

**GOVERNMENT OF PUERTO RICO
PUERTO RICO PUBLIC SERVICE REGULATORY BOARD
PUERTO RICO ENERGY BUREAU**

IN RE: PUERTO RICO ELECTRIC POWER
AUTHORITY RATE REVIEW

CASE NO.: NEPR-AP-2023-0003

SUBJECT: Clarification on February 9,
2026's Request for Extension Granted to
PREPA.

RESOLUTION AND ORDER

Yesterday, the Puerto Rico Energy Bureau of the Public Service Regulatory Board ("Energy Bureau") issued a Resolution and Order granting the extension requested by the Puerto Rico Electric Power Authority ("PREPA") for the filing of the Reply Briefs on Revenue Requirement, which were originally due on that same date. The Energy Bureau extended the deadline for the filing of those Reply Briefs to February 16, 2026. Likewise, the Energy Bureau postponed the filing deadline for the Initial Briefs on Rate Design to that same date. Following the issuance of the order, several informal inquiries emailed to the Hearing Examiner by the parties due to confusion regarding the scope of the postponement and, specifically, whether it applied to the briefs related to the Initial Briefs on Rate Design. Additional confusion arose because February 16 is a legal holiday, as well as regarding the applicable filing date for the Reply Briefs related to the Initial Briefs on Rate Design. These issues collectively gave rise to uncertainty as to the deadlines applicable to each category of briefs.

In light of the positions raised by the parties, the Energy Bureau clarified that **all parties** shall have until **February 17, 2026**, to file both the Reply Briefs on Revenue Requirement and the Initial Briefs on Rate Design. With respect to the Reply Briefs related to the Initial Briefs on Rate Design, which were previously scheduled to be filed on **February 24, 2026**, the Energy Bureau established that the new deadline for filing those briefs will be **March 3, 2026**.

Be it notified and published.
