Case No.: NEPR-MI-2020-0001

Motion for a Brief Additional Extension of Time to
Comply with Resolution and Order of September
25, 2026, and to Respond to Fourth Request for
Information

**MOTION FOR A BRIEF ADDITIONAL EXTENSION OF TIME TO COMPLY WITH
RESOLUTION AND ORDER OF SEPTEMBER 25,
2026 AND TO RESPOND TO FOURTH REQUEST FOR INFORMATION**

TO THE PUERTO RICO ENERGY BUREAU:

COMES NOW, GENERA PR, LLC (“Genera”), through its undersigned counsel and, very respectfully, STATES and PRAYS as follows:

1. On September 25, 2026, the Puerto Rico Energy Bureau (“Energy Bureau” or “PREB”) issued a *Resolution and Order* in the present proceeding (“September 25 Resolution”), through which it issued a Fourth Request for Information (“Fourth RFI”).
2. Through the *September 25 Resolution*, the Energy Bureau ordered Genera PR LLC (“Genera”), LUMA Energy, LLC and LUMA Energy ServCo, LLC (collectively, “LUMA”), and the Puerto Rico Electric Power Authority (“PREPA”) to submit their complete written responses to the Fourth RFI on or before September 29, 2026. The Energy Bureau further directed the parties to supplement their responses thereafter as additional information became available.
3. On September 28, 2026, Genera filed a *Motion for Extension of Time to Comply with Resolution and Order of September 25, 2026, and to Respond to Fourth Request for*

Information, requesting a brief extension until October 6, 2026, to complete its responses to the Fourth RFI.

4. Since that filing, Genera's Operations and Compliance teams have continued working diligently to compile the information and supporting documentation necessary to respond fully to the Fourth RFI. Despite those efforts, Genera has not been able to finalize all of its responses by today's deadline.

5. In particular, certain responses require additional information to be gathered from the appropriate personnel and records, as well as further review and corroboration before they can be submitted to the Energy Bureau. Genera believes that completing this process is necessary to ensure that its responses are accurate and complete.

6. Genera's Operations and Compliance personnel also continue to face an unusually demanding workload arising from the several regulatory and operational matters that have required their attention during the past weeks. Although Genera has continued to prioritize the Fourth RFI, the same personnel whose participation is required to complete and verify these responses are simultaneously addressing other compliance obligations and operational responsibilities.

7. Genera remains fully committed to complying with the Energy Bureau's directives and to providing complete and timely information. However, under the present circumstances, a brief additional extension is unavoidable to permit Genera to complete the remaining work and submit responses that have been properly reviewed and corroborated.

8. Accordingly, Genera respectfully requests an additional extension of seven business (7) days, until **October 15, 2026**, to submit its responses to the Fourth RFI. This limited additional extension is requested in good faith and solely to allow Genera to complete and verify the information necessary for a comprehensive response.

WHEREFORE, Genera respectfully requests that the Energy Bureau take notice of the foregoing and grant Genera an additional extension of seven business (7) days, until **October 15, 2026**, to submit its responses to the Fourth Request for Information, and grant such other relief as the Energy Bureau may deem just and proper.

RESPECTFULLY SUBMITTED.

In San Juan, Puerto Rico, this 6th day of October, 2026.

It is hereby certified that this Motion was filed using the electronic filing system of this Energy Bureau, and that electronic copies of this Motion will be notified to the following attorneys who have filed a notice of appearance in this case: RegulatoryPREBOrders@lumapr.com; yahaira.delarosa@us.dlapiper.com; margarita.mercado@us.dlapiper.com; katiuska.bolanos-lugo@us.dlapiper.com; hrivera@jrsp.pr.gov; legal@genera-pr.com; regulatory@genera-pr.com.
