

**GOVERNMENT OF PUERTO RICO  
PUBLIC SERVICE REGULATORY BOARD  
PUERTO RICO ENERGY BUREAU**

**IN RE:** PUERTO RICO ELECTRIC POWER  
AUTHORITY RATE REVIEW

**CASE NO.:** NEPR-AP-2023-0003

**SUBJECT:** Hearing Examiner's Order  
Requiring PREPA to Submit  
Limited Explanation of Its Proposed Revenue  
Requirement

**Hearing Examiner's Order Requiring PREPA to Submit  
Limited Explanation of Its Proposed Revenue Requirement**

PREPA has chosen not to file an initial brief on its annual revenue requirement. Though PREPA had no obligation to do so, its decision leaves the Energy Bureau without one of the essentials of an initial brief: a clear list of each element of the revenue requirement sought by PREPA—accompanied by, for each item on the list, citations to the record that provide support for the element. For LUMA and Genera, the Energy Bureau received those essentials from their initial briefs.

I therefore require PREPA to provide a list of those essentials. To maintain fairness to all parties, the document must contain no advocacy. It should contain only clear statements of all elements of, and supporting record references for, PREPA's final revenue requirement request as reflected in the systemwide revenue requirement submitted by LUMA on January 9, 2026 (LUMA Ex. 1106). The submission should merely state each element, the associated ARR amounts (for each of FY26, FY27, and FY28), and the references. The form of the submission can be either text or table. PREPA shall submit this document no later than **February 23, 2026**.

Be notified and published.
