Confidential Treatment Requested

4. Palmetto requests that confidential treatment be afforded to this motion. Section 6.15 of Act No. 57 of May 17, 2014, as amended, 22 L.P.R.A. § 1054n, provides:

If any person who is required to submit information to the Energy [Bureau] believes that the information to be submitted has any confidentiality privilege, such person may request the [Bureau] to treat such information as such, subject to the following:

(a) If the Energy [Bureau], after the appropriate evaluation, believes such information should be protected, it shall grant such protection in a manner that least affects the public interest, transparency, and the rights of the parties involved in the administrative procedure in which the allegedly confidential document is submitted.

(b) To such purposes, the Energy [Bureau] shall provide access to the document or the privileged portion of the document only to the lawyers and external consultants involved in the administrative process after the execution of a confidentiality agreement.

(c) The Energy [Bureau] shall keep the documents submitted for its consideration out of public reach only in exceptional cases. In these cases, the information shall be duly safeguarded and delivered exclusively to the personnel of the Energy [Bureau] who needs to know such information under nondisclosure agreements. However, the Energy [Bureau] shall direct that a non-confidential copy be furnished for public review.

(d) The Energy [Bureau] shall swiftly act on any privilege and confidentiality claim made by a person subject to its jurisdiction by means of a resolution to such purposes before any allegedly confidential information is disclosed.

5. Palmetto respectfully requests that all the information contained in this motion be kept confidential in accordance with Section 1.15 of Regulation 8701. This motion contains sensitive information which should not be available to the public. The disclosure of this information would place Palmetto at a competitive disadvantage with respect to other market participants and cause it economic harm.

Confidential Treatment Requested

WHEREFORE, Palmetto Arecibo, LLC respectfully requests that the Honorable Energy Bureau take notice of its submission, [REDACTED] and afford confidential treatment to this motion and its accompanying attachment.

Respectfully submitted on April 30, 2026.
