PUBLIC SERVICE REGULATORY BOARD  
PUERTO RICO ENERGY BUREAU**

**IN RE:** REQUEST FOR CERTIFICATION  
SUNRUN, INC.

**CASE NO.:** NEPR-CT-2019-0002

**SUBJECT:** Resolution regarding *Motion to Request Confidential Treatment of Gross Revenue Report*, filed by Sunrun, Inc.

**RESOLUTION**

On March 2, 2026, Sunrun, Inc. filed before the Energy Bureau of the Puerto Rico Public Service Regulatory Board ("Energy Bureau") a document titled *Motion to Request Confidential Treatment of Gross Revenue Report*.

The Energy Bureau **TAKES NOTICE** of the filing of the Gross Revenue Report. However, the request for confidential treatment is **DENIED**, as the Gross Revenue Report (NEPRB05) is a public document. This report is used to determine the company's regulatory fee, which must be **transparent and available for public review**. Only supporting documents such as financial statements may qualify for confidentiality treatment when properly justified; the Gross Revenue Report itself does not meet the criteria for confidential designation. For reference, the yearly public resolution establishing the regulatory fee for all companies is issued under Docket *In re: Calculation of Regulatory Charge for Electric Service Companies*, NEPR-MI-2020-0007.

While confidentiality had previously been granted to gross revenue reports upon request, this information is now being disclosed in the interest of greater transparency.

Be it notified and published.
