

**GOVERNMENT OF PUERTO RICO
PUBLIC SERVICE REGULATORY BOARD
PUERTO RICO ENERGY BUREAU**

IN RE: MAINTENANCE AND REPAIR
MANAGEMENT OF THE GENERATION
UNITS OF THE PUERTO RICO ELECTRIC
POWER AUTHORITY

CASE NO.: NEPR-MI-2021-0014

SUBJECT: Resolution Granting LUMA's
Motion for Brief Extension of Time

RESOLUTION AND ORDER

On September 18, 2026, the Energy Bureau of the Puerto Rico Public Service Regulatory Board ("Energy Breau") issued a Resolution and Order requiring LUMA Energy, LLC and LUMA Energy ServCo, LLC (collectively, "LUMA") to file its position regarding the Unit Maintenance Plan for Boilers and Turbo-Generators attached to Genera's Q4 Report. Under that Order, LUMA was directed to identify each planned outage it had not approved, state the reason for non-approval, describe the system conditions necessary for the outages to proceed, and indicate the date by which it expected to approve a final plan. The Order required this filing to be submitted **within ten (10) calendar days** from notice of the Resolution and Order.

On September 30, 2026, LUMA filed a *Motion for Brief Extension of Time* requesting an additional five (5) business days to submit a required filing. LUMA asserts that the delay resulted from extraordinary concurrent regulatory obligations, including responding to four extensive Requests for Information and participating in a full-day Virtual Technical Conference in Case No. NEPR-MI-2020-0001. LUMA emphasizes that its regulatory and technical teams were simultaneously addressing multiple urgent and highly technical matters, requiring substantial analysis, preparation of financial models, and submission of voluminous documentation.

LUMA acknowledges that the deadline had elapsed, expresses regret for the delay, and submits that good cause exists for granting the requested extension.

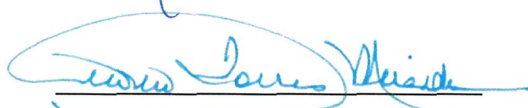

The Energy Bureau **GRANTS** LUMA's *Motion for Brief Extension of Time*. LUMA shall file the required response on or before **October 7, 2026**.

The Energy Bureau **WARNS** the parties that failure to comply with this Resolution and Order, the applicable regulations and/or laws could lead to the imposition of fines and/or administrative sanctions in accordance with the provisions of Act No. 57-2014.¹

Be it notified and published.
