PUERTO RICO PUBLIC SERVICE REGULATORY BOARD
PUERTO RICO ENERGY BUREAU

IN RE: PUERTO RICO ELECTRIC POWER AUTHORITY PERMANENT RATE	**CASE NO.:** NEPR-MI-2020-0001 **SUBJECT:** LUMA's Submission of Quarterly Report on Streetlights Repairs for July through September 2026

SUBMISSION OF QUARTERLY REPORT ON STREETLIGHTS REPAIRS FOR JULY THROUGH SEPTEMBER 2026

TO THE PUERTO RICO ENERGY BUREAU:

COME NOW LUMA Energy, LLC and **LUMA Energy ServCo, LLC** (jointly, "LUMA"), through the undersigned legal counsel, and respectfully state and request as follows:

1. On June 28, 2020, the Puerto Rico Energy Bureau ("Energy Bureau") issued a Resolution and Order (the "June 28th Order") directing the Puerto Rico Electric Power Authority to submit a monthly report on the electroluminescent or renewable-type public lighting luminaires installed during the preceding month (the "Streetlights Repairs Report"). The stated purpose of the Streetlights Repairs Report is to enable the Energy Bureau to verify compliance with Act 17-2019 and to collect the information necessary for the annual reconciliation and calculation of the help-to-humans subsidy ("SUBA-HH") adjustment factor. *See* June 28th Order, p. 21.

2. Through a Resolution and Order dated August 29, 2023 (the "August 29th Order"), the Energy Bureau modified the filing frequency of the Streetlights Repairs Report from monthly to quarterly.

3. In compliance with the June 28th Order, as modified by the August 29th Order, LUMA hereby submits, as *Exhibit 1*, the Streetlights Repairs Report for July, August, and September 2026.

WHEREFORE, LUMA respectfully requests that the Energy Bureau **take notice** of the foregoing and of the Streetlights Repairs Report for July, August, and September 2026 submitted herewith as *Exhibit 1*, and **deem** LUMA in compliance with the June 28th Order, as modified by the August 29th Order.

RESPECTFULLY SUBMITTED.

In Guaynabo, Puerto Rico, on the 6th day of November 2026.
