Subject: Financial Statements for FY2025

**MOTION TO REQUEST EXTENSION OF TIME**

**TO THE HONORABLE ENERGY BUREAU:**

**COMES NOW**, Punta Lima Wind Farm, LLC ("PLWF"), represented by the undersigned legal counsel, and respectfully submits the following:

1. Section 4.02(F) of the *Amendment to Regulation No. 8618 on Certification, Annual Fees, and Operational Plans for Electric Service Companies in Puerto Rico, Regulation 8701 of the 17th of February 2016*, as amended ("Regulation 8701"), requires electric service companies whose gross revenue for a given fiscal is exceed three million dollars (\$3,000,000.00) to submit audited financial statements within 120 days of the end of the company's fiscal year.
2. PLWF hereby respectfully informs the Honorable Energy Bureau that the preparation of its financial statements for fiscal year 2025 ("FY2025") remains ongoing. PLWF's certified public accountants have a heightened workload and overlapping responsibilities during the tax busy season. As such, it will not be possible to finalize all required documentation and complete the audit within the timeframe established by Section 4.02 of Regulation 8701.

3. Pursuant to Section 5.01 of Regulation 8701 “[a]ll electric service companies or persons who are obligated under this Regulation to file any information or document with the [Bureau], may request that the [Bureau] grant them an additional period of time during which to file the document or information, so long as there is adequate justification for granting the extension”.

4. In light of the foregoing, and in accordance with Section 5.01 of Regulation 8701, PLWF respectfully petitions this Honorable Energy Bureau to grant an extension until May 18, 2026, to submit its financial statements for FY2025.

**WHEREFORE**, Punta Lima Wind Farm, LLC respectfully requests that this Honorable Energy Bureau grant an extension until May 18, 2026 to submit its financial statement for FY2025.

Respectfully submitted, on April 30, 2026, in San Juan, Puerto Rico.
