except to confirm that such certification has been delivered, and the Trustee shall be authorized to provide any requesting bondholder with a copy of any such certification.]

#### **Revenue Fund.**

SECTION 506. A special fund is hereby created and designated the "Puerto Rico Electric Power Authority Power Revenue Fund" (herein sometimes called the "Revenue Fund"). After the outstanding 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture, the Treasurer

shall transfer, on or before the 15th day of each month, from the General Fund to the credit of the Revenue Fund an amount equal to the amount of all moneys held for the credit of the General Fund on the last day of the preceding month less such amount to be held as a reserve for Current Expenses as the Treasurer may determine, but not more than one-sixth (1/6) of the amount shown by the Annual Budget to be necessary for Current Expenses for the current fiscal year, such transfer to be made on the books of the Authority as of the close of the preceding month. The Authority covenants that all moneys to the credit of the Revenue Fund will be applied to the purposes and in the order set forth in this Article.

**Sinking Fund.**

**Bond Service  
Account, Reserve  
Account and  
Redemption Account.**

**Reserve Maintenance  
Fund.**

SECTION 507. A special fund is hereby created and designated the "Puerto Rico Electric Power Authority Power Revenue Bonds Interest and Sinking Fund" (herein sometimes called the "Sinking Fund"). There are hereby created three separate accounts in the Sinking Fund designated "Bond Service Account", "Reserve Account" and "Redemption Account", respectively. Another special fund is hereby created and designated "Puerto Rico Electric Power Authority Reserve Maintenance Fund" (herein sometimes called the "Reserve Maintenance Fund"). Two other special funds are hereby created and designated "Puerto Rico Electric Power Authority Self-insurance Fund" (herein some times called the "Self-insurance Fund") and "Puerto Rico Electric Power Authority Capital Improvement Fund" (herein sometimes called the "Capital Improvement Fund"). Another special fund is hereby created and designated "Puerto Rico Electric Power Authority Subordinate Obligations Fund" (herein some times called the "Subordinate Obligations Fund"). On or before the last day of the month during which the first Series of bonds shall be issued under the provisions of Section 208 of this Agreement and on or before the 25th day of each month thereafter, (i) until the outstanding 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture, it shall be the duty of the Executive Director or any officer or employee of the Authority designated by him for such purpose to withdraw from the Renewal and Replacement Fund, and (ii) after the outstanding 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture it shall be the duty of the Treasurer to withdraw from the Revenue Fund, all of the moneys then held to the credit of such Fund (less any amount equal to the amount of Federal Subsidy Payments that have not been received as of the 25th of the month preceding the Interest Payment Date to which such Federal Subsidy Payments relate, which amount will be held in the Revenue Fund and (x) if the Federal Subsidy Payment has not been received by the Authority by such Interest Payment Date, transferred to the Bond Service Account on the Interest Payment Date and applied to the payment of interest on Bonds or (y) if the Federal Subsidy Payment has been received by the Authority on or before such Interest

Payment Date, remain on deposit in the Revenue Fund for application in accordance with the provisions below in the following calendar month) and deposit the moneys so withdrawn to the credit of the following Accounts and Funds in the following order:

(a) to the credit of the Bond Service Account, such amount thereof (or the entire sum so withdrawn if less than the required amount) as may be required to make the total amount then to the credit of the Bond Service Account equal to the sum of

(i) the Interest Accrual on all the outstanding bonds to and including the first day of the next calendar month, and

(ii) the Principal Accrual on the outstanding serial bonds to and including the first day of the next calendar month;

(b) to the credit of the Redemption Account, such amount, if any, of any balance remaining after making the deposit under clause (a) above (or the entire balance if less than the required amount) as may be required to make the amount then to the credit of the Redemption Account equal to the Amortization Accrual to and including the first day of the next calendar month;

(c) to the credit of the Reserve Account, such amount, if any, of any balance remaining after making the deposits under clauses (a) and (b) above (or the entire balance if less than the required amount) as may be required to make the amount then to the credit of the Reserve Account, including the amount of any Reserve Account Insurance Policy or any Reserve Account Letter of Credit therein, equal to the interest payable on the bonds of each Series issued hereunder within the next ensuing twelve (12) months; (A) provided, however, that the amount so deposited in any month in respect of bonds of any Series issued under Sections 208 or 209 of this Agreement need not exceed one-sixtieth ( $1/60$ ) of the amount of the increase in the interest payable within the next ensuing twelve (12) months resulting from the issuance of the bonds of such Series; and that if the amount so deposited in any month to the credit of said Account shall be less than the required amount for such month, the requirement therefor shall nevertheless be cumulative and the amount of any deficiency in any month shall be added to the amount otherwise required to be deposited in each month thereafter until such time as such deficiency shall have been made up; and that in the case of Variable Rate Bonds, the minimum amount to be deposited in the Reserve Account over the period required herein, shall be based initially on the interest rate in effect on the date of issuance of the Variable Rate Bonds and then shall be adjusted on the 25th day of each subsequent month based on the actual interest accrued from the 25th day of the previous month to the date of adjustment, except that

in the case of Variable Rate Bonds in respect of which the Authority has notified the Trustee that a SWAP agreement is in effect, the Trustee shall use the SWAP rate in calculating the interest payable on such Bonds within the next ensuing twelve (12) months; and that in the case of Capital Appreciation Bonds, the minimum amount required to be deposited in the Reserve Account shall be an amount derived from the interest rate which has been used to calculate the assumed yield on such bonds through their maturity times the Accreted Value of such bonds on the Valuation Date occurring at or after the first day of the twelfth succeeding month to the date of calculation of this requirement, as may be further specified in the resolution authorizing Capital Appreciation Bonds; and (B) provided, however, that in the case of Federally Subsidized Bonds, the amount of interest deemed to be payable on such bonds from the date of issuance of such Federally Subsidized Bonds and for so long as the Trustee shall receive the scheduled amount of the Federal Subsidy Payments on or before such interest shall be payable shall exclude the amount of interest to be paid from the Federal Subsidy and provided further, however, that if the Trustee shall not receive the scheduled amount of the Federal Subsidy Payments on or before the date interest on such Federally Subsidized Bonds is payable or within thirty (30) of the date such Federal Subsidy Payments were scheduled to be received under the then current applicable law and regulations, then for purposes of the calculation of interest to be credited to the Reserve Account, the amount shall be equal to the interest payable on the bonds of each Series issued hereunder within the next twelve (12) months.

(d) to the credit of the Reserve Maintenance Fund, such amount, if any, of any balance remaining after making the deposits under clauses (a), (b) and (c) above (or the entire balance if less than the required amount) as may be recommended by the Consulting Engineers, as provided by Section 706 of this Agreement, to be deposited to the credit of said Fund during such month; provided, however, that if the amount so deposited to the credit of said Fund in any month shall be less than the amount recommended by the Consulting Engineers, the requirement therefor shall nonetheless be cumulative and the amount of any such deficiency in any month shall be added to the amount otherwise required to be deposited in each month thereafter until such time as such deficiency shall have been made up, unless such requirement shall have been modified by the Consulting Engineers in writing, a signed copy of such modification to be filed with the Authority; and provided further, however, that in the event that the Authority shall so covenant in respect of any Subordinate Obligation, as authorized by Section 516 of this Agreement, the deposit required by this clause (d) in any month shall be equal to the least of

(i) the amount described above in this clause (d),

(ii) the amount of \$400,000, and

(iii) an amount that when added to the amount then held to the credit of the Reserve Maintenance Fund shall make the total amount to the credit of said Fund equal to \$10,000,000;

(e) to the credit of one or more special accounts in the Subordinate Obligations Fund, such amount, if any, of any balance remaining after making the deposits under clauses (a), (b), (c) and (d) above (or the entire balance if less than the required amount) that together with funds then held to the credit of the Subordinate Obligations Fund will make the total amount then to the credit thereof equal to any amounts required to be paid or accrued with respect to any Subordinate Obligations prior to the Deposit Day of the next succeeding month from or to the Subordinate Obligations Fund;

(f) in the event the Authority shall have covenanted pursuant to Section 516 with respect to Subordinate Obligations to limit its deposit to the Reserve Maintenance Fund in accordance with the provisions of the second proviso of clause (d) above and in fact the deposit to said Fund pursuant to clause (d) was limited to the amount described in subclause (ii) or (iii), to the credit of the Reserve Maintenance Fund, such amount, if any, of any balance remaining after making the deposits under clauses (a), (b), (c), (d) and (e) above (or the entire balance if less than the required amount) as may be required to make the total amount deposited to the credit of the Reserve Maintenance Fund in such month equal to the amount described in subclause (i) of clause (d) above;

(g) On the date of the release of the 1947 Indenture, to the credit of the Self-insurance Fund an amount equal to the amount held to the credit of the General Reserve Fund under the 1947 Indenture on the date of such release remaining after making the deposits under clauses (a), (b), (c), (d), (e) and (f) above and thereafter such amount, if any, of any balance remaining after making the deposits under clauses (a), (b), (c), (d), (e) and (f) above, as the Consulting Engineers shall from time to time recommend; and

(h) After the outstanding 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture, to the credit of the Capital Improvement Fund such amount, if any, of any balance remaining after making the deposits under clauses (a), (b), (c), (d), (e), (f) and (g) above, as the Consulting Engineers shall recommend as provided by Section 706 of this Agreement; provided, however, that if the amount so deposited to the credit of said Fund during any fiscal year of the Authority shall be less than the amount recommended by the Consulting Engineers,

the requirement therefor shall nevertheless be cumulative and the amount of any such deficiency in any such fiscal year shall be added to the amount otherwise required to be deposited in each fiscal year thereafter until such time as such deficiency shall have been made up, unless such requirement shall have been modified by the Consulting Engineers in writing, a signed copy of such modification to be filed with the Authority.

Until the 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture, any balance remaining after making the deposits under clauses (a), (b) and (c) above shall be transferred to the Renewal and Replacement Fund. After the outstanding 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture, any balance remaining after making the deposits under clauses (a) through (h) above may be used for any lawful purpose of the Authority.

The moneys in the Sinking Fund shall be held by the Trustee in trust, and the moneys in the Reserve Maintenance Fund, the Self-insurance Fund and the Capital Improvement Fund shall be held by the Authority in trust, separate and apart from all other funds of the Authority, and shall be applied as hereinafter provided with respect to such Funds and, pending such application, shall be subject to a lien and charge in favor of the holders of the bonds issued and outstanding under this Agreement and for the further security of such holders until paid out or transferred as herein provided. The moneys in each account in the Subordinate Obligations Fund shall be held by the Authority (or a Depositary) in trust, separate and apart from all other funds of the Authority, and shall be applied as hereinafter provided with respect to such Fund and, pending such application, shall be subject to a lien and charge in favor of the holders of the Subordinate Obligations incurred in the manner provided under this Agreement and for the further security of such holders until paid out or transferred as herein provided. The Authority (or such Depositary) may establish one or more accounts within the Subordinate Obligations Fund corresponding to the source of moneys or particular Subordinate Obligations for each deposit made into said Fund so that the Authority (and such Depositary) may ascertain the source and date of deposit of the moneys in each such account.

**Disposition of  
balances in 1947  
Indenture funds and  
accounts.**

SECTION 508. At such time as the outstanding 1947 Indenture Bonds shall be paid or provision shall be made for their payment and the Trustee under the 1947 Indenture shall have released the 1947 Indenture, all moneys (other than moneys held for the redemption or payment of bonds and coupons), including any obligations purchased as an investment of such moneys, then held for the credit of the special funds and accounts created under the provisions of the 1947 Indenture shall be withdrawn and deposited to the credit of the special

funds and accounts created under the provisions of this Agreement, as follows :

<u>1947 Indenture</u>	<u>Agreement</u>
Construction Fund	Construction Fund
General Fund	General Fund
Revenue Fund	Revenue Fund
Sinking Fund, including	Reserve Account in
Reserve Account	Sinking Fund
General Reserve Fund	General Fund
Renewal and Replacement Fund	General Fund

At the same time the Authority shall withdraw all moneys then held to the credit of the Construction Fund revolving fund under the provisions of the 1947 Indenture and deposit such moneys to the credit of the Construction Fund under the provisions of this Agreement.

**Application of  
moneys in Bond  
Service Account.**

SECTION 509. The Trustee shall, on the business day immediately preceding each interest payment date, withdraw from the Bond Service Account and (a) remit by mail to each owner of registered bonds without coupons the amounts required for paying the interest on such bonds as such interest becomes due and payable and (b) set aside or deposit in trust with the Paying Agents the amounts required for paying the interest on the coupon bonds as such interest becomes due and payable and the principal of all serial bonds as such principal becomes due and payable.

Notwithstanding the foregoing, if principal and interest payments, or a portion thereof (other than any payments of the purchase price of bonds pursuant to a “put”), for particular bonds have been made on behalf of the Authority by a credit or liquidity facility issuer or other entity insuring, guaranteeing or providing for said payments, amounts deposited in the Bond Service Account and allocable to said payments for said bonds shall be paid, to the extent required under any agreement, to the credit or liquidity facility issuer or entity having theretofore made said corresponding payment.

**Application of  
moneys in Reserve  
Account.**

SECTION 510. Moneys held for the credit of the Reserve Account or amounts available under any Reserve Account Insurance Policy or Reserve Account Letter of Credit shall first be used for the purpose of paying interest on the bonds and maturing principal of the serial bonds whenever and to the extent that the moneys held for the credit of the Bond Service Account shall be insufficient for such purpose and thereafter for the purpose of making the deposits to the credit of the Redemption Account pursuant to the requirements of

clause (b) of Section 507 of this Agreement whenever and to the extent that the withdrawals from the Renewal and Replacement Fund or the Revenue Fund, as the case may be, are insufficient for such purpose. If at any time the moneys held for the credit of the Reserve Account, including amounts available under any Reserve Account Insurance Policy or Reserve Account Letter of Credit, shall exceed interest payable within the next ensuing twelve (12) months on the bonds of each Series issued and then outstanding hereunder, such excess moneys shall be transferred to the credit of the Bond Service Account or any Reserve Account Insurance Policy or Reserve Account Letter of Credit may be reduced to the extent of such excess, at the option of the Authority. For purposes of determining whether any excess exists in the Reserve Account, the amount required for Capital Appreciation Bonds and interest payable within the next ensuing twelve (12) months for Variable Rate Bonds shall be calculated in accordance with clause (c) of Section 507, and the minimum amount required in the Reserve Account shall be deemed to include any additional level of funding of the Reserve Account required under the terms of the resolution adopted by the Authority for the bonds.

Notwithstanding anything to the contrary contained in Section 507 or elsewhere in this Agreement, in lieu, or in partial satisfaction, of any required deposit into the Reserve Account, the Authority may cause to be deposited into the Reserve Account a Reserve Account Insurance Policy or a Reserve Account Letter of Credit, as to which any reimbursement obligation in respect of a drawing thereon may be secured by a lien on Revenues not inconsistent with Section 712 hereof, for the benefit of the holders of the bonds in an amount equal to the required deposit or any portion thereof, and which Reserve Account Insurance Policy or Reserve Account Letter of Credit shall be payable or available to be drawn upon, as the case may be (upon the giving of notice as required thereunder), on any date on which moneys are required to be paid out of the Reserve Account pursuant to the first sentence of this Section 510. If a disbursement is made under the Reserve Account Insurance Policy or the Reserve Account Letter of Credit, the Authority shall be obligated either to reinstate the amount of such Reserve Account Insurance Policy or Reserve Account Letter of Credit or to deposit into the Reserve Account moneys, in accordance with the provisions of Section 507 hereof, in the amount of the disbursement made under such Reserve Account Insurance Policy or Reserve Account Letter of Credit, or a combination of such alternatives. The Authority may at any time substitute (i) all or a portion of the moneys held to the credit of the Reserve Account with a Reserve Account Insurance Policy or Reserve Account Letter of Credit, or a combination of such alternatives, (ii) all or a portion of any Reserve Account Insurance

Policy on deposit in the Reserve Account with moneys or a Reserve Account Letter of Credit, or a combination of such alternatives, or (iii) all or a portion of any Reserve Account Letter of Credit on deposit in the Reserve Account with moneys or a Reserve Account Insurance Policy, or a combination of such alternatives. Any moneys on deposit in the Reserve Account in substitution of which a Reserve Account Insurance Policy or Reserve Account Letter of Credit is deposited into the Reserve Account shall, to the extent not required to fund any deficiencies in the amount then required to be on deposit in the Reserve Account, be released and immediately paid over to the Authority to be used by the Authority for any lawful purpose of the Authority. Prior to the expiration date of any Reserve Account Insurance Policy or Reserve Account Letter of Credit then on deposit to the credit of the Reserve Account, the Authority shall (x) cause the term of such Reserve Account Insurance Policy or Reserve Account Letter of Credit to be extended, (y) replace any such Reserve Account Insurance Policy with moneys (which may include, without limitation, moneys available under the Reserve Account Insurance Policy or from any other source available for such purpose) or a Reserve Account Letter of Credit, or a combination of such alternatives, or (z) replace any such Reserve Account Letter of Credit with moneys (which may include, without limitation, moneys available under the Reserve Account Letter of Credit or from any other source available for such purpose) or a Reserve Account Insurance Policy, or a combination of such alternatives; provided that, in the event the Authority has not extended or replaced the expiring Reserve Account Insurance Policy or Reserve Account Letter of Credit by the fifth (5th) business day prior to the date of expiration, the expiring Reserve Account Insurance Policy or Reserve Account Letter of Credit shall, on such date, be drawn upon to fund the Reserve Account. For purposes of this Agreement, other than Article VI hereof, moneys for deposit to, or held for the credit of, the Reserve Account shall include amounts available under any Reserve Account Insurance Policy or Reserve Account Letter of Credit on deposit in the Reserve Account.

**Application of  
moneys in  
Redemption Account.**

SECTION 511. Moneys held for the credit of the Redemption Account shall be applied to the retirement of bonds issued under the provisions of this Agreement as follows:

**Purchase of bonds.**

(a) Subject to the provisions of paragraph (c) of this Section, the Trustee shall endeavor to purchase bonds or portions of bonds secured hereby and then outstanding, whether or not such bonds or portions shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, such price not to exceed the principal of such bonds plus the amount of the premium, if any, which would be payable on the next redemption date to the holders

of such bonds under the provisions of Article III of this Agreement if such bonds or portions of bonds should be called for redemption on such date from the moneys in the Sinking Fund. The Trustee shall pay the interest accrued on such bonds or portions of bonds to the date of settlement therefor from the Bond Service Account and the purchase price from the Redemption Account, but no such purchase shall be made by the Trustee within the period of forty-five (45) days immediately preceding any interest payment date on which such bonds are subject to call for redemption under the provisions of this Agreement except from moneys other than the moneys set aside or deposited for the redemption of bonds.

#### **Redemption of bonds.**

(b) Subject to the provisions of paragraph (c) of this Section, the Trustee shall call for redemption on each interest payment date on which bonds are subject to redemption from moneys in the Sinking Fund such amount of bonds or portions of bonds then subject to redemption as, with the redemption premium, if any, will exhaust the moneys then held for the credit of the Redemption Account as nearly as may be; provided, however, that not less than One Hundred Thousand Dollars (\$100,000) principal amount of bonds shall be called for redemption at any one time. Such redemption shall be made pursuant to the provisions of Article III of this Agreement. Prior to calling bonds or portions of bonds for redemption the Trustee shall withdraw from the Bond Service Account and from the Redemption Account and set aside in separate accounts or deposit with the Paying Agents the respective amounts required for paying the interest on, and the principal and redemption premium of, the bonds or portions of bonds so called for redemption.

(c) Moneys in the Redemption Account shall be applied by the Trustee in each fiscal year to the retirement of bonds of each Series then outstanding in the following order:

*first*, the term bonds of each such Series to the extent of the Amortization Requirement, if any, for such fiscal year for the term bonds of each such Series then outstanding, plus the applicable premium, if any, and, if the amount available in such fiscal year shall not be equal thereto, then in proportion to the Amortization Requirement, if any, for such fiscal year for the term bonds of each such Series then outstanding, plus the applicable premium, if any;

*second*, any balance then remaining shall be applied to the purchase of any bonds secured hereby and then outstanding whether or not such bonds shall then be subject to redemption, in accordance with the provisions of paragraph (a) of this Section;

*third*, any balance then remaining shall be applied to the redemption of the term bonds of each such Series in proportion to the Amortization Requirement, if any, for such fiscal year for the term bonds of each such Series then outstanding, plus the applicable premium, if any; and

*fourth*, after the retirement of all term bonds, any balance still remaining shall be applied to the retirement of the serial bonds of each Series in proportion to the aggregate principal amount of the serial bonds of each such Series originally issued under the provisions of this Agreement.

Until the outstanding 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture, the Authority shall pay from the Renewal and Replacement Fund all expenses in connection with any such purchase or such redemption ; thereafter all such expenses shall be paid from the Revenue Fund.

Notwithstanding the foregoing, if amounts applied to the retirement of bonds that would have been applied from the Redemption Account are paid instead by a credit or liquidity facility issuer or other entity insuring, guaranteeing or providing for said payment, amounts deposited in the Redemption Account and allocable to said payments for said bonds shall be paid, to the extent required under any agreement, to the credit or liquidity facility issuer or entity having theretofore made said corresponding payment.

**Use of moneys in  
Reserve Maintenance  
Fund.**

SECTION 512. Except as hereinafter provided in this Section and in Section 707 of this Agreement, moneys held for the credit of the Reserve Maintenance Fund shall be disbursed only for the purpose of paying the cost of unusual or extraordinary maintenance or repairs, maintenance or repairs not recurring annually and renewals and replacements, including major items of equipment. Such disbursements shall be made in accordance with the provisions of Section 402 of this Agreement for payments from the Construction Fund.

If at any time moneys held for the credit of the Bond Service Account and the Reserve Account shall be insufficient for the purpose of paying the interest on all bonds and the principal of the serial bonds as such interest and principal become due and payable, then the Authority shall transfer from any moneys held for the credit of the Reserve Maintenance Fund to the credit of the Bond Service Account an amount sufficient to make up any such deficiency. If at any time the moneys held for the credit of the Redemption Account and the Reserve Account shall be insufficient for the purpose of providing funds for the retirement of term bonds to the extent of the Amortization Requirements therefor at the end of any fiscal year, then the Authority shall transfer from any moneys held for the credit of the Reserve Maintenance Fund an amount sufficient to make up any such deficiency; provided, however, that no such transfer shall be made unless the moneys then held for the credit of the Bond Service Account are at least equal to the maximum requirement therefor under clause (a) of Section 507 of this Agreement. Any moneys so transferred from the Reserve Maintenance Fund shall be restored by

the Authority from available moneys in the Revenue Fund, subject to the same conditions as are prescribed for deposits to the credit of the Reserve Maintenance Fund under the provisions of Section 507 of this Agreement.

SECTION 512A. Except as hereinafter provided in the following two paragraphs and in Section 707 of this Agreement, moneys held for the credit of the Self-insurance Fund (1) shall be disbursed in the manner provided by Section 402 of this Agreement for disbursements from the Construction Fund only for the purpose of paying the cost of repairing, replacing or reconstructing any property damaged or destroyed from or extraordinary expenses incurred as a result of a cause which is not covered by insurance under the provisions of said Section 707 or (2) shall be transferred to the Revenue Fund in an amount, approved by the Consulting Engineers, equal to the loss of income from the System as a result of a cause which is not covered by insurance under the provisions of said Section 707.

If at any time moneys held for the credit of the Bond Service Account and the Reserve Account (including moneys transferred from the Reserve Maintenance Fund to the credit of the Bond Service Account pursuant to the provisions of the first sentence of the second paragraph of Section 512 of this Agreement) shall be insufficient for the purpose of paying the interest on all bonds and the principal of all serial bonds as such interest and principal become due and payable, then the Authority shall transfer from any moneys held for the credit of the Self-insurance Fund to the credit of the Bond Service Account an amount sufficient to make up such deficiency. If at any time moneys held for the credit of the Redemption Account and the Reserve Account (including moneys transferred from the Reserve Maintenance Fund to the credit of the Redemption Account pursuant to the provisions of the second sentence of the second paragraph of Section 512 of this Agreement) shall be insufficient for the purpose of providing funds for the retirement of bonds to the extent of the Amortization Requirements therefor at the end of any fiscal year, then the Authority shall transfer from any moneys held for the credit of the Self-insurance Fund to the credit of the Redemption Account an amount sufficient to make up any such deficiency; provided, however, that no such transfer shall be made unless the moneys then held for the credit of the Bond Service Account are at least equal to the maximum requirement therefor under clause (a) of Section 507 of this Agreement.

If the Authority shall have determined that all or any portion of the moneys held to the credit of the Self-insurance Fund is no longer needed for the purposes specified in the second preceding paragraph, the Authority may withdraw an amount equal to such portion from the Self-insurance Fund and transfer such amount to the credit of the Bond Service Account; provided, however, that no such

transfer shall be made prior to the time that the Consulting Engineers shall have approved such transfer in writing.

SECTION 512B. Moneys held for the credit of the Capital Improvement Fund shall be disbursed in the manner provided by Section 402 of this Agreement only for paying the cost of anticipated extensions and Improvements of the System the cost of which has not otherwise been provided for from the proceeds of bonds issued under the provisions of this Agreement.

If at any time moneys held for the credit of the Bond Service Account and the Reserve Account (including moneys transferred from the Reserve Maintenance Fund or the Self-insurance Fund to the credit of the Bond Service Account pursuant to the provisions of the first sentence of the second paragraph of Sections 512 and 512A of this Agreement, respectively) shall be insufficient for the purpose of paying the interest on all bonds and the principal of all serial bonds as such interest and principal become due and payable, then the Authority shall transfer from any moneys held for the credit of the Capital Improvement Fund to the credit of the Bond Service Account an amount sufficient to make up such deficiency. If at any time moneys held for the credit of the Redemption Account and the Reserve Account (including moneys transferred from the Reserve Maintenance Fund or the Self-insurance Fund to the credit of the Redemption Account pursuant to the provisions of the second sentence of the second paragraph of Sections 512 and 512A of this Agreement, respectively) shall be insufficient for the purpose of providing funds for the retirement of bonds to the extent of the Amortization Requirements therefor at the end of any fiscal year, then the Authority shall transfer from any moneys held for the credit of the Capital Improvement Fund to the credit of the Redemption Account an amount sufficient to make up any such deficiency; provided, however, that no such transfer shall be made unless the moneys then held for the credit of the Bond Service Account are at least equal to the maximum requirement therefor under clause (a) of Section 507 of this Agreement.

**Application and  
pledge of moneys in  
Sinking Fund.**

SECTION 513. Subject to the terms and conditions set forth in this Agreement, moneys held for the credit of the Bond Service Account, the Reserve Account and the Redemption Account shall be held in trust and disbursed by the Trustee for (a) the payment of interest on the bonds issued hereunder as such interest becomes due and payable, or (b) the payment of the principal of such bonds at their respective maturities, or (c) the payment of the purchase or redemption price of such bonds before their respective maturities, and such moneys are hereby pledged to and charged with the payments mentioned in this Section.

Whenever the total of the moneys held for the credit of the Bond Service Account, the Reserve Account and the Redemption Account shall be sufficient for paying the principal of and the

redemption premium, if any, and the interest accrued on all bonds then outstanding under the provisions of this Agreement, such moneys shall be applied by the Trustee to the payment, purchase or redemption of such bonds.

**Moneys set aside for principal and interest held in trust.**

SECTION 514. All moneys which the Trustee shall have withdrawn from the Sinking Fund or shall have received from any other source and set aside, or deposited with the Paying Agents, for the purpose of paying any of the bonds hereby secured, either at the maturity thereof or upon call for redemption, or for the purpose of paying any maturing coupons appertaining to any of the coupon bonds hereby secured, shall be held in trust for the respective holders of such bonds or coupons. But any moneys which shall be so set aside or deposited by the Trustee and which shall remain unclaimed by the holders of such bonds or of such coupons for the period of six (6) years after the date on which such bonds or such coupons shall have become due and payable shall upon request in writing be paid to the Authority or to such officer, board or body as may then be entitled by law to receive the same, and thereafter the holders of such bonds or coupons shall look only to the Authority or to such officer, board or body, as the case may be, for payment and then only to the extent of the amounts so received without any interest thereon, and the Trustee and the Paying Agents shall have no responsibility with respect to such moneys.

**Moneys unclaimed for six years after maturity of bonds and coupons.**

**Cancellation of bonds and coupons upon payment.**

SECTION 515. All bonds paid, redeemed or purchased, either at or before maturity, together with all unmatured coupons, if any, appertaining thereto, shall be cancelled upon the payment, redemption or purchase of such bonds and shall be delivered to the Trustee when such payment, redemption or purchase is made. All coupons, which are paid by the Paying Agents, shall be cancelled upon their payment and delivered to the Trustee in the Borough of Manhattan, City and State of New York. Except for such coupons, all bonds and coupons cancelled under any of the provisions of this Agreement shall be destroyed by the Trustee, which shall execute a certificate in duplicate describing the bonds and coupons so destroyed except that the numbers of the bonds to which such coupons appertain may be omitted unless otherwise directed by the Authority, and one executed certificate shall be filed with the Secretary and the other executed certificate shall be retained by the Trustee. The coupons so paid by such Paying Agent shall be destroyed by the Trustee in the Borough of Manhattan, City and State of New York, which shall execute a certificate in triplicate describing the coupons so destroyed except that the numbers of the bonds to which such coupons appertain may be omitted unless otherwise directed by the Authority, and one executed certificate shall be filed with the Secretary and another with the Trustee and the third executed certificate shall be retained by such Paying Agent.

SECTION 516. Application of Moneys in Subordinate Obligations Fund. (a) Moneys held for the credit of the Subordinate Obligations Fund shall be paid out or pledged by the Authority as necessary to enable the Authority to meet its Subordinate Obligations. Subordinate Obligations may be incurred or issued by the Authority for any proper corporate purpose of the Authority.

(b) The Authority shall have the right to covenant with the holders from time to time of any Subordinate Obligations issued or incurred by the Authority to limit the deposits to the Reserve Maintenance Fund as authorized by Section 507(d) and to add to the conditions, limitations and restrictions under which bonds may be issued under the provisions of Sections 208, 209 and 210 hereof.

(c) Any such Subordinate Obligations shall be payable out of and may be secured by a pledge of (i) such amounts in the Subordinate Obligations Fund as may from time to time be available therefor, and (ii) any other funds of the Authority that may be available for such purpose, provided that any such payment or pledge made pursuant to clause (i) of this sentence shall be, and shall be expressed to be, subordinate and junior in all respects to the lien and charge of the bonds secured hereby upon the Revenues.

(d) Before incurring any Subordinate Obligations the proceeds of which shall finance in whole or in part the acquisition or construction of any works or properties by the Authority in connection with the production, distribution or sale of electric energy, the Authority shall adopt a resolution specifying whether or not such works or properties are to be included as part of the System.

(e) The resolution, indenture or other instrument securing each issue of Subordinate Obligations shall contain provisions (which shall be binding on all holders of such Subordinate Obligations) not more favorable to the holders of such Subordinate Obligations than the following:

(1) In the event of any insolvency or bankruptcy proceedings, and any receivership, liquidation, reorganization or their similar proceedings in connection therewith, relative to the Authority or to its creditors, as such, or to its property, and in the event of any proceedings for voluntary liquidation, dissolution or other winding up of the Authority, whether or not involving insolvency or bankruptcy, the owners of all bonds then outstanding shall be entitled to receive payment in full of all principal and interest due on all such bonds in accordance with the provisions of this Agreement before the holders of the Subordinate Obligations are entitled to receive any payment from the funds pledged to the bonds on account of principal (and premium, if any) or interest upon the Subordinate Obligations.

(2) In the event that any Subordinate Obligation is declared due and payable before its expressed maturity because of the occurrence of an event of default (under circumstances when the provisions of (1) above shall not be applicable), the owners of all bonds outstanding at the time such Subordinate Obligation becomes due and payable because of the occurrence of such an event of default shall be entitled to receive payment in full of all principal of and interest on all such bonds then due and payable before the holder of such Subordinate Obligation is entitled to receive any accelerated payment from the Revenues and other moneys pledged to the bonds under this Agreement of principal (and premium, if any) or interest upon such Subordinate Obligation.

(3) If any event of default specified in Section 802 hereof with respect to the bonds shall have occurred and be continuing (under circumstances when the provisions of (1) above shall not be applicable), the owners of all bonds then outstanding shall be entitled to receive payment in full of all principal of and interest on all such bonds as the same become due and payable before the holders of the Subordinate Obligations are entitled to receive, subject to the provisions of (5) below, any payment from the Revenues or other moneys pledged to the bonds under this Agreement of principal (and premium, if any) or interest upon the Subordinate Obligations.

(4) No owner of a bond shall be prejudiced in this right to enforce subordination of the Subordinate Obligations by any act or failure to act on the part of the Authority.

(5) The Subordinate Obligations may provide that the provisions of (1), (2), (3) and (4) above are solely for the purpose of defining the relative rights of the owners of the bonds on the one hand, and the holders of Subordinate Obligations on the other hand, and that nothing therein shall impair, as between the Authority and the holders of the Subordinate Obligations, the obligation of the Authority, which is unconditional and absolute, to pay to the holders thereof the principal thereof and premium, if any, and interest thereon in accordance with their terms, nor shall anything therein prevent the holders of the Subordinate Obligations from exercising all remedies otherwise permitted by applicable law or thereunder upon default thereunder, subject to the rights under (1), (2), (3) and (4) above of the owners of bonds to receive cash, property or securities from the funds pledged to the bonds under this Agreement otherwise payable or deliverable to the holders of the Subordinate Obligations; and the Subordinate Obligations may provide that, insofar as a trustee or paying agent for such Subordinate Obligations is concerned, the foregoing provisions shall not prevent the application by such trustee or paying agent of any moneys deposited with such trustee or paying agent for the purpose of the payment of or on account of the principal (and premium, if any) and interest on such Subordinate Obligations

if such trustee or paying agent did not have knowledge at the time of such application that such payment was prohibited by the foregoing provisions.

(6) Any issue of Subordinate Obligations may have such rank or priority with respect to any other issue of Subordinate Obligations as may be provided in the resolution, trust agreement or other instrument securing such issue of Subordinate Obligations and may contain such other provisions as are not in conflict with the provisions of this Agreement.

(7) Neither the Trustee nor any Depositary shall be deemed to owe any fiduciary duty to the holders of Subordinate Obligations and shall not be liable to such holders if it shall mistakenly pay over or transfer to owners of bonds, the Authority or any other person, moneys to which any holders of Subordinate Obligations shall be entitled by virtue of this Section 516 or otherwise, provided, however, that neither the Trustee nor any Depositary then holding the Subordinate Obligations Fund shall be relieved from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct. Notwithstanding any of the provisions of this Section 516 or any other provision of this Agreement, neither the Trustee nor any such Depositary shall at any time be charged with knowledge of the existence of any facts that would prohibit the making of any payment of moneys to or by the Trustee or any such Depositary in respect of Subordinate Obligations or of any default in the payment of the principal of or premium, if any, or interest on any Subordinate Obligations, unless and until the Trustee or such Depositary shall have received written notice thereof from the Authority or the holders of a majority in principal amount of any class or category of any Subordinate Obligations or from any trustee or other fiduciary therefor and any financial institution that provides credit or security for any Subordinate Obligations.

SECTION 517. Specified Period Principal and Interest Requirements Defeasance. A special fund within the Reserve Account is hereby created and designated the “Puerto Rico Electric Power Authority Revenue Bonds Specified Period Defeasance Fund” (herein sometimes called the “Specified Period Defeasance Fund”) to be held by the Trustee separate and apart from all other funds and accounts held under this Agreement. The transfer of moneys from the Reserve Account to the Specified Period Defeasance Fund in accordance with Section 510A hereof shall constitute an irrevocable deposit of such moneys in trust solely for the purpose of paying the Specified Period Principal and Interest Requirements, and such moneys will not constitute property of the Authority. Upon such transfer and deposit to the Specified Period Defeasance Fund, the obligation of the Authority to pay the Specified Period Principal and Interest Requirements will be discharged to the extent of each such

deposit, and the sole recourse of the holders of outstanding bonds in respect of the portion of the Specified Period Principal and Interest Requirements equal to the aggregate of amounts so deposited shall be to the amounts then to the credit of the Specified Period Defeasance Fund. The transfer and deposit set forth above shall not in any way affect the obligations of the Authority to pay the Principal and Interest Requirements with respect to the outstanding bonds other than the obligation to pay the portion of the Specified Period Principal and Interest Requirements equal to the aggregate of the amounts that are credited to the Specified Period Defeasance Fund. On each date on which any Specified Period Principal and Interest Requirements are payable, the Trustee shall apply moneys in the Specified Period Defeasance Fund to pay the Specified Period Principal and Interest Requirements that are payable on such date. Any amounts remaining in the Specified Period Defeasance Fund after all Specified Period Principal and Interest Requirements are paid in full shall be transferred to the Reserve Account. Moneys held in the Special Period Defeasance Fund shall, as nearly as may be practicable, be continuously invested and reinvested by the Trustee in Government Obligations which shall mature, or which shall be subject to redemption by the holder thereof at the option of such holder, not later than the respective dates when moneys held in said Fund will be required for the purposes intended.

permitted by applicable law, in such other manner as may then be required or permitted by applicable Commonwealth of Puerto Rico, state or Federal laws or regulations regarding the security for, or granting a preference in the case of, the deposit of trust funds; provided, however, that it shall not be necessary for the Paying Agents to give security for the deposits of any moneys with them for the payment of the principal of or the redemption premium or the interest on any bonds issued hereunder, or for the Trustee to give security for any moneys which shall be represented by obligations purchased under the provisions of this Article as an investment of such moneys.

All moneys deposited with each Depositary, including the Trustee, shall be credited to the particular fund or account to which such moneys belong.

#### **Investment of moneys.**

SECTION 602. Moneys held for the credit of the Bond Service Account and the Redemption Account, shall, as nearly as may be practicable., be continuously invested and reinvested by the Trustee in Government Obligations which shall mature, or which shall be subject to redemption by the holder thereof at the option of such holder, not later than the respective dates when moneys held for the credit of said Accounts will be required for the purposes intended, or in Time Deposits ; provided, however, that each such Time Deposit shall permit the moneys so placed to be available for use at the times provided above.

Moneys held for the credit of the Reserve Account shall, as nearly as may be practicable, be continuously invested and reinvested by the Trustee in Investment Obligations which shall mature, or which shall be subject to redemption by the holder thereof at the option of such holder, (i) as to approximately 50% of such moneys, not later than 5 years after the date of such investment, and (ii) as to the balance of such moneys, as directed by the order mentioned below, or in Time Deposits; provided, however, that each such Time

Deposit shall permit the moneys so placed to be available for use at the times provided above.

Fifty per centum (50%) of the moneys held for the credit of the Reserve Account shall be invested by the Trustee upon receipt of an order signed by the Executive Director or other authorized officer of the Authority or authorized representative of the Executive Director or other authorized officer stating the amount to be invested and directing such investment in Investment Obligations having such maturities as are specified in such order. Such obligations shall be sold by the Trustee upon receipt of an order signed by the Executive Director or other authorized officer of the Authority or authorized representative of the Executive Director or other authorized officer.

Prior to investing any moneys held for the credit of the Self-insurance Fund in other Investment Obligations, the Authority shall require an Independent Consultant retained pursuant to the provisions of Section 706 to present a report described in said Section 706 recommending what portion of moneys held for the credit of the Self-insurance Fund the Authority shall maintain invested in Investment Obligations. Should the Self-insurance Fund be held by the Trustee on behalf of the Authority, a copy of such report will be furnished to the Trustee.

Prior to investing any moneys held for the credit of the Self-insurance Fund in other than Investment Obligations, the Authority shall, after duly considering the report it shall have received pursuant to the foregoing paragraph, formally adopt, subject to the consent of Government Development Bank for Puerto Rico, and maintain an investment policy first determining, subject to the limitation prescribed by the second preceding paragraph, the minimum portion of the moneys held for the credit of the Self-insurance Fund to remain invested in Investment Obligations and then setting forth prudent investment principles, considerations and goals, including, without limitation, liquidity, diversification of assets, safety and rate or rates of return, that will govern the investment strategies and goals for the balance of the moneys held for the credit of the Self-insurance Fund. The Authority agrees to advise the Trustee in writing of those

investments other than Investment Obligations that are authorized by said investment policy.

The Board shall receive at each regular meeting a detailed report from its Treasurer of the current portfolio of Investment Obligations, other securities and other moneys held to the credit of the Self-insurance Fund.

The interest accruing thereon and any profit realized from such investment shall be credited to such Fund or Account and any loss resulting from such investment shall be charged to such Fund or Account. The Trustee shall sell or present for payment or redemption any obligations so acquired whenever it shall be necessary so to do in order to provide moneys to meet any payment from such Fund or Account. Neither the Trustee nor the Authority nor any officer or agent of either thereof shall be liable or responsible for any loss resulting from any such investment.

**Employment of  
Consulting Engineers.**

SECTION 706. The Authority covenants and agrees that so long as any 1947 Indenture Bonds are outstanding it will, for the purpose of performing and carrying out the duties imposed on the Consulting Engineers by this Agreement, employ such Consulting Engineers as are employed under Section 704 of the 1947 Indenture, and after the 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture and so long as any bonds are outstanding under this Agreement, it will employ an independent engineer or engineering firm or corporation having a wide and favorable repute in the United States for skill and experience in the construction and operation of electric systems. It shall be the duty of the Consulting Engineers to prepare and file with the Authority and with the Trustee on or before the 1st day of November in each year a report setting forth their recommendations as to any necessary or advisable revisions of rates and charges and such other advices and recommendations as they may deem desirable. After the outstanding 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture, it shall be the duty of the Consulting Engineers to include in such report their recommendations as to the amount that should be deposited monthly during the ensuing fiscal year to the credit of the Reserve Maintenance Fund for the purposes set forth in Section 512 of this Agreement, deposited during the ensuing fiscal year to the credit of the Self-insurance Fund for the purposes set forth in Section 512A of this Agreement, if any, and deposited during the ensuing fiscal year to the credit of the Capital Improvement Fund for the purposes set forth in Section 512B of this Agreement.

All such policies shall be for the benefit of the Authority, shall be made payable to the Authority and shall be deposited with the Treasurer, and the Treasurer shall have the sole right to receive the proceeds of such policies and to collect and receipt for claims thereunder. The proceeds of any and all such insurance shall be deposited by the Treasurer in the name of the Authority in a Depositary.

The Authority covenants that, immediately after any loss or damage to any properties of the System resulting from any cause, whether or not such loss or damage shall be covered by insurance, it will cause its engineers to prepare plans and specifications for repairing, replacing or reconstructing (either in accordance with the original or a different design) the damaged or destroyed property, and that it will forthwith commence and diligently prosecute the repair, replacement or reconstruction of the damaged or destroyed property unless it shall determine that the repair, replacement or reconstruction of such property is not essential to the efficient operation of the System.

The proceeds of all insurance policies referred to in this Section shall be available for, and shall to the extent necessary be applied to, the repair, replacement or reconstruction of the damaged or destroyed property, and shall be disbursed in the manner provided by Section 402 of this Agreement for disbursements from the Construction Fund. Until the 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture, if such proceeds are more than sufficient for such purpose, the balance remaining shall be deposited to the credit of the Renewal and Replacement Fund. After the 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture, such balance shall be deposited to the credit of the Redemption Account in the Sinking Fund or, at the option of the Authority, to the credit of the Construction Fund. Until the 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture, if such proceeds shall be insufficient for such purpose, the deficiency may be supplied, first, out of moneys in the General Reserve Fund under the 1947 Indenture, and second, out of moneys in the Renewal and Replacement Fund. After the 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture, such deficiency may be supplied out of any moneys held for the credit of the Reserve Maintenance Fund or from any other moneys of the Authority available for such purpose, including any moneys held for the credit of the Self-insurance Fund.

After the 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture, such proceeds shall be deposited to the credit of the Redemption Account in the Sinking Fund or, at the option of the Authority, to the credit of the Construction Fund, unless the Authority shall be prevented from so doing because of conditions beyond its control, or unless the holders of fifty-one per centum (51%) in aggregate principal amount of all bonds then outstanding under this Agreement shall otherwise direct.

**Accurate records.** SECTION 710. The Authority covenants that its accounts will be kept according to standard practices for public utility systems similar to the properties and business of the Authority and applicable in such circumstances, and in such manner as appropriately to segregate, in so far as advisable, the accounts in respect of the different classes of its operations, projects, undertakings and activities, that it will keep accurate records and accounts of all items of cost and expenditures relating to the System and to each integral unit of the System, the Revenues collected and the application of the Revenues, and the number of consumers, and that it will keep such records and accounts with respect to its physical properties in such manner that it will be possible at all times to identify both the amounts and the items of all additions and retirements.

**Monthly reports.** The Authority further covenants that at least once each month it will cause to be filed with the Trustee and the Consulting Engineers copies of any revisions of the rate schedules during the preceding calendar month and a report, signed by the Executive Director, setting forth the following:

(f) the amounts of the proceeds received during the preceding calendar month from any sales of property pursuant to Section 712 of this Article.

**Annual audits.**

The Authority further covenants that in the first month of each fiscal year it will cause an audit to be made of its books and accounts pertaining to the System by an independent firm of certified public accountants of suitable experience and responsibility and widely known in the United States, to be chosen by the Executive Director with the approval of the Trustee. Before the first day of the third month following the making of such audit, reports of such audits shall be filed with the Trustee and the Authority, and copies of such reports shall be mailed to the Consulting Engineers. Such audit reports shall set forth in respect of the preceding fiscal year the same matters as are hereinabove required for the monthly reports.

**Additional reports or audits.**

The Authority further covenants that it will cause any additional reports or audits relating to the System to be made as required by law or by any applicable rules or regulations of any governmental authority or of any securities exchange on which the bonds may be listed or traded, and that as often as may be requested it will furnish to the Trustee such other information concerning the System or the operation thereof as the Trustee may reasonably request. The cost of such audits shall be treated as a part of the cost of operation of the System.

**Covenant as to additional 1947 Indenture Bonds.**

SECTION 711. The Authority covenants that so long as any bonds shall be outstanding under the provisions of this Agreement it will not issue additional 1947 Indenture Bonds which mature after July 1, 2007 and except as follows :

SECTION 712. (a) The Authority covenants that so long as any bonds shall be outstanding under the provisions of this Agreement and except as in this Agreement otherwise permitted, it will not sell, lease or otherwise dispose of or encumber the System or any part thereof and will not create or permit to be created any charge or lien on the Revenues ranking equally with or prior to the charge or lien on the Revenues of the bonds issued under and secured by this Agreement; provided that in conjunction with the issuance of bonds, the Authority may secure its obligations to the provider of a credit or liquidity facility securing said bonds on a parity with the Authority's bonds under this Agreement. The Authority may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments, or other movable property acquired by it in connection with the System, or any materials used in connection therewith, if the Authority shall determine that such articles are no longer needed or are no longer useful in connection with the construction or operation and maintenance of the System, and the proceeds thereof shall be applied to the replacement of the properties so sold or disposed of or shall be deposited (i) until the 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture, to the credit of the Renewal and Replacement Fund, and (ii) after the 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture, to the credit of the Redemption Account in the Sinking Fund or the Construction Fund, at the option of the Authority.

(b) Notwithstanding the provisions of paragraph (a) of this Section, the Authority may from time to time sell or lease such other property forming part of the System as is not needed or serves no useful purpose in connection with the maintenance and operation of the System, and the proceeds of any such sale of property which is declared by resolution of the Board to be unnecessary for the System shall be deposited, so long as any 1947 Indenture Bonds are outstanding, to the credit of the Renewal and Replacement Fund or to the credit of the 1947 Reserve Account, as may be provided by such resolution, and, after the 1947 Indenture Bonds shall have been paid or provision has been made for their payment and the release of the 1947 Indenture, to the credit of the Redemption Account in the Sinking Fund or the Construction Fund, as may be provided by such resolution. Until the 1947 Indenture Bonds have been paid or provision has been made for their payment and the release of the 1947 Indenture, the rentals under any such lease shall be deposited to the credit of the 1947 Revenue Fund, and thereafter

such rentals shall be deposited to the credit of the Revenue Fund.

(1) there shall be filed with the Trustee prior to such abandonment, sale or lease a certificate, signed by the Executive Director and approved by the Consulting Engineers, stating

(2) the amount held by the Trustee to the credit of the Reserve Account in the Sinking Fund is the maximum amount required under the provisions of Section 507 of this Agreement.

The proceeds of the sale of any property forming part of the System under the provisions of paragraph (c) of this Section shall either be deposited by the Authority to the credit of the Redemption Account in the Sinking Fund or the Construction Fund, at the option of the Authority, or shall be applied to the replacement of the property so sold, and any property acquired as such replacement shall become a part of the System subject to the provisions of this Agreement. The rentals under any such lease shall be deposited to the credit

of the Revenue Fund.

For purposes of paragraphs (b) and (c) of this Section, references to sales or leases shall include also other transfers of property and for purposes of paragraph (c) of this Section the transferee may be considered in lieu of the Authority or in addition to the Authority if the transferee agrees to assume the Authority's obligations under this Agreement and the Authority delivers to the Trustee an opinion of counsel to the Authority to the effect that the transferee's undertaking to assume the Authority's obligations hereunder is legally valid and binding with the same effect as though the transferee were the Authority. If the transferee is a public corporation or other governmental entity, such transfer shall be permitted notwithstanding the Authority's failure to demonstrate the necessary coverage requirement in paragraph (c) above; provided that the Authority delivers a certificate of its Consulting Engineers to the Trustee demonstrating that the coverage ratio shown in the above certificate is not reduced due to such transfer.

(d) Notwithstanding the provisions of paragraph (a) of this Section, except as may conflict with the provisions of the 1947 Indenture until the 1947 Indenture Bonds have been paid or provisions have been made for their payment and the release of the 1947 Indenture, the Authority may lease portions of the System, or grant licenses, easements and other rights or make contracts or other arrangements for operation or use of portions of the System, if there shall be delivered to the Trustee the following:

(i) a report of the Consulting Engineers determining that (A) the proposed lessee or other contracting party is a financially responsible entity with substantial experience in the operation and management of utilities of the type and size of the System, and (B) the available revenues projected to be derived from the portion of the System subject to the lease, contract, license, easement or other arrangement following the date on which such lease, contract, license, easement or other arrangement is to be effective are forecasted to be sufficient to pay the Authority the rent or other payments provided by such lease, contract, license, easement or other arrangement and to make all necessary repairs, improvements and replacements to said portion of the System in the condition it was

prior to such lease, contract, license, easement or other arrangement; and

(ii) a certificate of the Consulting Engineers to the effect that the lease, contract, license, easement or other arrangement provides (A) for rent or other payments sufficient, with other Net Revenues projected to be derived from the System to make all payments of the Principal and Interest Requirements for all Bonds which will remain Outstanding following the execution and delivery of the lease, contract, license, easement or other arrangement, (B) operational covenants binding on the lessee or other contracting party similar to those covenants contained in this Agreement and (C) to the extent permitted by law in the case of a lease, for immediate termination of the lease of such lessee without resort to legal process in the event of a default under the lease; and

(iii) an opinion of counsel of recognized standing in the field of law relating to municipal bonds to the effect that the proposed transaction would not adversely affect the federal income tax status of any Bonds.

The rentals and other payments under any such lease, contract, license, easement or other arrangement shall be included in the definition of Revenues and shall be deposited to the credit of the Revenue Fund.

Section 713. With respect to Build America Bonds, the Authority hereby covenants to file, or cause to be filed, a Form 8038-CP with the Internal Revenue Service not less than 45 days and not more than 90 days prior to the date interest on the Build America Bonds shall be payable, as provided in Notice 2010-26 issued by the Internal Revenue Service, so long as filing such form is a condition to receipt of the Federal Subsidy prior to the date such interest shall be payable. In the event that the Internal Revenue Service shall amend or revise the guidance provided in Notice 2010-26, the Authority agrees that it shall take all such actions as are necessary to ensure receipt of the Federal Subsidy. With respect to Other Subsidy Bonds, the Authority hereby covenants it shall take all such actions as are necessary to ensure receipt of the Federal Subsidy related to such series of bonds as shall be set forth in the resolution relating to such

Other Subsidy Bonds. The only effect of any failure to comply with this Section 713 shall be that the Federal Subsidy to which such failure relates shall no longer be excluded from the calculation of Principal and interest Requirements.

ARTICLE VIII.  
REMEDIES.

**Extended coupons.**

SECTION 801. In case the time for the payment of any coupon or the interest on any registered bond without coupons shall be extended, whether or not such extension be by or with the consent of the Authority, such coupon or such interest so extended shall not be entitled in case of default hereunder to the benefit or security of this Agreement except subject to the prior payment in full of the principal of all bonds then outstanding and of all coupons and interest the time for the payment of which shall not have been extended.

**Events of default.**

SECTION 802. Each of the following events is hereby declared an “event of default”, that is to say: If

(a) payment of the principal and of the redemption premium, if any, of any of the bonds shall not be made when the same shall become due and payable, either at maturity or by proceedings for redemption or otherwise; or

(b) payment of any installment of interest on any of the bonds shall not be made when the same shall become due and payable; or

(c) the Authority shall for any reason be rendered incapable of fulfilling its obligations hereunder; or

(d) any part of the System necessary for its effective operation shall be destroyed or damaged and shall not be properly repaired, replaced or reconstructed; or

(e) final judgment for the payment of money shall be rendered against the Authority as a result of the ownership, control or operation of the System and any such judgment shall not be discharged within sixty (60) days from the entry thereof or an appeal shall not be taken therefrom or from the order, decree or process upon which or pursuant to which such judgment shall have been granted or entered, in such manner as to stay the execution of or levy under such judgment, order, decree or process or the enforcement thereof; or

(f) an order or decree shall be entered, with the consent or acquiescence of the Authority, for the purpose of effecting

composition between the Authority and its creditors or for the purpose of adjusting the claims of such creditors pursuant to any federal or Commonwealth statute now or hereafter enacted, if the claims of such creditors are under any circumstances payable from the Revenues; or

(g) any proceeding shall be instituted, with the consent or acquiescence of the Authority, for the purpose of effecting a composition between the Authority and its creditors or for the purpose of adjusting the claims of such creditors pursuant to any federal or Commonwealth statute now or hereafter enacted, if the claims of such creditors are under any circumstances payable from the Revenues; or

(h) the Authority shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the bonds or in this Agreement on the part of the Authority to be performed, including meeting any Amortization Requirement, and such default shall continue for thirty (30) days after written notice specifying such default and requiring same to be remedied shall have been given to the Authority by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the holders of not less than ten per centum (10%) in aggregate principal amount of the bonds then outstanding; or

(i) an event of default within the meaning of that term in Section 802 of the 1947 Indenture shall occur.

(j) notice has been received by the Trustee and the Authority, from the bank or other financial or lending institution providing a credit or liquidity facility or other entity insuring, guaranteeing or providing for payments of principal or interest in respect of any bonds that an event of default has occurred under the agreement underlying said facility, or a failure by said bank or other financial or lending institution or other entity to make said facility available or to reinstate the interest component of said facility, in accordance with the terms of said facility, to the extent said notice or failure is established as an event of default under the terms of the resolution authorizing the issuance of said bonds.

**Acceleration of maturities.**

SECTION 803. Upon the happening and continuance of any event of default specified in Section 802 of this Article, then and in every such case the Trustee may, and upon the written request of the holders of not less than twenty per centum (20%) in aggregate principal amount of the bonds then outstanding shall, by a notice in writing to the Authority, declare the principal of all of the bonds then

outstanding (if not then due and payable) to be due and payable immediately, and upon such declaration the same shall become and be immediately due and payable, anything contained in the bonds or in this Agreement to the contrary notwithstanding; provided, however, that if at any time after the principal of the bonds shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under this Agreement, moneys shall have accumulated in the Sinking Fund sufficient to pay the principal of all matured bonds and all arrears of interest, if any, upon all the bonds then outstanding (except the principal of any bonds not then due and payable by their terms and the interest accrued on such bonds since the last interest payment date), and the charges, compensation, expenses, disbursements, advances and liabilities of the Trustee and all other amounts then payable by the Authority hereunder shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee, and every other default known to the Trustee in the observance or performance of any covenant, condition, agreement or provision contained in the bonds or in this Agreement (other than a default in the payment of the principal of such bonds then due and payable only because of a declaration under this Section) shall have been remedied to the satisfaction of the Trustee, then and in every such case the Trustee may, and upon the written request of the holders of not less than twenty per centum (20%) in aggregate principal amount of the bonds not then due and payable by their terms and then outstanding shall, by written notice to the Authority, rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

**Enforcement of remedies.**

SECTION 804. Upon the happening and continuance of any event of default specified in Section 802 of this Article, then and in every such case the Trustee may proceed, and upon the written request of the holders of not less than ten per centum (10%) in aggregate principal amount of the bonds then outstanding hereunder shall proceed, subject to the provisions of Section 902 of this Agreement, to protect and enforce its rights and the rights of the bondholders under applicable laws or under this Agreement by such suits, actions or special proceedings in equity or at law, or by proceedings in the office of any board or officer having jurisdiction, either for the appointment of a receiver as authorized by the Authority Act or for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein granted or for the enforcement of any proper legal or equitable remedy, as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights; provided, however, that the Trustee

shall not be required to proceed for the appointment of a receiver of the System unless it shall receive the written request of the holders of not less than twenty-five centum (25%) in principal amount of the bonds then outstanding under the provisions of this Agreement.

In the enforcement of any remedy under this Agreement the Trustee shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any default becoming, and at any time remaining, due from the Authority for principal, interest or otherwise under any of the provisions of this Agreement or of the bonds and unpaid, with interest on overdue payments of principal at the rate or rates of interest specified in such bonds, together with any and all costs and expenses of collection and of all proceedings hereunder and under such bonds, without prejudice to any other right or remedy of the Trustee or of the bondholders, and to recover and enforce any judgment or decree against the Authority, but solely as provided herein and in such bonds, for any portion of such amounts remaining unpaid and interest, costs and expenses as above provided, and to collect (but solely from moneys in the Sinking Fund and any other moneys available for such purpose) in any manner provided by law, the moneys adjudged or decreed to be payable.

**Pro rata application  
of funds.**

SECTION 805. Anything in this Agreement to the contrary notwithstanding, if at any time the moneys in the Sinking Fund shall not be sufficient to pay the interest on or the principal of the bonds as the same shall become due and payable (either by their terms or by acceleration of maturities under the provisions of Section 803 of this Article), such moneys, together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall be applied as follows :

(a) If the principal of all the bonds shall not have become or shall not have been declared due and payable, all such moneys shall be applied

*first:* to the payment to the persons entitled thereto of all installments of interest then due and payable in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment, ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the bonds;

*second:* to the payment to the persons entitled thereto of the unpaid principal of any of the bonds which shall have become due

and payable (other than bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Agreement) in the order of their due dates, with interest on the principal amount of such bonds at the respective rates specified therein from the respective dates upon which such bonds became due and payable, and, if the amount available shall not be sufficient to pay in full the principal of the bonds due and payable on any particular date, together with such interest, then to the payment first of such interest, ratably, according to the amount of such interest due on such date, and then to the payment of such principal, ratably, according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the bonds; and

*third:* to the payment of the interest on and the principal of the bonds, to the purchase and retirement of bonds and to the redemption of bonds, all in accordance with the provisions of Article V of this Agreement.

(b) If the principal of all the bonds shall have become or shall have been declared due and payable, all such moneys shall be applied

*first:* to the payment to the persons entitled thereto of all installments of interest due and payable on or prior to maturity, if any, in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment, ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the bonds, and then to the payment of any interest due and payable after maturity on the bonds, ratably, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the bonds ; and

*second:* to the payment of the principal of the bonds, ratably, to the persons entitled thereto, without preference or priority of any bond over any other bond.

(c) If the principal of all the bonds shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled under the provisions of Section 803 of this Article, then, subject to the provisions of paragraph (b) of this Section in the event that the principal of all the bonds shall later become due and payable or be declared due and payable, the moneys

remaining in and thereafter accruing to the Sinking Fund shall be applied in accordance with the provisions of paragraph (a) of this Section.

The provisions of paragraphs (a), (b) and (c) of this Section are in all respects subject to the provisions of Section 801 of this Article.

Whenever moneys are to be applied by the Trustee pursuant to the provisions of this Section, such moneys shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future; the deposit of such moneys with the Paying Agents, or otherwise setting aside such moneys, in trust for the proper purpose shall constitute proper application by the Trustee; and the Trustee shall incur no liability whatsoever to the Authority, to any bondholder or to any other person for any delay in applying any such moneys, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this Agreement as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such moneys, it shall fix the date (which shall be an interest payment date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date, and shall not be required to make payment to the holder of any unpaid coupon or any bond until such coupon or such bond and all unmatured coupons, if any, appertaining to such bond shall be surrendered to the Trustee for appropriate endorsement, or for cancellation if fully paid.

**Effect of  
discontinuance of  
proceedings.**

SECTION 806. In case any proceeding taken by the Trustee or bondholders on account of any default shall have been discontinued or abandoned for any reason, then and in every such case the Authority, the Trustee and the bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken.

**Majority of  
bondholders may  
control proceedings.**

SECTION 807. Anything in this Agreement to the contrary notwithstanding, the holders of a majority in principal amount of the bonds then outstanding hereunder shall have the right, subject to the provisions of Section 902 of this Agreement, by an instrument or concurrent instruments in writing executed and delivered to the

Trustee, to direct the method and place of conducting all remedial proceedings to be taken by the Trustee hereunder, provided that such direction shall not be otherwise than in accordance with law or the provisions of this Agreement.

**Restrictions upon  
action by individual  
bondholder.**

SECTION 808. No holder of any of the bonds shall have any right to institute any suit, action or proceeding in equity or at law on any bond or for the execution of any trust hereunder or for any other remedy hereunder unless such holder previously shall have given to the Trustee written notice of the event of default on account of which such suit, action or proceeding is to be instituted, and unless also the holders of not less than ten per centum (10%) in aggregate principal amount of the bonds then outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers hereinabove granted or to institute such action, suit or proceeding in its or their name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time; and such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts of this Agreement or to any other remedy hereunder; provided, however, that notwithstanding the foregoing provisions of this Section and without complying therewith, the holders of not less than twenty per centum (20%) in aggregate principal amount of the bonds then outstanding may institute any such suit, action or proceeding in their own names for the benefit of all holders of bonds hereunder. It is understood and intended that, except as otherwise above provided, no one or more holders of the bonds hereby secured shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Agreement, or to enforce any right hereunder except in the manner herein provided, that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the benefit of all holders of such outstanding bonds and coupons, and that any individual right of action or other right given to one or more of such holders by law is restricted by this Agreement to the rights and remedies herein provided.

**Actions by Trustee.**

SECTION 809. All rights of action under this Agreement or under any of the bonds secured hereby, enforceable by the Trustee, may be enforced by it without the possession of any of the bonds or the coupons appertaining thereto or the production thereof at the trial or other proceeding relative thereto, and any such suit, action or

proceeding instituted by the Trustee shall be brought in its name for the benefit of all of the holders of such bonds and coupons, subject to the provisions of this Agreement.

**No remedy exclusive.**

SECTION 810. No remedy herein conferred upon or reserved to the Trustee or to the holders of the bonds is intended to be exclusive of any other remedy or remedies herein provided, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder.

**No delay or omission construed to be a waiver.**

SECTION 811. No delay or omission of the Trustee or of any holder of the bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Agreement to the Trustee and to the holders of the bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

**Repeated exercise of powers and remedies.**

**Waiver of default.**

The Trustee may, and upon written request of the holders of not less than a majority in principal amount of the bonds then outstanding shall, waive any default which in its opinion shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions of this Agreement or before the completion of the enforcement of any other remedy under this Agreement, but no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

**Notice of default.**

SECTION 812. The Trustee shall mail to all registered owners of bonds at their addresses as they appear on the registration books and to all bondholders of record, written notice of the occurrence of any event of default set forth in Section 802 of this Article within thirty (30) days after the Trustee shall have notice, pursuant to the provisions of Section 908 of this Agreement, that any such event of default shall have occurred. The Trustee shall not, however, be subject to any liability to any bondholder by reason of its failure to mail any such notice.

ARTICLE IX.  
CONCERNING THE TRUSTEE.

**Acceptance of trusts.**

The Trustee shall have no responsibility in respect of the validity, sufficiency, due execution or acknowledgment by the Authority of this Agreement, or, except as to the authentication thereof, in respect of the validity of the bonds or of the coupons or the due execution or issuance thereof. The Trustee shall be under no obligation to see that any duties herein imposed upon the Authority, the Consulting Engineers, the Independent Consultant, the Paying Agents, any Depositary, or any party other than itself, or any covenants herein contained on the part of any party other than itself to be performed, shall be done or performed, and the Trustee shall be under no obligation for failure to see that any such duties or covenants are so done or performed.

Except as otherwise provided in this Agreement, any request, notice, certificate or other instrument from the Authority to the Trustee shall be deemed to have been signed by the proper party or parties if signed by the Executive Director or by any officer or employee of the Authority who shall be designated by the Authority by resolution for that purpose, and the Trustee may accept and rely upon a certificate signed by the Executive Director as to any action taken by the Authority.

**Notice of default.**

Agreement; and no implied covenant shall be read into this Agreement against the Trustee in respect of such matters.

**Trustee not responsible for recitals.**

SECTION 910. The recitals, statements and representations contained herein and in the bonds (excluding the Trustee's certificate of authentication on the bonds) shall be taken and construed as made by and on the part of the Authority and not by the Trustee, and the Trustee assumes and shall be under no responsibility for the correctness of the same.

**Removal of Trustee.**

SECTION 913. The Trustee may be removed at any time by an instrument or concurrent instruments in writing executed by the holders of not less than a majority in principal amount of the bonds hereby secured and then outstanding and filed with the Authority. A facsimile copy of each such instrument shall be delivered promptly by the Authority to the Trustee. The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any

provision of this Agreement with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Authority pursuant to resolution or the holders of not less than ten per centum (10%) in aggregate principal amount of the bonds then outstanding under this Agreement.

**Appointment of  
successor Trustee.**

SECTION 914. If at any time hereafter the Trustee shall resign, be removed, be dissolved or otherwise become incapable of acting, or the bank or trust company acting as Trustee shall be taken over by any governmental official, agency, department or board, the position of Trustee shall thereupon become vacant. If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason, the Authority shall appoint a Trustee to fill such vacancy. At any time within one year after any such vacancy shall have occurred, the holders of a majority in principal amount of the bonds hereby secured and then outstanding, by an instrument or concurrent instruments in writing, executed by such bondholders and filed with the Authority, may appoint a successor Trustee, which shall supersede any Trustee theretofore appointed by the Authority. Facsimile copies of each such instrument shall be delivered promptly by the Authority to the predecessor Trustee and to the Trustee so appointed by the bondholders.

If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within ten (10) days after the vacancy shall have occurred, the holder of any bond outstanding hereunder or any retiring Trustee may apply to any court of competent jurisdiction within the Commonwealth of Puerto Rico or the State of New York to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

Any Trustee hereafter appointed shall be a bank or trust company having its principal office in the Borough of Manhattan, City and State of New York, duly authorized to exercise corporate trust powers and subject to examination by federal or state authority, of good standing, and having at the time of its appointment a combined capital and surplus aggregating not less than Fifty Million Dollars (\$50,000,000) (or whose obligations hereunder are guaranteed by a bank or trust company duly authorized to exercise

corporate trust powers and subject to examination by federal or state authority, of good standing, and having at the time of the appointment of such Trustee, a combined capital and surplus of at least such amount).

**Vesting of trusts in  
successor Trustee.**

SECTION 915. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor, and also to the Authority, an instrument in writing accepting such appointment hereunder, and thereupon such successor Trustee, without any further act, shall become fully vested with all the rights, immunities, powers and trusts, and subject to all the duties and obligations, of its predecessor; but such predecessor shall, nevertheless, on the written request of its successor or of the Authority, and upon payment of the expenses, charges and other disbursements of such predecessor which are payable pursuant to the provisions of Section 905 of this Article, execute and deliver an instrument transferring to such successor Trustee all the rights, immunities, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all property and moneys held by it hereunder to its successor. Should any instrument in writing from the Authority be required by any successor Trustee for more fully and certainly vesting in such Trustee the rights, immunities, powers and trusts hereby vested or intended to be vested in the predecessor Trustee, any such instrument in writing shall and will, on request, be executed, acknowledged and delivered by the Authority.

Notwithstanding any of the foregoing provisions of this Article, any bank or trust company having power to perform the duties and execute the trusts of this Agreement and otherwise qualified to act as Trustee hereunder with or into which the bank or trust company acting as Trustee may be merged, converted or consolidated, or to which the assets and business of such bank or trust company may be sold, shall be deemed the successor of the Trustee.

**ARTICLE X.**

**EXECUTION OF INSTRUMENTS BY BONDHOLDERS AND PROOF OF  
OWNERSHIP OF BONDS.**

**Execution of  
instruments by  
bondholders.**

SECTION 1001. Any request, direction, consent or other instrument in writing required or permitted by this Agreement to be signed or executed by bondholders may be in any number of concurrent instruments of similar tenor and may be signed or executed by such bondholders or their attorneys or legal representatives. Proof of the execution of any such instrument and of the ownership of bonds shall be sufficient for any purpose of this Agreement and shall be conclusive in favor of the Trustee with regard

to any action taken by it under such instrument if made in the following manner:

**Proof of execution.**

(a) The fact and date of the execution by any person of any such instrument may be proved by the verification of any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution. Where such execution is on behalf of a person other than an individual such verification or affidavit shall also constitute sufficient proof of the authority of the signer thereof.

**Proof of holding of bonds.**

(b) The fact of the holding of coupon bonds hereunder by any bondholder and the amount and the numbers of such bonds and the date of his holding the same may be proved by the affidavit of the person claiming to be such holder, if such affidavit shall be deemed by the Trustee to be satisfactory, or by a certificate executed by any trust company, bank, banker or any other depositary, wherever situated, if such certificate shall be deemed by the Trustee to be satisfactory, showing that at the date therein mentioned such person had on deposit with or exhibited to such trust company, bank, banker or other depositary the bonds described in such certificate. The Trustee may conclusively assume that such ownership continues until written notice to the contrary is served upon it. The ownership of registered bonds without coupons shall be proved by the registration books kept under the provisions of Section 206 of this Agreement.

**Other proof.**

But nothing contained in this Article shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which it may deem sufficient. Any request or consent of the holder of any bond shall bind every future holder of the same bond in respect of anything done by the Trustee in pursuance of such request or consent.

**Bondholders' actions bind future holders.**

Notwithstanding any of the foregoing provisions of this Section, the Trustee shall not be required to recognize any person as a holder of any bond or coupon or to take any action at his request unless such bond or coupon shall be deposited with it.

**ARTICLE XI.**

**SUPPLEMENTAL AGREEMENTS.**

**Supplemental agreements by Authority and Trustee.**

SECTION 1101. The Authority and the Trustee may, from time to time, enter into such agreements supplemental hereto as shall not be inconsistent with the terms and provisions hereof (which supplemental agreements shall thereafter form a part hereof)

(a) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Agreement which shall not be inconsistent with the provisions of this Agreement, provided such action shall not adversely affect the interest of the bondholders, or

(b) to grant to or confer upon the Trustee for the benefit of the bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the bondholders or the Trustee, or

(c) to add to the conditions, limitations and restrictions on the issuance of bonds under the provisions of this Agreement other conditions, limitations and restrictions thereafter to be observed, or

(d) to add to the covenants and agreements of the Authority in this Agreement other covenants and agreements thereafter to be observed by the Authority or to surrender any right or power herein reserved to or conferred upon the Authority.

**Notice of  
supplemental  
agreement.**

At least thirty (30) days prior to the execution of any supplemental agreement for any of the purposes of this Section, the Trustee shall cause a notice of the proposed execution of such supplemental agreement to be mailed, postage prepaid, to all registered owners of bonds at their addresses as they appear on the registration books and to all bondholders of record. Such notice shall briefly set forth the nature of the proposed supplemental agreement and shall state that copies thereof are on file at the principal office of the Trustee for inspection by all bondholders. A failure on the part of the Trustee to mail the notice required by this Section shall not affect the validity of such supplemental agreement.

**Modification of  
Agreement with  
consent of 60% of  
bondholders.**

SECTION 1102. Subject to the terms and provisions contained in this Section, and not otherwise, the holders of not less than sixty per centum (60%) in aggregate principal amount of the bonds then outstanding shall have the right, from time to time, anything contained in this Agreement to the contrary notwithstanding, to consent to and approve the execution by the Authority and the Trustee of such agreement or agreements supplemental hereto as shall be deemed necessary or desirable by the Authority for the purpose of modifying, altering, amending, adding to, repealing or rescinding, in any particular, any of the terms or provisions contained in this Agreement or in any supplemental agreement; provided, however, that nothing herein contained shall permit, or be construed as permitting, (a) an extension of the maturity of the principal of or the interest on any bond issued hereunder, or (b) a reduction in the

principal amount of any bond or the redemption premium or the rate of interest thereon, or (c) the creation of a lien upon or a pledge of the Revenues other than any lien and pledge created by or permitted by this Agreement, or (d) a preference or priority of any bond or bonds over any other bond or bonds, or (e) a reduction in the aggregate principal amount of the bonds required for consent to such supplemental agreement. Nothing herein contained, however, shall be construed as making necessary the approval by bondholders of the execution of any supplemental agreement as authorized in Section 1101 of this Article.

**Notice of  
supplemental  
agreement.**

If at any time the Authority shall request the Trustee to enter into any supplemental agreement for any of the purposes of this Section, the Trustee shall, at the expense of the Authority, cause notice of the proposed execution of such supplemental agreement to be published once in each week for four (4) successive weeks in a daily newspaper of general circulation published in the Municipality of San Juan, Puerto Rico, and in a daily newspaper of general circulation or a financial journal published in the Borough of Manhattan, City and State of New York, and, on or before the date of the first publication of such notice, the Trustee shall also cause a similar notice to be mailed, postage prepaid, to all registered owners of bonds at their addresses as they appear on the registration books and all bondholders of record. Such notice shall briefly set forth the nature of the proposed supplemental agreement and shall state that copies thereof are on file at the principal office of the Trustee for inspection by all bondholders. The Trustee shall not, however, be subject to any liability to any bondholder by reason of its failure to mail the notice required by this Section, and any such failure shall not affect the validity of such supplemental agreement when consented to and approved as provided in this Section.

Whenever, at any time within one year after the date of the first publication of such notice, the Authority shall deliver to the Trustee an instrument or instruments in writing purporting to be executed by the holders of not less than sixty per centum (60%) in aggregate principal amount of the bonds then outstanding, which instrument or instruments shall refer to the proposed supplemental agreement described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Trustee may execute such supplemental agreement in substantially such form, without liability or responsibility to any holder of any bond, whether or not such holder shall have consented thereto.

**Consent of holders of**

aggregate principal amount of the bonds outstanding at the time of the execution of such supplemental agreement shall have consented to and approved the execution thereof as herein provided, no holder of any bond shall have any right to object to the execution of such supplemental agreement, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Authority from executing the same or from taking any action pursuant to the provisions thereof.

Upon the execution of any supplemental agreement pursuant to the provisions of this Section, this Agreement shall be and be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Agreement of the Authority, the Trustee and all holders of bonds then outstanding shall thereafter be determined, exercised and enforced in all respects under the provisions of this Agreement as so modified and amended.

**Trustee joining in supplemental agreement.**

**Supplemental agreements part of this Agreement.**

SECTION 1103. The Trustee is authorized to join with the Authority in the execution of any such supplemental agreement and to make the further agreements and stipulations which may be contained therein. Any supplemental agreement executed in accordance with the provisions of this Article shall thereafter form a part of this Agreement, and all of the terms and conditions contained in any such supplemental agreement as to any provision authorized to be contained therein shall be and shall be deemed to be part of the terms and conditions of this Agreement for any and all purposes. In case of the execution and delivery of any supplemental agreement, express reference may be made thereto in the text of any bonds issued thereafter, if deemed necessary or desirable by the Trustee.

**Responsibilities of Trustee under this Article.**

SECTION 1104. In each and every case provided for in this Article, the Trustee shall be entitled to exercise its discretion in determining whether or not any proposed supplemental agreement, or any term or provision therein contained, is desirable, having in view the purposes of such instrument, the needs of the Authority, the rights and interests of the bondholders, and the rights, obligations and interests of the Trustee, and the Trustee shall not be under any responsibility or liability to the Authority or to any bondholder or to anyone whomsoever for its refusal in good faith to enter into any such supplemental agreement if such agreement is deemed by it to be contrary to the provisions of this Article. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, the opinion of any counsel approved by it, who may be counsel for the Authority, as evidence that any such proposed supplemental agreement does or does not comply with the provisions of this Agreement, and that it is or is not proper for it, under the provisions of this Article, to join in

the execution of such supplemental agreement.

ARTICLE XII.  
DEFEASANCE.

**Release of Agreement.**

SECTION 1201. If, when the bonds secured hereby shall have become due and payable in accordance with their terms or otherwise as provided in this Agreement or shall have been duly called for redemption or irrevocable instructions to call the bonds for redemption or payment shall have been given by the Authority to the Trustee, the whole amount of the principal and the interest and the premium, if any, so due and payable upon all of the bonds and coupons then outstanding shall be paid or sufficient moneys, or Government Obligations or Prerefunded Municipals or Time Deposits, secured in the manner set forth in Section 601 of this Agreement, the principal of and the interest on which when due will provide sufficient moneys, shall be held by the Trustee or the Paying Agents for such purpose under the provisions of this Agreement, and provision shall also be made for paying all other sums payable hereunder by the Authority, then and in that case the right, title and interest of the Trustee hereunder shall thereupon cease, determine and become void, and the Trustee in such case, on demand of the Authority, shall release this Agreement and shall execute such documents to evidence such release as may be reasonably required by the Authority, and shall turn over to the Authority or to such officer, board or body as may then be entitled by law to receive the same any surplus in any account in the Sinking Fund and all balances remaining in any other funds or accounts other than moneys held for the redemption or payment of bonds or coupons; otherwise this Agreement shall be, continue and remain in full force and effect; provided, however, that in the event Government Obligations or Prerefunded Municipals or Time Deposits, secured in the manner set forth in Section 601 of this Agreement, shall be held by the Trustee as hereinabove provided, (i) in addition to the requirements set forth in Article III of this Agreement, the Trustee shall within thirty (30) days after such obligations shall have been deposited with it cause a notice signed by the Trustee to be published once in a daily newspaper of general circulation published in the Municipality of San Juan, Puerto Rico, and in a daily newspaper of general circulation or a financial journal published in the Borough of Manhattan, City and State of New York, setting forth (a) the date designated for the redemption of the bonds, (b) a description of the Government Obligations or Prerefunded Municipals or Time Deposits so held by it and (c) that this Agreement has been released in accordance with the provisions of this Section, and (ii) the Trustee shall nevertheless retain such rights, powers and privileges under this Agreement, as may be necessary and convenient in respect of the bonds for the

payment of the principal, interest and any premium for which such Government Obligations or Prerefunded Municipals have been deposited or such Time Deposits have been made.

For purposes of determining whether Variable Rate Bonds shall be deemed to have been paid prior to the maturity or redemption date thereof, as the case may be, the interest to come due on such Variable Rate Bonds on or prior to the maturity date or redemption date thereof, as the case may be, shall be calculated at the maximum rate permitted by the terms thereof.

Put Bonds and Extendible Maturity Bonds shall be deemed to have been paid only if there shall have been deposited with the Trustee moneys, Government Obligations, Prerefunded Municipals Time Deposits, secured in the manner set forth in Section 601 of this Agreement, as applicable, in an amount which shall be sufficient to pay when due the maximum amount of principal of and premium, if any, and interest on such bonds which would become payable to the holders of such bonds upon the exercise of any options or extensions of maturity; provided, however, that, if at the time a deposit is made with the Trustee, such options or extensions are no longer exercisable, such bond shall not be considered a Put Bond or an Extendible Maturity Bond for purposes of this Section.

### ARTICLE XIII.

#### MISCELLANEOUS PROVISIONS.

#### **Successorship of Authority.**

SECTION 1301. All covenants, stipulations, obligations and agreements of the Authority contained in this Agreement shall be deemed to be covenants, stipulations, obligations and agreements of the Authority to the full extent authorized or permitted by the laws of the Commonwealth of Puerto Rico, and all such covenants, stipulations, obligations and agreements shall be binding upon the successor or successors thereof from time to time and upon any officer, board, body or commission to whom or to which any power or duty affecting such covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law.

No covenant, stipulation, obligation or agreement herein contained shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member, agent or employee of the Authority in his individual capacity, and neither the members of the Authority or of any other agency of the Commonwealth of Puerto Rico nor any officer thereof or of the Authority, present or future, executing the bonds shall be liable personally on the bonds or be subject to any personal liability or responsibility by reason of the

issuance thereof.

The laws of the Commonwealth of Puerto Rico shall govern the construction of this Agreement, except that the rights, limitations of rights, immunities, duties and obligations of the Trustee shall be governed by the laws of the State of New York.

**Manner of giving notice, etc.**

SECTION 1302. Any notice, demand, direction, request or other instrument authorized or required by this Agreement to be given to or filed with the Authority or the Trustee shall be deemed to have been sufficiently given or filed for all purposes of this Agreement if and when sent by first class mail:

**Successorship of Paying Agents.**

SECTION 1303. Any bank or trust company with or into which any Paying Agent may be merged, converted or consolidated, or to which the assets and business of such Paying Agent may be sold, shall be deemed the successor of such Paying Agent for the purposes of this Agreement. If the position of any Paying Agent shall become vacant for any reason, the Authority shall, within thirty (30) days thereafter, appoint a bank or trust company located in the same city as Paying Agent to fill such vacancy; provided, however, that if the Authority shall fail to appoint such Paying Agent within such period, the Trustee shall make such appointment.

**Parties and bondholders alone have rights under Agreement.**

SECTION 1304. Except as herein otherwise expressly provided, nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person, firm or corporation other than the parties hereto and the holders of the bonds issued under the provisions of this Agreement any right, remedy or claim, legal or equitable, under or by reason of this Agreement or any provisions hereof, this Agreement and all its provisions being intended to be and being for the sole and exclusive benefit of the parties hereto and the holders from time to time of the bonds issued hereunder.

SECTION 1305. In case any one or more of the provisions of this Agreement or of the bonds or coupons issued hereunder shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provision of this Agreement or of the bonds or coupons, but this Agreement and the bonds and coupons shall be construed and enforced as if such illegal or invalid provision had not been contained therein. In case any covenant, stipulation, obligation

or agreement contained in the bonds or in this Agreement shall for any reason be held to be in violation of law, then such covenant, stipulation, obligation or agreement shall be deemed to be the covenant, stipulation, obligation or agreement of the Authority to the full extent permitted by law.

**Substitute

SECTION 1306. If, because of the temporary or permanent suspension of publication of any newspaper or financial journal or for any other reason, the Trustee or the Authority shall be unable to publish in a newspaper or financial journal any notice required to be published by the provisions of this Agreement, the Trustee or the Authority, as the case may be, shall give such notice in such other manner as in its judgment shall most effectively approximate such publication thereof, and the giving of such notice in such manner shall for all purposes of this Agreement be deemed to be compliance with the requirement for the publication thereof.

In case, by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity, it shall be impractical to mail notice of any event to registered owners of bonds or to bondholders of record when such notice is required to be given pursuant to any provision of this Agreement, any manner of giving notice as shall be satisfactory to the Trustee and the Authority shall be deemed to be a sufficient giving of such notice.

**Other funds not  
prohibited.**

SECTION 1307. Nothing in this Agreement expressed or implied shall be construed as preventing the Authority, if then authorized or permitted by law, from financing the acquisition or construction of any land, building, structure or other facility by the issuance of obligations which are not issued under or secured by the provisions of this Agreement or the 1947 Indenture or by entering into any financing agreement or agreements relating to any such facility pursuant to which the Authority has the right to the use, occupancy and possession of such facility and is required to make periodic payments in an aggregate amount substantially equal to the cost of such facility and reasonable financing charges, regardless of the disposition of title to such facility.
