PUERTO RICO PUBLIC SERVICE REGULATORY BOARD  
PUERTO RICO ENERGY BUREAU**

**NEPR**

**Received:**

**Apr 14, 2026**

**6:32 PM**

IN RE: PUERTO RICO ELECTRIC POWER  
AUTHORITY'S PERMANENT RATE

Case No.: NEPR-MI-2020-0001

Motion to Submit Monthly Report in  
Compliance with the Resolution and Order  
dated June 29, 2022.

**MOTION TO SUBMIT MONTHLY REPORT IN COMPLIANCE WITH RESOLUTION  
AND ORDER DATED JUNE 29, 2022**

**TO THE HONORABLE PUERTO RICO ENERGY BUREAU:**

**COMES NOW GENERA PR LLC** (“Genera”), as agent of the Puerto Rico Electric Power Authority (“PREPA”),<sup>1</sup> through its counsel of record, and respectfully states and requests the following:

1. On June 29, 2022, the Energy Bureau of the Puerto Rico Public Service Regulatory Board (“Energy Bureau”) issued a Resolution and Order titled *Determinación sobre los Factores de las Cláusulas de Ajuste Anual para el período de julio 2022 a junio 2023; Determinación sobre los Factores de las Cláusulas de Ajuste Trimestral para el período julio — septiembre 2022* (“June 29<sup>th</sup> Order”), whereby it ordered PREPA to, among other things, provide:

[E]n o antes del día 15 de cada mes, comenzando con el mes de julio de 2022, presentar ante el Negociado de Energía un informe detallado de los resultados de las acciones tomadas relacionadas a reclamaciones bajo el contrato entre la Autoridad y New Fortress<sup>2</sup> para el suministro de gas natural en las unidades San Juan 5 y 6. El informe debe incluir todas las instancias o incidentes en que la Autoridad ha tenido que utilizar diesel en lugar de gas natural desde el inicio

---

<sup>1</sup> Pursuant to the *Puerto Rico Thermal Generation Facilities Operation and Maintenance Agreement* (“LGA OMA”), dated January 24, 2023, executed by and among PREPA, Genera, and the Puerto Rico Public-Private Partnerships Authority (“P3A”), Genera is the sole operator and administrator of the Legacy Generation Assets (as defined in the LGA OMA) and the sole entity authorized to represent PREPA before PREB with respect to any matter related to the performance of any of the Operation & Maintenance (“O&M”) Services provided by Genera under the LGA OMA.

<sup>2</sup> The Fuel Sale and Purchase Agreement that Genera, as agent of PREPA, manages, has NFEnergía, LLC (“NFEnergía”) as the counterpart, not New Fortress Energy.

del contrato con New Fortress, la causa o causas de cada incidente, las acciones tomadas por New Fortress y/o la Autoridad para corregir dichas causas y la documentación que evidencie las correspondientes reclamaciones realizadas por la Autoridad al amparo del contrato y cualquier otra reclamación relacionada. Además, el informe debe estar acompañado de copia de cualquier documentación (e.g., cartas, correos electrónicos, memoranda, etc.) que apoye los datos contenidos en el mismo incluyendo, pero sin limitarse a, todas las comunicaciones cursadas entre la Autoridad y New Fortress con relación a **nominaciones de gas natural desde el inicio del contrato.**

*See*, June 29<sup>th</sup> Order, at p. 26.

2. In the June 29<sup>th</sup> Order, the Energy Bureau further instructed PREPA to:

[E]n o antes del día 15 de cada mes, comenzando con el mes de julio de 2022, presentar ante el Negociado de Energía un informe detallado de los resultados de las acciones tomadas relacionadas a reclamaciones bajo el contrato entre la Autoridad y Naturgy para el suministro de gas natural en las unidades Costa Sur 5 y 6. El informe debe estar acompañado de copia de cualquier documentación (e.g., cartas, correos electrónicos, memoranda, etc.) que apoye los datos contenidos en el mismo. Como parte de su radicación, la Autoridad deberá presentar también un informe detallado respecto al suministro de gas natural en las unidades Costa Sur 5 y 6, incluyendo la razón de consumo entre gas natural y combustible residual, así como la fecha estimada para el restablecimiento del suministro normal de gas natural a dichas unidades.

*Id.*

3. Effective July 1, 2023, the Service Commencement Date, the responsibility for the O&M Services for the Legacy Generation Assets transitioned from PREPA to Genera in accordance with the provisions of the LGA OMA. *See*, Article 4, Section 4.7(b) of the LGA OMA. Regarding the management of fuel contracts, Section 5.7 of the LGA OMA specifically provides as follows:

**Management of Fuel and Fuel Contracts. From the Service Commencement Date and for the remainder of the Term thereafter, Operator shall source, procure and manage the nomination, transportation, delivery, supply, quality-testing, storage and handling of Fuel, manage and maintain fuel tanks, perform any required environmental reporting, and maintain and administer the Fuel Contracts, in accordance with the Contract Standards and the applicable Fuel Budget then in effect.** Any renewal of an existing Fuel Contract and any procurement of a new Fuel Contract shall be subject to approval by Administrator and performed in

accordance with Applicable Law and in a manner consistent with the Procurement Manual, provided that procurement requirements that would otherwise apply to Owner under Act No. 83 of May 2, 1941 (including any rules or regulations issued thereunder) or Act 38 (including those relating to approval process and judicial review) shall not be applicable.

*See*, Section 5.7 of the LGA OMA.

4. Therefore, in accordance with the obligations under the LGA OMA, Genera hereby submits (i) the natural gas nominations sent to Naturgy Aprovevisionamientos S.A. for EcoEléctrica LP, as *Exhibit A*; (ii) the natural gas nominations sent to Naturgy Aprovevisionamientos S.A. for Costa Sur units 5 & 6, as *Exhibit B*; (iii) the fuel nominations sent to NFEnergía for San Juan units 5 and 6, attached as *Exhibit C*; and (iii) the natural gas nominations sent to NFEnergía for the Palo Seco, San Juan and other generation units, as *Exhibit D*.

**WHEREFORE**, Genera respectfully requests that the Energy Bureau **take notice** of the above for all purposes and **deem** Genera in compliance with the June 29<sup>th</sup> Order.

RESPECTFULLY SUBMITTED.

In San Juan, Puerto Rico, this 14th day of April, 2026.

It is hereby certified that this motion was filed using the electronic filing system of this Energy Bureau, and that electronic copies of this Motion will be notified to the following attorneys who have filed a notice of appearance in this case: **Lcda. Margarita L Mercado Echegaray**, [margarita.mercado@us.dlapiper.com](mailto:margarita.mercado@us.dlapiper.com); **Lcda.
