PROYECTOS APROBADOS POR EL
NEGOCIADO DE ENERGÍA DE LA
JUNTA REGLAMENTADORA DE
SERVICIO PÚBLICO DE PUERTO RICO

CASE NO. NEPR-MI-2024-0001

**SUBJECT: Motion Submitting Status
Report for the Fourth Quarter of Fiscal
Year 2026**

**MOTION SUBMITTING STATUS REPORT
FOR THE FOURTH QUARTER OF FISCAL YEAR 2026**

TO THE PUERTO RICO ENERGY BUREAU:

COME NOW LUMA Energy, LLC, and LUMA Energy ServCo, LLC, (jointly referred to as “LUMA”), through the undersigned legal counsel and respectfully submit the following:

1. On February 8, 2024, this Honorable Puerto Rico Energy Bureau (“Energy Bureau”) issued a Resolution and Order (“February 8th Order”) opening the instant proceeding and instructing LUMA, the Puerto Rico Electric Power Authority (“PREPA”), and Genera PR, LLC (“Genera”) to individually file an initial report on all projects approved by the Energy Bureau, regardless of whether they are financed with state, federal, or ratepayer funds, on or before February 23, 2024.

2. In the February 8th Order, the Energy Bureau also directed LUMA, PREPA, and Genera to update the above-referenced reports on a quarterly basis, and for such updates to be submitted on March 31, June 30, September 30, and December 31 of each year, including the current year.

3. On February 20, 2024, LUMA filed a *Motion Requesting Extension of Time to Submit First Status Report and Request to Align the Filing of the Status Reports with the Filing of the Quarterly Reports* (“February 20th Motion”). LUMA requested the Energy Bureau to align the

first status report and subsequent reporting requirements in this instant proceeding with the quarterly reporting requirements in Case No. NEPR-MI-2021-0004 and, thus, concede an extension until April 15, 2024, to file the first status report on all the projects.

4. On February 28, 2024, the Energy Bureau issued a Resolution and Order granting LUMA's request for extension and ordered it to file the first status report on or before April 15, 2024 ("February 28th Order"). Further, it determined that the subsequent reports would be submitted quarterly on the following dates: October 15, 2024, and January 15, 2025.

5. On April 19, 2024, LUMA filed the *Motion Submitting First Status Report and Reiterate Request to Align the Filing of the Status Reports with the Filing of the Quarterly Reports* ("April 19th Motion"). Therein, among other things, LUMA reiterated its request to align the filing of the Status Reports with the Quarterly Federal Funding Report that is submitted in Case NEPR-MI-2021-0004, so that both may be filed concurrently on May 15, 2024 (Third Quarter of Fiscal Year 2024) August 14, 2024 (Fourth Quarter of Fiscal Year 2024) and November 14, 2024 (First Quarter of Fiscal Year 2025). *Id.*, at 4-5.

7. On May 7, 2024, the Energy Bureau issued a Resolution and Order ("May 7th Order"), whereby it approved LUMA's request to align the filings from the present case and the Quarterly Federal Funding Reports submitted in the NEPR-MI-2021-0004 case, and ordered the parties to file on the dates proposed in the April 19th Motion.

8. In compliance with the May 7th Order, LUMA hereby submits its report on all the projects approved by the Energy Bureau and financed with state, federal, or ratepayer funds as *Exhibit 1* to this Motion. The information included therein encompasses up to June 30, 2026 (end of LUMA's Fourth Quarter of Fiscal Year 2026).

WHEREFORE, LUMA respectfully requests that the Energy Bureau **take notice** of the aforementioned; **accept** the Status Report for the Fourth Quarter of Fiscal Year 2026, and **deem** LUMA in compliance with the February 8th and May 7th Orders.

RESPECTFULLY SUBMITTED.

We hereby certify that we filed this motion using the electronic filing system of this Energy Bureau. We will send an electronic copy of this motion to PREPA via Alexis Rivera, alexis.rivera@prepa.pr.gov, and through its counsel of record, Natalia Zayas Godoy, nzayas@gmlex.net, Richard Cruz Franqui, rcruzfranqui@gmlex.net, and Mirelis Valle Cancel, mvalle@gmlex.net, and to Genera PR LLC, through its counsel of record, Jorge Fernández-Reboredo, jfr@ecija.com, José Javier Díaz Alonso, jdiaz@ecija.com, and Gabriela Castrodad García, gcastrodad@ecija.com.

In Guaynabo, Puerto Rico, on August 14th, 2026.
