BUDGETS

CASE NO.: NEPR-MI-2021-0004

**MOTION REQUESTING AN EXTENSION OF TIME TO SUBMIT THE JUNE 2026 B2A REPORT
TO THE HONORABLE PUERTO RICO ENERGY BUREAU:**

COMES NOW the Puerto Rico Electric Power Authority ("PREPA") through its undersigned legal representation and respectfully informs and requests as follows:

1. On June 25, 2023, the Energy Bureau of the Puerto Rico Public Service Regulatory Board ("Energy Bureau") issued a Resolution and Order ("June 25 Order") modifying the proposed budget and approving the Consolidated Annual Budgets for Fiscal Year 2024 ("FY24 Approved Budget").

2. The June 25 Order established several financial reporting requirements for PREPA, including the submission of a monthly Budget to Actual ("B2A Report") for HydroCo and HoldCo, based on a template provided by the Financial Oversight and Management Board ("FOMB"). This report must include:

- a. Explanation of material variances (greater than 10% and \$30 million),
- b. Income statement within the reporting package, and
- c. Monthly budget reporting.

3. On June 26, 2024, the Energy Bureau issued another Resolution and Order ("June 26 Order") regarding the review of the FY 2025 Budget. In that order,

the Energy Bureau determined that the modified FY 2025 Budgets complied with Act 57-2014 and the 2017 Rate Order. The Energy Bureau also confirmed that all existing reporting requirements remain in full force and effect.

4. PREPA has diligently undertaken all reasonable efforts to prepare and submit the June 2026 B2A Report promptly. Notwithstanding these efforts, unforeseen technical difficulties have affected PREPA's ability to complete the report within the existing deadline.

5. Therefore, PREPA respectfully requests an extension of time until **tomorrow, August 18, 2026**, to submit the June 2026 B2A Report. This request is made in good faith, solely to ensure the accuracy and completeness of the filing. It will not prejudice or unduly delay the Energy Bureau's evaluation of the report.

WHEREFORE, PREPA respectfully requests that: (a) the Energy Bureau take **NOTICE** of the information provided, and (b) **GRANT** the extension requested until August 18, 2026.

RESPECTFULLY SUBMITTED.

In San Juan, Puerto Rico, this 17th day of August 2026.
