Certification

We certify under penalty of nullity that no public servant of Buyer will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for the Services provided is the agreed-upon price that has been negotiated with an authorized representative of Buyer. The total amount shown on this invoice is true and correct. The Services have been rendered, and no payment has been received.

Certification

We certify under penalty of nullity that no public servant of Buyer will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for the Services provided is the agreed-upon price that has been negotiated with an authorized representative of Buyer. The total amount shown on this invoice is true and correct. The Services have been rendered, and no payment has been received.

Certification

We certify under penalty of nullity that no public servant of Buyer will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for the Services provided is the agreed-upon price that has been negotiated with an authorized representative of Buyer. The total amount shown on this invoice is true and correct. The Services have been rendered, and no payment has been received.

Certification

We certify under penalty of nullity that no public servant of Buyer will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for the Services provided is the agreed-upon price that has been negotiated with an authorized representative of Buyer. The total amount shown on this invoice is true and correct. The Services have been rendered, and no payment has been received.

Certification

We certify under penalty of nullity that no public servant of Buyer will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for the Services provided is the agreed-upon price that has been negotiated with an authorized representative of Buyer. The total amount shown on this invoice is true and correct. The Services have been rendered, and no payment has been received.

Certification

We certify under penalty of nullity that no public servant of Buyer will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for the Services provided is the agreed-upon price that has been negotiated with an authorized representative of Buyer. The total amount shown on this invoice is true and correct. The Services have been rendered, and no payment has been received.

Certification

We certify under penalty of nullity that no public servant of Buyer will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for the Services provided is the agreed-upon price that has been negotiated with an authorized representative of Buyer. The total amount shown on this invoice is true and correct. The Services have been rendered, and no payment has been received.

Certification

We certify under penalty of nullity that no public servant of Buyer will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for the Services provided is the agreed-upon price that has been negotiated with an authorized representative of Buyer. The total amount shown on this invoice is true and correct. The Services have been rendered, and no payment has been received.

Certification

We certify under penalty of nullity that no public servant of Buyer will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for the Services provided is the agreed-upon price that has been negotiated with an authorized representative of Buyer. The total amount shown on this invoice is true and correct. The Services have been rendered, and no payment has been received.

Certification

We certify under penalty of nullity that no public servant of Buyer will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for the Services provided is the agreed-upon price that has been negotiated with an authorized representative of Buyer. The total amount shown on this invoice is true and correct. The Services have been rendered, and no payment has been received.

Certification

We certify under penalty of nullity that no public servant of Buyer will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for the Services provided is the agreed-upon price that has been negotiated with an authorized representative of Buyer. The total amount shown on this invoice is true and correct. The Services have been rendered, and no payment has been received.

Certification

We certify under penalty of nullity that no public servant of Buyer will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for the Services provided is the agreed-upon price that has been negotiated with an authorized representative of Buyer. The total amount shown on this invoice is true and correct. The Services have been rendered, and no payment has been received.

Certification

We certify under penalty of nullity that no public servant of Buyer will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for the Services provided is the agreed-upon price that has been negotiated with an authorized representative of Buyer. The total amount shown on this invoice is true and correct. The Services have been rendered, and no payment has been received.

Certification

We certify under penalty of nullity that no public servant of Buyer will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for the Services provided is the agreed-upon price that has been negotiated with an authorized representative of Buyer. The total amount shown on this invoice is true and correct. The Services have been rendered, and no payment has been received.

Certification

We certify under penalty of nullity that no public servant of Buyer will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for the Services provided is the agreed-upon price that has been negotiated with an authorized representative of Buyer. The total amount shown on this invoice is true and correct. The Services have been rendered, and no payment has been received.

Certification

We certify under penalty of nullity that no public servant of Buyer will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for the Services provided is the agreed-upon price that has been negotiated with an authorized representative of Buyer. The total amount shown on this invoice is true and correct. The Services have been rendered, and no payment has been received.

Certification

We certify under penalty of nullity that no public servant of Buyer will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for the Services provided is the agreed-upon price that has been negotiated with an authorized representative of Buyer. The total amount shown on this invoice is true and correct. The Services have been rendered, and no payment has been received.

Certification

We certify under penalty of nullity that no public servant of Buyer will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for the Services provided is the agreed-upon price that has been negotiated with an authorized representative of Buyer. The total amount shown on this invoice is true and correct. The Services have been rendered, and no payment has been received.
