PROCEDURE - THERMAL GENERATION
EQUIPMENT

CASE NO.: NEPR-MI-2023-0003

SUBJECT: Clarification Regarding the
Resolution and Order Requiring Information
Concerning Genera's Motion to Submit
Revised Annual Performance Test Procedure

RESOLUTION AND ORDER

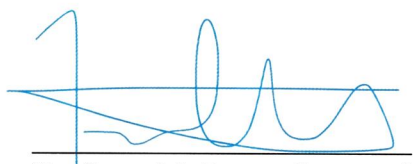

On August 19, 2026, the Energy Bureau of the Puerto Rico Public Service Regulatory Board ("Energy Bureau") issued a Resolution and Order in this proceeding requiring Genera PR LLC ("Genera") to submit the information identified in Attachment A thereto within fifteen (15) days ("August 19 Resolution"). Given the technical nature of the matters addressed in the August 19 Resolution, and to conduct the pertinent evaluation in an expedited manner, the Energy Bureau authorize member of its staff and consultants to hold informal technical meetings or conferences with representatives and/or consultants of Genera, as necessary, solely to clarify the scope of the information and submission requirements listed in the August 19 Resolution and addressing questions related to Genera's Revised Annual Performance Test Procedure.¹

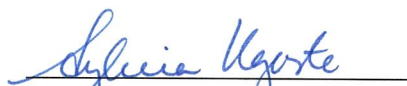

The Energy Bureau **CLARIFIES** that any statement, guidance, clarification, or observation provided by its staff or consultants during such communications shall be preliminary and nonbinding. Energy Bureau staff and consultants are not authorized to make binding representations or commitments on behalf of the Energy Bureau, nor shall any such communication constitute, modify, or otherwise be construed as a final determination, order, or official position of the Energy Bureau. Final authority regarding the evaluation and determination of the Genera's Revised Annual Performance Test Procedure rests exclusively with the Commissioners, and only a written Resolution and Order duly issued by the Energy Bureau shall constitute an official and binding determination.

The Energy Bureau **ORDERS** Genera to proceed in accordance with the foregoing.

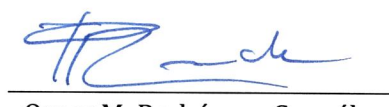

Be it notified and published.
