Motion Requesting that the Puerto Rico Energy Bureau Take Notice

TO THE HONORABLE ENERGY BUREAU:

COMES NOW Yabucoa Energy, LLC, by and through the undersigned counsel, and respectfully states and requests as follows:

On May 6, 2026, the Puerto Rico Energy Bureau (PREB) issued a Resolution and Order requiring the Puerto Rico Electric Power Authority (PREPA), within the following seven (7) days, to certify “that the eight (8) proposals filed with the December 5 Compliance Motion constitute the entirety of all proposals received in this proceeding.”

In accordance with said Resolution and Order, Yabucoa Energy, LLC, hereby submits to the PREB a copy of the Improved Pricing Offer submitted on February 6, 2026, through the Power Advocate portal as part of PREPA’s Request for Proposals. Also included with this Motion is evidence of land control and the bond, which remains in full force and effect, both of which had also been submitted to PREPA through the Power Advocate portal.

Yabucoa Energy, LLC, submits this Motion solely to ensure that the PREB is fully informed of the status of a financeable, BESS project that responded constructively to the PREB’s February 6 Resolution and remains prepared to proceed.

The exhibits accompanying this Motion contain commercially sensitive information, including, but not limited to, details concerning pricing, financial capability, contractual site control, and development strategy. Pursuant to the PREB's rules governing confidential information, Yabucoa Energy, LLC respectfully requests confidential treatment of the attached correspondence. These exhibits are the same exhibits that were the subject of the Memorandum of Law in Support of Confidential Treatment filed before the PREB on March 2, 2026, with respect to which the PREB has already issued a determination.

WHEREFORE, Yabucoa Energy, LLC, respectfully requests that the PREB (1) take official notice of the correspondence submitted by Yabucoa Energy, LLC, to the PREPA in connection with RFP No. 237366; (2) grant confidential treatment to the attached correspondence; and (3) grant such other and further relief as the PREB deems just and proper in the public interest.

RESPECTFULLY SUBMITTED.

CERTIFICATE OF SERVICE. It is hereby certified that, on this same date, I have filed the above motion with the Office of the Clerk of the Energy Bureau using its Electronic Filing System at <https://radicacion.energia.pr.gov/login>, and a courtesy copy of the filing was sent to PREPA through alexis.rivera@prepa.pr.gov; nzayas@gmlex.net; mvalle@gmlex.net and rcruzfranqui@gmlex.net.
