PUBLIC SERVICE REGULATORY BOARD
PUERTO RICO ENERGY BUREAU

IN RE: GENERA PR, LLC, FUEL OPTIMIZATION PLAN	**CASE NO:** NEPR-MI-2023-0004 **SUBJECT:** Resolution and Order regarding Urgent *Request for Extension of Time to Submit Responses to the Requirements of Information in Compliance with Resolution and Order dated October 23, 2026*

RESOLUTION AND ORDER

On November 2, 2026, Genera PR LLC ("Genera") filed a document titled *Urgent Request for Extension of Time to Submit Responses to the Requirements of Information in Compliance with Resolution and Order dated October 23, 2026* ("November 2 Motion"). On its motion, Genera contends that the volume and complexity of the information requested, together with competing regulatory filing obligations and expedited information requests, prevented it from providing complete responses within the time prescribed by the October 23 Resolution and Order.

After examining the November 2 Motion and the reasons stated therein, the Energy Bureau **GRANTS** Genera an extension of **ten (10) additional days** to submit its responses to the Annex 1 Request for Information required by October 23, 2026, Resolution and Order.

The Energy Bureau **WARNS** Genera that failure to comply with this Resolution and Order will result in the imposition of fines in accordance with Section 6.36 of Act 57-2014[1].

Be it notified and published.
